

This topographic map displays the area around Lake Jacksonville in Texas. The lake is centrally located, with several roads and creeks surrounding it. A red outline highlights a specific tract boundary near the southern shore of the lake. The map includes labels for various roads (e.g., County Road 3106, County Road 1616), creeks (e.g., Gum Creek, Cat Creek), and the city of Jacksonville. A legend in the bottom left corner indicates that the red outline represents the 'Tract Boundary'.

1 Inch = 4,000 Feet
