Where the context permits or requires, the term Neighborhood shall also refer to the Neighborhood Committee, if any, (established in accordance with the By-Laws) or Neighborhood Association if any, (as defined below) having concurrent jurisdiction over the property within the Neighborhood. Neighborhood boundaries may be established and modified as provided in Section 3.3.

1.31. Owner. One or more Persons who hold the record title to any Unit, including the Declarant and any Builder but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Unit is sold under a recorded land sales contract, and the contract specifically so provides, the purchaser (rather than the fee owner) will be considered the Owner. If a Unit is owned by more than one Person, all such Persons shall be jointly and severally obligated to perform the responsibilities of such Owner.

1.32. Person. A natural person, a corporation, a partnership, a limited liability company, a fiduciary acting on behalf of another person or any other legal entity.

Private Amenities may be operated on a daily fee, use fee, public, or private basis or otherwise, and may include, without limitation, any golf course(s), so located and all related and supporting facilities and improvements. Sanctuary River Club at St Andrews Sound is hereby designated as a Private Amenity and Declarant reserves the right to designate additional Private Amenities in its sole discretion.

1.39. Unit. A portion of the Properties, whether improved or unimproved, which may be independently owned and conveyed and which is intended for development, use, and occupancy as an attached or detached residence for a single family. The term shall refer to the land, if any, which is part of the Unit as well as any improvements thereon. The term shall include within its meaning, by way of illustration but not limitation, townhouse units, cluster homes, patio or zero lot line homes, and single-family detached houses on separately platted units, as well as vacant land intended for development as such, but shall not include Common Area, common property owned by any Neighborhood Association, or property dedicated to the public. In the case of a building within a condominium or other structure containing multiple dwellings, each dwelling shall be deemed to be a separate Unit.

In the case of a parcel of vacant land or land on which improvements are under construction, the parcel shall be deemed to be a single Unit until such time as a subdivision plat or condominium plat is filed of record on all or a portion of the parcel. Thereafter, the portion encompassed by such plat shall contain the number of Units determined as set forth in the preceding paragraph and any portion not encompassed by such plat shall continue to be treated in accordance with this paragraph.

1.40. Voting Delegate. Any representative selected by the Class "A" Members within each Neighborhood to be responsible for casting all Class "A" votes attributable to Units in the Neighborhood on matters requiring a vote of the membership (except as otherwise specifically provided in this Declaration and in the By-Laws). 1.41. Voting Group. One (1) or more Voting Delegates who vote on a common slate for election of directors to the Board of Directors of the Association, as more particularly described in Section 3.5 of this Declaration or, if the context so indicates, the group of Class "A" Members whose Units are represented thereby.

ARTICLE 2 PROPERTY RIGHTS

2.1. Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, which is appurtenant to and shall pass with the title to each Unit, subject to:

- (a) This Declaration and all Governing Documents;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board to adopt, amend and repeal rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;

(d) The right of the Board to suspend the right of an Owner to use recreational facilities within the Common Area pursuant to Section 4.3;

(e) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area, subject to such approval requirements as may be set forth in this Declaration;

(f) The right of the Board to impose reasonable requirements and charge reasonable admission or other use fees for the use of any facility situated upon the Common Area;

(g) The right of the Board and the Declarant to permit use of any facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of reasonable use fees, if any, established by the Board;

(h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;

(i) The rights of certain Owners to the exclusive use of those portions of the Common Area designated "Exclusive Common Areas," as more particularly described in Section 2.2; and

(j) The right of the Declarant to conduct activities within the Common Area, such as tournaments, charitable events, and promotional events and to restrict Owners from using the Common Area during such activities, provided such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with the Owners' use and enjoyment of the Common Area and shall not exceed seven consecutive Days.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Unit shall be deemed to have assigned all such rights appurtenant to the leased Unit to the lessee of such Unit.

2.2. Exclusive Common Area. Certain portions of the Common Area may be designated as Exclusive Common Area and reserved for the exclusive use or primary benefit of Owners and occupants of specified Units or Neighborhoods. By way of illustration and not limitation, Exclusive Common Areas may include entry features, recreational facilities, roads, landscaped medians and cul-de-sacs, ponds, lakes and other portions of the Common Area within a particular Neighborhood or Neighborhoods. All costs associated with maintenance, repair, replacement, and insurance of an Exclusive Common Area shall be assessed against the Owners of Units to which the Exclusive Common Areas are assigned either as a Neighborhood Assessment or as a Specific Assessment, as applicable.

Initially, any Exclusive Common Area shall be designated as such, and the exclusive use thereof shall be assigned, in the deed by which the Common Area is conveyed to the Association or in this Declaration or any Supplemental Declaration and/or on the subdivision plat relating to such Common Area; provided however, any such assignment shall not preclude the Declarant from later assigning use of the same Exclusive Common Area to additional Units and/or Neighborhoods during the Development Period. Thereafter, a portion of the Common Area may be assigned as Exclusive Common Area of particular Units or a particular Neighborhood or Neighborhoods and Exclusive Common Area may be reassigned upon approval of the Board and the vote of a Majority of the total Class "A" votes in the Association, including, if applicable, a Majority of the Class "A" votes within the Neighborhood(s) to which the Exclusive Common Area is assigned, if previously assigned, and within the Neighborhood(s) to which the Exclusive Common Area is to be assigned or reassigned.

The Association may, upon approval of a Majority of the Class "A" votes within the Neighborhood(s) to which any Exclusive Common Area is assigned, permit Owners of Units in other Neighborhoods to use all or a portion of such Exclusive Common Area upon payment of reasonable use fees, which fees shall be used to offset the Neighborhood Expenses or Specific Assessments attributable to such Exclusive Common Area.

