A scenic landscape of the Blanco River in Texas. The river flows from the background towards the foreground, where it cascades over a series of large, light-colored rocks, creating a small waterfall. The water is a turbid, brownish-yellow color. The banks are lined with lush green trees and vegetation under a clear blue sky.

## BLANCO RIVER RANCH

This beautiful 592 acres is a true Texas Hill Country paradise. Located just minutes from historical downtown Wimberley. This property has both open pastures and native hill country vistas. The picturesque Blanco River passes through the property with beautiful blue/green water. Good neighbors, wonderful vistas and plenty of trees. This ranch won't last long at this location.
