SURVEYOR'S STATEMENT

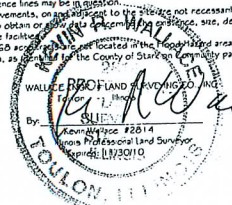

We, the Wallace Enger, & Land Surveying Co., Inc., do hereby state that we have surveyed the West 1/2 of the NW 1/4, and a part of the SW 1/4 and SE 1/4 of Section 27, T11N, R6E of the 4th P.M., Stark County, Illinois.

We further state that the accompanying Plat is a true and correct representation of said Survey as made by us and that this professional service conforms to the current Illinois minimum standards for a boundary survey. All distances are given in feet and decimals of foot and bearings are for the purpose of description only. Distances shown in parentheses are of record. Clear title to any land lying between dead lines and existing fence lines may be in question.

All buildings, surface and subsurface improvements, on and adjacent to the tracts not necessarily shown. No attempt has been made, as a part of the boundary survey, to obtain or determine the location, size, depth, condition, capacity or location of any utilities or municipally owned service facilities.

We further state that the 80.57 and 35.43 acre tracts are located in the Flood Hazard area and the 48.55 and 126.25 acre tracts are located in the Flood Hazard area, as shown on the County of Stark Community parcel 170613, Map 17, effective date: 12/21/04.

Dated this 11th day of March, 2010.
