

Colorado Mountain Log Cabin

Exceptional finishes in this 1,390sq.ft. Colorado mountain log cabin on 4.7 acres with a 1,296sq.ft. heated garage/shop, covered storage and quality well. This completely remodeled woodworker's masterpiece offers 3 bedrooms, 1 three-quarter bath, 1 half bath, loft, separate dining and screened in front porch. The finishes boast solid wood doors, log handrail, hardwood flooring, custom trim and cabinetry crafted from Hickory, Brazilian Cherry, White Oak, Australian Cypress and Pine. The kitchen includes custom cabinets with pull-out shelving and granite countertops with a tile backsplash. The home offers 3 sources of heat; forced air, electric thermal storage unit and a wood burning masonry fireplace with blower. The 4-car garage/shop with floored storage room above has in-floor radiant heat, 220V service and is insulated. The well produces 5 gallons per minute and the water is stored in a 1,800 gallon cistern. This easily accessible property is located just west of town and is NOT in a HOA. The roads are maintained year-round.
