RECORDED Sept. 10 2008
Station Bennett
CLERK S.C.W.C.G.A.

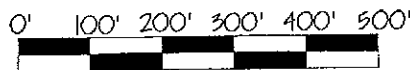

Tract represented by this survey is "Tract 2" as shown by a plot of survey performed by Merlin J. Tombarin, Registered Land Surveyor, dated Nov. 5, 1998, and recorded in Plat Book 36, page 154, records of Wayne County, Ga.

Access to this tract is provided by a 20' wide access easement described on the above-referenced plat.

It is the purpose of this Surveyor's plat to represent the approximate amount of "dry land" (lying above water level as of the date of this survey) from the balance of the 1: acres.

2. Secondary information shown hereon was taken from the above referenced Tombertin plat and not verified by this surveyor.

Scale : 1" = 200'
