Property Description

APN 501-235-59-00

Olvera Rd.

Spring Valley, CA 91977

INTRODUCTION & OVERVIEW

This flag lot is situated in a well-established neighborhood in the San Diego suburb of Spring Valley. Pride of ownership is appreciable throughout the cul-de-sac location and surrounding area. The undeveloped parcel measures just over one half of an acre and is unique in its locale as well as its privacy. With immediate street access to the site, the entry gives way to surprising opportunity. Gently sloping topography and beautiful views of Mt. Helix and the surrounding areas make this an ideal home build property. Utilities are available in the immediate vicinity. The property is located just 12 miles from downtown San Diego.

AREA INFORMATION

The Spring Valley area is in the unincorporated, south easterly part of San Diego county and is rich with history as well as light development. Comprised of several neighborhoods including La Presa, Dictionary Hill and Sweetwater Village, Spring Valley offers a variety of retail stores, dining and entertainment venues. Highways 94 and 125 provide immediate access to the area and are easy connectors to Interstate 8. Central and convenient, Spring Valley still affords its residents some of the “out-of-the-way” sentiments that make unincorporated San Diego county special.
