ADDITIONAL NOTICES TO BUYER:

(4)

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit <u>www.txdps.state.tx.us</u>. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