2.3. No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Article shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property which may or may not be subject to this Declaration.

2.4. Condemnation. If any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of at least 67% of the total Class "A" votes in the Association and the written consent of the Declarant, so long as the Declarant owns any property which is subject to this Declaration or which may be unilaterally subjected to this Declaration by the Declarant) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds from such conveyance.

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 Days after such taking the Declarant, so long as the Declarant owns any property which is subject to this Declaration or which may be unilaterally subjected to this Declaration by the Declarant, and at least 67% of the total Class "A" vote of the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board and the ARB. The provisions of Section 6.1(c) regarding funds for the repair of damage or destruction shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE 3 MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner of a Unit shall be a Member of the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all Persons shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.2(d) and in the By-Laws. The membership rights of any Member which is not a natural person may be exercised by any officer, director, member, manager, partner or trustee, or by any individual designated from time to time by the Owner in a written instrument delivered to the secretary of the Association.

3.2. Voting. The Association shall have two classes of membership, Class "A" and Class "B" as set forth below.

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one equal vote for each Unit in which they hold the interest required for membership under Section 3.1; provided however, there shall be only one vote per Unit and no vote

shall be exercised for any property which is exempt from assessment under Section 8.10. All Class "A" votes shall be cast as provided in Section 3.2(d) below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Declaration, the By-Laws and the Articles, are specified in the relevant sections of this Declaration, the By-Laws and the Articles. The Class "B" Member may appoint a Majority of the members of the Board of Directors during the Class "B" Control Period which shall continue until the first to occur of the following:

(i) when 90% of the total number of Units permitted by the Master Plan for the property described on Exhibits "A" and have certificates of occupancy issued thereon and have been conveyed to Persons other than Builders; or

(ii) December 31, 2027; or

(iii) when, in its discretion, the Class "B" Member so determines and voluntarily relinquishes such right in a written instrument executed by Declarant and recorded in the Public Records.

After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove actions of the Board and committees as provided in the By-Laws. The Class "B" membership shall terminate upon the earlier of:

(i) two years after expiration of the Class "B" Control Period; or

(ii) When, in its discretion, the Declarant so determines and declares in a written instrument executed by Declarant and recorded in the Public Records.

Upon termination of the Class "B" membership, the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Unit which it owns.

(c) Additional Classes of Membership. The Declarant may, by Supplemental Declaration, create additional classes of membership for the owners of Units within any additional property made subject to this Declaration pursuant to Article 7, with such rights, privileges and obligations as may be specified in such Supplemental Declaration, in recognition of the different character and intended use of the property subject to such Supplemental Declaration.

(d) Exercise of Voting Rights by Class "A" Members. If there is more than one Owner of a Unit, the vote for such Unit shall be exercised as the co-Owners determine among themselves and advise the secretary of the Association in writing prior to the vote being taken. Absent such advice, the Unit's vote shall be suspended if more than one Person seeks to exercise it. No vote shall be exercised on behalf of any Unit if any assessment for such Unit is delinquent. If Voting Delegates have been elected pursuant to Section 3.4, the vote for each Unit owned by a Class "A" Member shall be exercised by the Voting Delegate representing the Neighborhood of which the Unit is a part, as provided in such Section.

3.3. Neighborhoods. Every Unit shall be located within a Neighborhood; provided however, unless and until additional Neighborhoods are established, the Properties shall consist of one Neighborhood. The Declarant, in its sole discretion, may establish Neighborhoods within the Properties by designation on Exhibit "A" to this Declaration, a Supplemental Declaration, or a plat. During the Development Period, the Declarant may unilaterally amend this Declaration or any Supplemental

Declaration from time to time to assign property to a specific Neighborhood, to redesignate Neighborhood boundaries, or to remove property from a specific Neighborhood.

The Owner(s) of a Majority of the total number of Units within any Neighborhood may at any time petition the Board of Directors to divide the property comprising the Neighborhood into two or more Neighborhoods. Such petition shall be in writing and shall include a survey of the entire parcel which indicates the proposed boundaries of the new Neighborhoods or otherwise identifies the Units to be included within the proposed Neighborhoods. Such petition shall be deemed granted 30 Days following the filing of all required documents with the Board unless the Board of Directors denies such application in writing within such 30 Day period. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association and shall be maintained as long as this Declaration is in effect.

The Units within a particular Neighborhood may be subject to additional covenants and/or the Unit Owners may be members of a Neighborhood Association in addition to the Association. However, a Neighborhood Association shall not be required except as required by law. Any Neighborhood which does not have a Neighborhood Association may, but shall not be obligated to, elect a Neighborhood Committee, as described in the By-Laws, to represent the interests of Owners of Units in such Neighborhood.

Any Neighborhood may request that the Association provide a higher level of service or special services for the benefit of Units in such Neighborhood and, upon the affirmative vote, written consent, or a combination thereof, of Owners of a Majority of the Units within the Neighborhood, the Association may, in its sole discretion, provide the requested services. The cost of such services, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided any such administrative charge shall apply at a uniform rate per Unit to all Neighborhoods receiving the same service), shall be assessed against the Units within such Neighborhood as a Neighborhood Assessment pursuant to Article 8 hereof.

3.4. Voting Delegates. The Owners within each Neighborhood may elect a Voting Delegate who shall be responsible for casting all votes attributable to Units owned by Class "A" Members in the Neighborhood on all Association matters requiring a membership vote, except as otherwise specified in this Declaration or the By-Laws. In addition, each Neighborhood may elect an alternate Voting Delegate who shall be responsible for casting such votes in the absence of the Voting Delegate. No Person shall be eligible to serve as a Voting Delegate or an alternate Voting Delegate if any assessment for such Person's Unit is delinquent.

