

1. No more than one mobile home or modular home shall be placed on subject property, but this restriction is not intended to prohibit the construction of conventional homes thereon. Any mobile home placed on these lots must have been manufactured within five (5) years of the original placement on the lots and must be underpinned within ninety (90) days.

2. No swine or poultry shall be permitted to be kept or maintained on said land at any time.

3. No junk yards will be allowed on any lot. No inoperative motor vehicle is to remain on said lots for more than ninety (90) days.

NOTE: For the purpose of these restrictions, the words "lot", "tract", or "land" all mean the same.
