This acreage is located in northern Lawrence County just five miles north of Spearfish with great views of the Black Hills as well as the Redwater River valley and breaks. The 240± deeded acre property is a mixture of irrigated cropland and rolling pasture with 107± acres of tillable land that is typically planted to alfalfa. Of the tillable land, approximately 85 acres are irrigated with side roll sprinklers utilizing irrigation water from a flowing well that is approximately 1,000 feet deep. The well provides adequate pressure to operate the side roll sprinklers for irrigation and also provides water for two private ponds. Hundreds of trees have been planted in shelterbelts across the property which provides winter livestock protection and excellent wildlife habitat.

The property includes a headquarters complete with a house, outbuildings, and corrals/pens. The ranch house was built in 1933 and has 1,188 square feet of living space. Buyers can use this house as living quarters or build their own custom residence on top of one of the hills that offer tremendous views of the area. Other improvements include a historic 30'x50' barn partially used as a shop area, a 12'x20' storage shed with a concrete floor, a 10'x20' bunkhouse, a 30'x32' machine shed / livestock barn adjacent to working corrals, and 280 feet of feed bunk space off of a fenced hay lot. The improvements are served by a well and water hydrants are strategically placed throughout the property for livestock use.