If Voting Delegates and alternate Voting Delegates will be elected, elections shall take place on an annual basis, either by written ballot cast by mail or at a meeting of the Class "A" Members within each Neighborhood, as the Board determines; provided however, upon written petition signed by Class "A" Members holding at least ten percent (10%) of the votes attributable to Units within any Neighborhood, the election for such Neighborhood shall be held at a meeting. The presence, in person or by proxy, of Class "A" Members representing at least ten percent (10%) of the total Class "A" votes attributable to Units in the Neighborhood shall constitute a quorum at any Neighborhood meeting.

The Board in its sole discretion shall determine whether Voting Delegates shall be elected for each Neighborhood; provided however, all Neighborhoods which are similarly situated shall be treated the same. If Voting Delegates will be elected for a Neighborhood, the Board shall send notice of the election to all Owners within the Neighborhood; provided however, the first election of a Voting Delegate

for any Neighborhood shall not be held until at least fifty percent (50%) of the Units planned for such Neighborhood have been conveyed to Persons other than Builders.

Subsequent elections within each Neighborhood shall be held annually. Each Class "A" Member who owns a Unit within the Neighborhood shall be entitled to cast one (1) equal vote per Unit owned. The candidate who receives the greatest number of votes shall be elected as Voting Delegate and the candidate receiving the next greatest number of votes shall be elected as the alternate Voting Delegate. The Voting Delegate and the alternate Voting Delegate shall serve a term of one (1) year and until their successors are elected.

Any Voting Delegate or alternate Voting Delegate may be removed, with or without cause, upon the vote or written petition of Owners of a Majority of the total number of Units owned by Class "A" Members in the Neighborhood which the Voting Delegate or alternate Voting Delegate represents. Any Voting Delegate or alternate Voting Delegate shall be automatically removed and ineligible to cast the votes attributable to Units in such Voting Delegate's Neighborhood if any assessment for such Voting Delegate's Unit is delinquent. Upon removal of a Voting Delegate or an alternate, a successor shall be elected by the Owners of Units within the Neighborhood to fill the vacancy for the remainder of such delegate's term.

Until such time as the Board first calls for election of a Voting Delegate for any Neighborhood, the Owners within such Neighborhood shall be entitled personally to cast the votes attributable to their respective Units on any issue requiring a vote of the Voting Delegates under this Declaration, the By-Laws, or the Articles.

Prior to taking a vote on any issue requiring membership approval, the Association shall distribute proxies to all Members represented by Voting Delegates allowing each Member to direct in writing how such Member's vote is to be cast with respect to such issue by the Voting Delegate who represents him or her. The Voting Delegates shall be required to cast all votes for which specific proxies are returned in the manner directed in such proxies. All other votes may be cast as the Voting Delegate deems appropriate in its sole discretion. The Board may adopt resolutions establishing additional procedures for polling Members.

3.5. Voting Groups. The Declarant may designate Voting Groups consisting of one (1) or more Neighborhoods for the purpose of electing directors to the Board. The designation of Voting Groups, if any, shall be to promote representation on the Board of Directors for various groups having dissimilar interests and to avoid a situation in which the Voting Delegates representing similar Neighborhoods are able, due to the number of Units in such Neighborhoods, to elect the entire Board of Directors, excluding representation of others. The number of Voting Groups within the Properties shall not exceed the total number of directors to be elected by the Class "A" Members pursuant to the By-Laws. The Voting Delegates representing the Neighborhoods within each Voting Group shall vote on a separate slate of candidates for election to the Board, with each Voting Group being entitled to elect the number of directors specified in the By-Laws.

The Declarant shall establish Voting Groups, if at all, not later than the date of expiration of the Class "B" Control Period by filing with the Association and in the Public Records a Supplemental Declaration identifying each Voting Group by legal description or other means such that the Units within each Voting Group can easily be determined. Such designation may be unilaterally amended from time to time by the Declarant during the Development Period.

After expiration of the Declarant's right to amend any designation of Voting Groups as provided above, the Board shall have the right to file or amend any Supplemental Declaration for the purpose of

designating Voting Groups. Neither recordation nor amendment of such Supplemental Declaration shall constitute an amendment to this Declaration, and no consent or approval of any Person shall be required except as stated in this Section. Until such time as Voting Groups are established, all of the Properties shall constitute a single Voting Group. After a Supplemental Declaration establishing Voting Groups has been filed, any and all portions of the Properties which are not assigned to a specific Voting Group shall constitute a single Voting Group.

ARTICLE 4 RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1. Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility and all improvements thereon. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board may adopt pursuant to Article 10. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration and in the Design Standards and Guidelines. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Georgia.

4.2. Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Declarant and its designees, with the Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section. Upon written request of Declarant, the Association shall reconvey to Declarant any unimproved portions of the Properties originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines.

4.3. Enforcement. The Board, or any committee established by the Board, may impose sanctions for violation of the Governing Documents after compliance with the notice and hearing procedures set forth in Sections 3.10 and 3.15 of the By-Laws. Such sanctions may include, without limitation:

- (a) imposing monetary fines which shall constitute a lien upon the Unit of the violator (In the event that any occupant, guest or invitee of a Unit violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the occupant; provided however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board.);
- (b) filing liens in the Public Records for nonpayment of any assessments or fees;
- (c) filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;
- (d) suspending an Owner's right to vote;

(e) suspending any Person's right to use any recreational facilities within the Common Area; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Unit;

(f) suspending any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than 30 Days delinquent in paying any assessment or other charge owed to the Association; and

(g) levying Specific Assessments to cover costs incurred in bringing a Unit into compliance in accordance with Section 8.7(c).

