

Winnie and John

Straight-line Pike

Beautiful country setting on 15 acres

Pasture, woods, spring plenty of water

In city 2 mile fringe...is hooked up to city water & sewage

Is on RP&L

All brick home...full walk out basement..with patio and window..Not finished...could have bathed...sink is in dark room.

They are the third owners of the home and lived there for 19 years.

Red Boltman did the initial remodeling

Lot of storage

Main level master suite

Large eat in kitchen, connected family room with fire place and bay window.

Large formal living room with w/b fire place and large formal dining.

Two ½ car garage lots of built in shelves and cabinetry

Large mud room and pantry area off the kitchen to the garage

Three Bedrooms up lots of storage in eves

1. Large suite upstairs has full ceramic tile shower and includes office /setting room/craft room/storage..This room is fully panel wall covering..Built in drawers on both sides of windows..Lots of possibilities.

2. Large bedroom with great windows...but all windows in the house are original Pella ...all still open and a few need help staying open.

3. Bedroom is small feels like 11 X 12

Upstairs bath is large and ceramic tile.

Thoughts: Many possibilities with this home, strong well built, lots of crown molding, and wanes coating...need new window, lots of cosmetic updates.
