

This is an aerial photograph of a residential area, overlaid with a map showing property boundaries and parcel numbers. The central focus is a large, irregularly shaped parcel highlighted in red, labeled R43613. This parcel is outlined with a thick green border. Surrounding this central parcel are numerous other smaller parcels, each labeled with a unique number. These numbers are distributed across the map, some within the green-outlined area and others outside. The map also shows a network of roads and a railway line running diagonally through the lower portion of the image. The overall terrain appears to be a mix of developed and undeveloped land, with some areas showing dense vegetation and others showing more open space or structures.
