Located on the banks of Bayou Pierre this 320 acres offers 7 year old pine plantation surrounded by hardwoods creating excellent whitetail hunting opportunities. Access is via a recorded easement off Dillard Road to the east property line.

Food plots located on the power line and gas line easements offer good long range visibility. The old hunter's cabin on the property can be renovated for a rustic camp on the bank of the Bayou Pierre, a year round running stream with a sand and gravel bottom, for swimming, tubing and fishing during the hot summer months.

\$1800.00 per acre