In addition, the Board, or the covenants committee if established, may elect to enforce any provision of the Governing Documents by entering the Unit and exercising self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules, the removal of pets that are in violation of pet rules or the correction of any maintenance, construction or other violation of the Governing Documents) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in the By-Laws.

All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision under any circumstances or prevent the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal ordinances, if applicable, and permit local and other governments to enforce ordinances on the Properties for the benefit of the Association and its Members.

4.4. Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, the Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5. Governmental Interests. During the Development Period, the Declarant may designate sites within the Properties for public or quasi-public facilities. No membership approval shall be required for such designation. The sites may include Common Area, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant. The sites may include other property not owned by Declarant provided the owner consents.

4.6. Indemnification. The Association shall indemnify every officer, director, ARB member, consultant, and committee member against all damages, liability, and expenses, including attorneys fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by

reason of being or having been an officer, director, ARB member, consultant or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles of Incorporation and Georgia law.

The officers, directors, ARB members, consultant and other committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers, directors, ARB members, consultant and other committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers, directors, ARB members, consultant or other committee members may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARB member, consultant and other committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, ARB member, consultant or other committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

4.7. Dedication of or Grant of Easement on Common Area. The Declarant or the Association may dedicate portions of the Common Area to Camden County, Georgia, or to any other local, state, or federal governmental or quasi-governmental entity or private utility provider.

4.8. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any security system or measure, including any mechanism or system for limiting access to the Properties, can not be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Unit that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties.

4.9. Street Lighting Agreement. Declarant reserves the right to subject the Properties to a contract with an electric utility company for the installation of underground electric cables and/or the installation of street lighting, either or both which may require an initial payment and/or a continuing monthly payment to an electric utility company by each Owner or the Association. All street lights shall be installed or aimed so as to minimize the potential for either a disabling glare to drivers or pedestrians or a nuisance glare to neighboring properties.

4.10. Presence and Management of Wildlife. Each Owner and occupant, and each tenant, guest and invitee of any Owner or occupant acknowledges that the Properties are located adjacent to and in the vicinity of wetlands, bodies of water and other natural areas. Such areas may contain wildlife, including without limitation, deer and raccoons. Neither the Association, the Board, the original Declarant, nor any successor Declarant shall be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence of such wildlife on the Properties. Each Owner and occupant of a Unit and each tenant, guest and invitee of any Owner or occupant shall assume all risk of personal injury, illness, or other loss or damage arising from the presence of wildlife and further acknowledges that the

Association, the Board, the original Declarant or any successor Declarant have made no representations or warranties, nor has any Owner or occupant, or any tenant, guest, or invitee of any Owner or occupant relied upon any representations or warranties, expressed or implied, relative to the presence of wildlife.

The Declarant, acting in its sole absolute discretion, retains the right, but not the obligation, to engage in wildlife and fishery management plans and practices on the Properties to the extent that such practices are permitted by applicant state and federal law. For the purpose of illustration and not limitation, this includes the right to manage and control any populations of deer, raccoons, and other wildlife through a variety of techniques, including organized hunting, shooting and trapping. The Declarant hereby reserves the right to assign these management rights to the Association.

ARTICLE 5 MAINTENANCE

5.1. Association's Responsibility.

(a) The Association shall maintain and keep in good condition, order and repair the Area of Common Responsibility, which shall include, but need not be limited to:

- (i) Common Area;
- (ii) all landscaping and other flora, parks, sidewalks, ponds, structures, and improvements, including any entry features, and pedestrian pathways/trails, situated upon the Common Area;
- (iii) all furnishings, equipment and other personal property of the Association;
- (iv) any street trees, landscaping and other flora, buffers (unless such areas are maintained by the owner of the Private Amenity), parks, sidewalks and pedestrian pathways/trails, structures and improvements within public rights-of-way within or abutting the Properties or upon such other public land adjacent to the Properties as deemed necessary in the discretion of the Board;
- (v) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, any Cost Sharing Agreement, or any contract or agreement for maintenance thereof entered into by the Association;
- (vi) all streams and/or wetlands located within the Properties which serve as part of the drainage and stormwater retention system for the Properties, including any retaining walls, bulkheads or dams (earthen or otherwise) retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or used in connection therewith unless such facilities are located within a Private Amenity and are maintained by the owner of the Private Amenity; and
- (vii) any property and facilities owned by the Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from the Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may, as a Common Expense, maintain other property and improvements which it does not own, including, without limitation, property dedicated to the public, or provide maintenance or services related to such property over and above the level being provided by the property owner, if the

Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard. For example, the Association may maintain any fence, wall, entry feature or sign serving to enhance or designate the entry to Sanctuary River Club at Saint Andrews Sound regardless that such improvements are not located within the Common Area or the Properties.

(b) The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that (a) such maintenance responsibility is otherwise assumed by or assigned to an Owner, a Neighborhood Association or the owner of a Private Amenity or (b) such property is dedicated to any other local, state or federal governmental or quasi-governmental entity; provided however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(c) The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members holding 67% of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means during the Development Period except with the written consent of the Declarant.

(d) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, any Cost Sharing Agreements, any recorded covenants, or any agreements with the owner(s) thereof. All costs associated with maintenance, repair and replacement of Exclusive Common Areas shall be a Neighborhood Expense assessed as a Neighborhood Assessment solely against the Units within the Neighborhood(s) to which the Exclusive Common Areas are assigned, or a Specific Assessment against the particular Units to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder.

