Offered for \$2850/ Acre

115.36 Acres | Hwy 212 E | Jasper County, GA | 31064

- Hunting
- Wildlife
- Great Location

Beautiful Jasper County timber and/or hunting tract. This property is 115 acres of gorgeous, mature upland hardwoods offering good timber value as well as the perfect environment for abundant wildlife. When the water is high, South Fork Wolf Creek makes its presence known as it intertwines through the wooded landscape. For the hunter minded individual, this tract is ready for action with well maintained roads and food plots throughout the property. For someone more timber minded, you'll have access to desirable, untouched mature hardwoods. The property is currently leased for hunting. Showings are by appointment only.
