## Timber Frame 3-level Home on 20 acres

Exquisite, grand style timber frame home w/active spring. Enjoy mountain views from almost every room. Tasteful remodel includes high-end kitchen cabinets, butcher block counter tops, new appliances, new oak floor on the main, new shower, an antique vanity, new flooring & plumbing in main floor bath! Upstairs, relax in the big new soaking tub. Go back in time cooking on the antique wood stove in the kitchen. You'll love the new deck that takes in the mountain views, too! Property suited to horses. It has an open meadow, electric fence, timber and a pond. Off grid/no electric; with professional solar package.