(e) The Association may mow and maintain on each unimproved Unit any grass or other vegetation within that portion of the Unit located between the unit boundary adjacent to the street to the rear property line. For purposes of this section, unimproved Unit shall mean a Unit without a dwelling.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Unit, including all structures, debris removal, parking areas, landscaping and other flora and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard and all Governing Documents, unless such maintenance responsibility is otherwise assumed by or assigned to the Association or a Neighborhood Association. With respect to any Unit upon which a dwelling has not yet been constructed, such maintenance responsibility shall include, but is not limited to, the removal of debris, all litter and trash and lot mowing on a regular basis. Each Owner shall also maintain all landscaping, irrigation and other improvements in the right-of-way immediately adjacent to the Owner's Unit to the back of curb or road paving, edge of water, lakes or marsh. In addition to any other enforcement rights, if an Owner fails to perform properly his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the

Association against the Unit and the Owner in accordance with Section 8.7. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Neighborhood's Responsibility. Upon resolution of the Board of Directors, the Owners of Units within each Neighborhood shall be responsible for paying, through Neighborhood Assessments, the costs of operating, maintaining and insuring certain portions of the Area of Common Responsibility within or adjacent to such Neighborhood. This may include, without limitation, the costs of maintaining any signage, entry features, right-of-way and greenspace between the Neighborhood and adjacent public roads; provided however, all Neighborhoods which are similarly situated shall be treated the same.

Any Neighborhood Association having responsibility for maintenance within a particular Neighborhood pursuant to additional covenants applicable to such Neighborhood shall perform such maintenance responsibility in a manner consistent with the Community-Wide Standard. If it fails to do so, the Association may perform such responsibilities and assess the costs as a Specific Assessment against all Units within such Neighborhood as provided in Section 8.7.

5.4. Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all Governing Documents. Neither the Association, any Owner nor any Neighborhood Association shall be liable for any damage or injury occurring on, or arising out of the condition of, property which such Person does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

5.5. Party Walls and Similar Structures.

(a) General Rules of Law to Apply. Each wall, fence, driveway or similar structure built as a part of the original construction on the Units which serves and/or separates any two adjoining Units shall constitute a party structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party structure shall be shared equally by the Owners who make use of the party structure.

(c) Damage and Destruction. If a party structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure shall restore it. If other Owners thereafter use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

5.6. Cost Sharing Agreements. The Association may enter into Cost Sharing Agreements with the owners or operators of portions of the Adjacent Properties:

(a) to obligate the owners or operators of such Adjacent Properties to share in certain costs associated with the maintenance, repair, replacement and insuring of portions of the Area of Common Responsibility, if any, which are used by or benefit jointly the owners or operators of such Adjacent Properties and the owners within the Properties;

(b) to permit the use of any recreational and other facilities located on such Adjacent Properties by the Owners of all Units or by the Owners of Units within specified Neighborhoods; and/or

(c) to obligate the Association to share in certain costs associated with the maintenance, repair, replacement and insuring of portions of such Adjacent Properties, if any, which are used by or benefit jointly the owners of such Adjacent Properties and the owners within the Properties.

The owners of such Adjacent Properties shall not be Members of the Association and shall not be entitled to vote on any Association matter.

The owners of such Adjacent Properties shall be subject to assessment by the Association only in accordance with the provisions of such Cost Sharing Agreement(s). If the Association is obligated to share costs incurred by the owners of such Adjacent Properties, the Cost Sharing Agreement shall provide whether such payments by the Association shall constitute Common Expenses or Neighborhood Expenses of the Association. The owners of the Adjacent Properties shall not be subject to the restrictions contained in this Declaration except as otherwise specifically provided herein.

ARTICLE 6 INSURANCE AND CASUALTY LOSSES

6.1. Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area, if any, and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. The Association shall have the authority to and interest in insuring any property for which it has maintenance or repair responsibility, regardless of ownership. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and any umbrella coverage) shall have a limit of at least \$1,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage, provided should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage;

(v) Fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment but not less than an amount equal to one-sixth of the annual General Assessments on all Units plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance, boiler and machinery insurance, and building ordinance coverage.

In addition, the Association may obtain and maintain property insurance on the insurable improvements within any Neighborhood in such amounts and with such coverages as the Owners in such Neighborhood may agree upon pursuant to Section 3.3. Any such policies shall provide for a certificate of insurance to be furnished to the Neighborhood Association and to the Owner of each Unit insured upon request.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the General Assessment, except that (i) premiums for property insurance obtained on behalf of a Neighborhood shall be charged to the Owners of Units within the benefitted Neighborhood as a Neighborhood Assessment; and (ii) premiums for insurance on Exclusive Common Areas may be included in the Neighborhood Assessment of the Neighborhood(s) benefitted unless the Board of Directors reasonably determines that other treatment of the premiums is more appropriate. The Association shall have no insurance responsibility for any portion of the Private Amenities.

(b) Policy Requirements. The Association shall arrange for an annual review of the sufficiency of insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in Camden County, Georgia.

All Association policies shall provide for a certificate of insurance to be furnished to each Member insured and to the Association upon request.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 6.1(a). In the event of an insured loss, the deductible shall be treated as a Common Expense or a Neighborhood Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Units pursuant to Section 8.7.

