Land Description:

141 acres uniquely split into two separate tracts less than 1/2 mile apart. These tracts of pine growing timberland are located less than 10 miles east of Sikes, Louisiana in Winn Parish. One tract is approximately 60 acres made up of premerch pine plantations approximately 6 years old with hardwood timber along the creeks. The 81 acre tract is a mix of pine plantations mostly 5-7 years old and natural pine timber that has been thinned once, and is in good growing shape. Access is not permissible, but available by woods roads. All minerals are reserved. Please call if you would like to see these tracts.
