A photograph of the Southern Methodist University (SMU) building at night on a rainy day. The building is a large, multi-story brick structure with a prominent portico supported by white columns. A small cupola sits atop the roof. The wet pavement in the foreground reflects the lights from the building and a red car driving away. Several cars are parked along the right side of the street. Trees are visible on the left and right sides of the building.

A wide-angle, nighttime photograph of the Dallas skyline. The city is illuminated with various lights, including streetlights, building lights, and traffic light trails. The skyline features several prominent skyscrapers, including the Reunion Tower with its illuminated sphere. The foreground shows a mix of urban development, including parking lots, smaller buildings, and green spaces. The overall scene captures the vibrant energy of a major metropolitan area at night.