All insurance coverage obtained by the Board shall:

(i) be written with a company authorized to do business in the State of Georgia which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(ii) be written in the name of the Association as trustee for the benefitted parties. Policies on the Common Areas shall be for the benefit of the Association and the Owners. Policies secured on behalf of a Neighborhood shall be for the benefit of the Owners of Units within the Neighborhood and their Mortgagees, as their interests may appear;

(iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(iv) contain an inflation guard endorsement; and

(v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(vi) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(vii) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(viii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(ix) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(x) an endorsement requiring at least 30 Days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;

(xi) a cross liability provision; and

(xii) a provision vesting the Board with the exclusive authority to adjust losses; provided however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) Damage and Destruction. Immediately after damage or destruction to all or any part of the Properties covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this subsection means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Area shall be repaired or reconstructed unless at least 67% of the total Class "A" votes in the Association, and the Class "B" Member, if any, decide within 60 Days after the loss not to repair or reconstruct.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such 60-Day period, then the period

shall be extended until such funds or information are available. However, such extension shall not exceed 60 additional Days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association or the Neighborhood, as appropriate, and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1(a).

6.2. Owners' Insurance. By virtue of taking title to a Unit, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Unit, less a reasonable deductible, unless either the Neighborhood Association (if any) for the Neighborhood in which the Unit is located or the Association carries such insurance (which they may, but are not obligated to do hereunder). If the Association assumes responsibility for obtaining any insurance coverage on behalf of Owners, the premiums for such insurance shall be levied as a Specific Assessment against the benefitted Unit and the Owner thereof pursuant to Section 8.7.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 9. The ARB shall have the authority to establish time periods for commencing and completing any repair or reconstruction. Alternatively, the Owner shall clear the Unit of all debris and ruins and maintain the Unit in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

The requirements of this Section shall apply to any Neighborhood Association that owns common property within the Neighborhood in the same manner as if the Neighborhood Association were an Owner and the common property were a Unit. Additional recorded covenants applicable to any Neighborhood may establish more stringent requirements for insurance and more stringent standards for rebuilding or reconstructing structures on the Units within such Neighborhood and for clearing and maintaining the Units in the event the structures are not rebuilt or reconstructed.

6.3. Limitation of Liability. Notwithstanding the duty of the Association to maintain and repair portions of the Common Area, neither the Association, its Board of Directors, its successors or assigns, nor any officer or director or committee member, employee, agent, contractor (including the management company, if any) of any of them shall be liable to any Member or any member of a Member's immediate household for any injury or damage sustained in the Area of Common Responsibility, the Common Area or other area maintained by the Association, or for any injury or damage caused by the negligence or misconduct of any Members or their family members, guests,

invitees, agents, servants, contractors or lessees, whether such loss occurs in the Common Area or in individual Units.

Each Owner, by virtue of the acceptance of title to his or her Unit, and each other Person having an interest in or right to use any portion of the Properties, by virtue of accepting such interest or right to use, shall be bound by this Section and shall be deemed to have automatically waived any and all rights, claims, demands, and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed under this Section.

ARTICLE 7 ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1. Annexation by Declarant. Until 20 years after the recording of this Declaration in the Public Records, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the Additional Property. The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibit "A" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property being annexed. Such Supplemental Declaration shall not require the consent of Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the Additional Property in any manner whatsoever.

7.2. Annexation by Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members representing a Majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and the written consent of the Declarant during the Development Period.

Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Public Records. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the annexed property, and by the Declarant, if the Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3. Withdrawal of Property. The Declarant reserves the right to amend this Declaration during the Development Period, for the purpose of removing any portion of the Properties from the coverage of this Declaration, provided such withdrawal is not contrary to the overall, uniform scheme of development for the Properties. By way of example, and not limitation, of the foregoing, a removal of property for the purpose of (i) adjusting boundary lines, (ii) complying with any applicable governmental statute, rule, regulation or judicial determination, (iii) enabling any reputable title insurance company to issue title coverage regarding the Properties or on any portion thereof, (iv) enabling any institutional or governmental lender, purchaser, insurer or guarantor of Mortgage loans, including for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee Mortgage loans on the Units, (v) satisfying the requirements of any local, state or federal governmental agency, or (vi) exempting any tracts of land, either designated now or in the future for nonresidential development, from the provisions of this Declaration, shall be deemed as a permissible

withdrawal which is not inconsistent with the overall uniform scheme of development. Such amendment shall not require the consent of any Person other than the owner of the property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

7.4. Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through Neighborhood Assessments. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrently with or after the annexation of the subject property, and shall require the written consent of the owner(s) of such property, if other than the Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

7.5. Amendment. This Article shall not be amended during the Development Period without the prior written consent of Declarant.

ARTICLE 8 ASSESSMENTS

8.1. Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be four types of assessments: (a) General Assessments to fund Common Expenses for the general benefit of all Units; (b) Neighborhood Assessments for Neighborhood Expenses benefitting only Units within a particular Neighborhood or Neighborhoods; (c) Special Assessments as described in Section 8.6; and (d) Specific Assessments as described in Section 8.7. Each Owner, by accepting a deed or entering into a contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments and fees, together with interest, late charges, costs of collection, and reasonable attorneys fees, shall be a charge and continuing lien upon each Unit against which the assessment is made until paid, as more particularly provided in Section 8.8. Each such assessment, together with interest, late charges, costs, and reasonable attorneys fees, also shall be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose. Upon a transfer of title to a Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Unit by exercising the remedies provided in its Mortgage or through a deed in lieu of foreclosure shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a written statement signed by an Association officer setting forth whether such assessment has been paid. Such statement shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such statement.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Unit and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board otherwise provides, the General Assessment and any Neighborhood Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his Unit, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately. Any

assessment or installment thereof shall be considered delinquent on the 15th day following the due date unless otherwise specified by Board resolution.

