The Rocky Mound East Tract is located just minutes from Hope, Arkansas and Interstate 30. With highway frontage, good internal access and industrial-grade pine plantation, this tract is perfect for the timberland investor. Rolling terrain should allow all-weather logging. The nice views to the north give the property potential as a building site as well as an investment. Electricity is available at the highway right-of-way.

The property is located on the north side of Highway 73 in the Rocky Mound area about three miles east of Hope. The tract contains ± 65 acres of pine plantation established in 1999 which is ready for pulpwood thinning. There is also about 12 acres of mature pine and hardwood in streamside corridors. The multiple cover-types and corridors provide excellent wildlife habitat.
