

Approximate
Location of
191 AC

This is an aerial photograph of a rural landscape. A large, irregularly shaped area is outlined with a thick yellow line. The area is primarily green, indicating fields or forests, with several small, dark, irregular shapes that appear to be ponds or wetlands. A road, marked with a '90' shield, runs diagonally from the bottom right towards the top right. To the right of the road, there are some buildings and a 'Railroad' line. The text 'Approximate Location of 191 AC' is overlaid in yellow in the center of the outlined area.
