Offered for \$8,000/ Acre

30 Acres | Sandy Creek Road | Morgan County, GA | 30650

- Predominately Pasture
- Spring fed Pond
- Barbed wire Fence

This is a great property for someone who wants a few cows or horses as it is predominately pasture with a great building site in the rear. There is a one acre spring fed pond in the front of the property that can be enlarged some if someone desires to do so. And the property is also completely fenced around with 4 strands of barbed wire. The fence is old but is currently holding cows.