No Owner may exempt himself from liability for assessments by non-use of Common Area, including Exclusive Common Area reserved for such Owner's use, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses.

8.2. Declarant's Obligation for Assessments. During the Class "B" Control Period, Declarant may annually elect either to pay an amount equal to regular assessments on all of its unsold Units or to pay the difference between the amount of assessments levied on all other Units subject to assessment and the amount of actual expenditures by the Association during the fiscal year. Unless the Declarant otherwise notifies the Board in writing at least 60 Days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year. The Declarant's obligations hereunder may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these.

8.3. Computation of General Assessment. At least 60 Days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, which may include a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.5.

General Assessments shall be levied equally against all Units subject to assessment and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including reserves. In determining the total funds to be generated through the levy of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Units reasonably anticipated to become subject to assessment during the fiscal year.

During the Class "B" Control Period, the Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal year by payment of a subsidy and/or contributions of services and materials (in addition to any amounts paid by Declarant under Section 8.2), which may be treated as either a contribution or an advance against future assessments due from the Declarant, or a loan, in the Declarant's discretion. Any such anticipated payment or contribution by the Declarant shall be disclosed as a line item in the Common Expense budget. Payments by the Declarant in any year shall under no circumstances obligate the Declarant to continue such payments in future years and the treatment of such payment shall be made known to the membership, unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall send a copy of the budget and notice of the amount of the General Assessment for the following year to each Owner at least 30 Days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting of Members representing at least 67% of the total Class "A" votes in the Association and by the Declarant,

during the Development Period. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 20 Days after delivery of the notice of assessments. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. The Board shall send a copy of the revised budget to each Owner at least 30 Days prior to its becoming effective. The revised budget shall become effective unless disapproved in accordance with the above procedure.

8.4. Computation of Neighborhood Assessments. At least 60 Days before the beginning of each fiscal year, the Board shall prepare a separate budget covering the estimated Neighborhood Expenses for each Neighborhood on whose behalf Neighborhood Expenses are expected to be incurred during the coming year. The Board shall be entitled to set such budget only to the extent that this Declaration, any Supplemental Declaration, or the By-Laws specifically authorizes the Board to assess certain costs as a Neighborhood Assessment. Any Neighborhood may request that additional services or a higher level of services be provided by the Association and, upon approval of Owners in accordance with Section 3.3(a), any additional costs shall be added to such budget. Such budget may include a contribution establishing a reserve fund for repair and replacement of capital items maintained as a Neighborhood Expense, if any, within the Neighborhood. Neighborhood Expenses shall be allocated equally among all Units within the Neighborhood(s) benefitted thereby and levied as a Neighborhood Assessment.

The Board shall cause a copy of such budget and notice of the amount of the Neighborhood Assessment for the coming year to be delivered to each Owner of a Unit in the Neighborhood at least 30 Days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by Owners of a Majority of the Units in the Neighborhood to which the Neighborhood Assessment applies and by the Declarant, during the Development Period. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of Owners of at least 10% of the Units in such Neighborhood. This right to disapprove shall only apply to those line items in the Neighborhood budget which are attributable to services requested by the Neighborhood. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the Owners within any Neighborhood disapprove any line item of a Neighborhood budget, the Association shall not be obligated to provide the services anticipated to be funded by such line item of the budget. If the Board fails for any reason to determine a Neighborhood budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year.

8.5. Reserve Budget and Capital Contribution. The Board, in its sole discretion, may annually prepare reserve budgets for both general and Neighborhood purposes which take into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. The Board may include in the budget a capital contribution in an amount sufficient to permit meeting the projected needs of the Association, as shown on the reserve budget, with respect both to amount and timing by annual General Assessments or Neighborhood Assessments, as appropriate, over the budget period.

1364 00046

8.6. Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against all Units, if such Special Assessment is for Common Expenses, or against the Units within any Neighborhood if such Special Assessment is for Neighborhood Expenses. Special Assessments shall be allocated equally among all Units subject to such Special Assessment. Any Special Assessment shall become effective unless disapproved at a meeting of Members representing at least 67% of the total Class "A" votes allocated to Units which will be subject to such Special Assessment and by the Declarant during the Development Period. There shall be no obligation to call a meeting for the purpose of considering any Special Assessment except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within 20 Days after delivery of the notice of such Special Assessment. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.7. Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Unit or Units as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Unit(s) or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance, janitorial service, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner;

(b) to cover the costs associated with maintenance, repair, replacement and insurance of any Exclusive Common Area assigned to one or more Units; and

(c) to cover costs incurred in bringing the Unit(s) into compliance with the terms of the Governing Documents or costs incurred as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, invitees, or guests; provided however, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing, in accordance with the By-Laws, before levying any Specific Assessment under this subsection (c).

The Association may also levy a Specific Assessment against the Units within any Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of the Declaration, any applicable Supplemental Declaration, the Articles, the By-Laws, and rules; provided however, the Board shall give prior written notice to the Owners of Units in the Neighborhood and an opportunity for such Owners to be heard before levying any such assessment.

8.8. Lien for Assessments. The Association shall have a lien against each Unit to secure payment of assessments and other charges, as well as interest at a rate to be set by the Board (subject to the maximum interest rate limitations of Georgia law), late charges in such amount as the Board may establish (subject to the limitations of Georgia law), costs of collection and reasonable attorneys fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Declarant or the Association may bid for the Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit. While a Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each

other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment allocated to the Unit owned by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Unit who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment under Section 8.9, including such acquirer, its successors and assigns.

All other Persons acquiring liens or encumbrances on any Unit after this Declaration has been recorded shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

8.9. Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Unit on the date that such Unit is conveyed to a person or a Builder. The first annual General Assessment and Neighborhood Assessment, if any, levied on each Unit shall be adjusted according to the number of Days remaining in the calendar year. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments and Neighborhood Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.10. Exempt Property. The following property shall be exempt from payment of General Assessments, Neighborhood Assessments, and Special Assessments:

- (a) All Common Area and such portions of the property owned by the Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1;
- (b) Any property dedicated to and accepted by any governmental authority or public utility;
and
- (c) Property owned by any Neighborhood Association for the common use and enjoyment of its members, or owned by the members of a Neighborhood Association as tenants-in-common.

8.11. Capitalization of Association. Upon acquisition of record title to a Unit by the first Owner thereof other than the Declarant, a capital contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount equal to two hundred dollars per Unit for that year. This amount shall be in addition to, not in lieu of, the annual General Assessment and shall not be considered an advance payment of such assessment. This amount shall be collected and disbursed to the Association at closing of the purchase and sale of the Unit to the first owner, the capital contribution shall be paid immediately upon demand by the Association. Capital contributions shall be used by the Association in covering operating expenses and other expenses incurred by the Association pursuant to the Governing Documents.

**ARTICLE 9
ARCHITECTURAL REVIEW BOARD AND DESIGN STANDARDS**

9.1. General. The Architectural Review Board ("ARB") shall administer and perform the architectural review and control functions under this Article.

The ARB members, which need not be Member of the Association or representatives of Members, may, but need not, include architects, landscape architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the ARB.

9.2. Architectural Review and Approval. No Dwelling Unit, landscaping, improvement or structure of any kind, including, without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed, installed or maintained upon any Unit or anywhere within the Property, nor shall any addition, change or alterations therein or thereof be made, including repainting of exterior to different color (all of the foregoing are jointly and severally referred to as "Proposed Improvements"), unless and until the plans, specifications and location of the Proposed Improvements shall have been submitted to, and approval in writing by the ARB. All plans and specifications for Proposed Improvements shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography.

Each owner shall supply preliminary and completed plans and specifications to the ARB and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. Any change or modification to approved plans shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting the change or modification.

Any Owner may remodel, paint or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of porches, screened porches, patios, and similar portions of a Unit visible from outside the structures on the Unit shall be subject to review for approval.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect unless Declarant or its designee approves otherwise in its sole discretion.

This Article shall not apply to the activities of the Declarant, nor to improvements to the Common Area by or on behalf of the Association.

This Article may not be amended without the Declarant's written consent.

The ARB shall have exclusive jurisdiction over all construction on any portion of the Properties. Until 100% of the Properties have been developed and conveyed to Owners other than Builders, and initial construction on each Unit has been completed in accordance with the Design Standards and Guidelines. The Declarant retains the right to appoint all members of the ARB which may consist of one or more persons, who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board shall appoint the members of the ARB who shall thereafter serve and may be removed the Board's discretion.

The ARB may establish and charge reasonable fee for review of applications hereunder and requires such fees to be paid in full prior to review of any application. Such fees may include the reasonable cost incurred by the ARB in having any application reviewed by architects, engineers or other professionals.

All decisions of the ARB shall be final.

9.3. Guidelines and Procedures.

(a) Design Standards and Guidelines. The Declarant shall prepare the initial Design Standards and Guidelines for the Properties. The Design Standards and Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one portion of the Properties to another depending upon the location, unique characteristics, and intended use. For example, by way of illustration but not limitation, the Design Standards and Guidelines may impose stricter requirements on those portions of the Properties adjacent to or visible from any Private Amenity or any lake, pond, river, stream or other body of water. The Design Standards and Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern to the committees in considering applications hereunder. The Design Standards and Guidelines are not the exclusive basis for decisions of the committees and compliance with the Design Standards and Guidelines does not guarantee approval of any application.

The ARB shall adopt the Design Standards and Guidelines prior to closing on the first Unit and thereafter shall have sole and full authority to amend them. Any amendments to the Design Standards and Guidelines shall be prospective only and shall not require modifications to or removal of structures or improvements previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Standards and Guidelines. The ARB shall make the Design Standards and Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties.

(b) Procedures. Plans, drawings, details and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the ARB for review and approval (or disapproval). In addition, information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction shall be submitted as required by the ARB and the Design Standards and Guidelines. In reviewing each submission, the ARB may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other considerations. Decisions of the ARB may be based solely on aesthetic considerations and may not be approved if in the sole judgement of the ARB, it's overall aesthetic impact is unacceptable. Each Owner acknowledges that opinions on aesthetic matters may be subjective.

In the event that the ARB fails to approve or to disapprove any application within 30 days after submission of all information and materials reasonably requested, the application shall be deemed not approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Standards and Guidelines unless a variance has been granted in writing by the ARB pursuant to Section 9.8.

Notwithstanding the above, the ARB by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution. Any exemptions must be in writing

9.4. Architect, Builder and Contractor Approval. All architects, builders and contractors must be approved by the ARB prior to engaging in any construction activities. The ARB may implement an approval process utilizing established criteria and requiring the submission of a written application for approval. Approval of architects, builders and contractors may not be construed as a recommendation of a specific architect, builder or contractor by the ARB or the Declarant, nor a guarantee or endorsement of the work of such architect, builder or contractor. Once approved (unless such approval is withdrawn by the ARB), an approved architect, builder or contractor shall not be required to re-submit to the approval process.

9.5. Specific Standards and Guidelines.

(a) Exterior Structures and Improvements. Exterior structures and improvements shall include, but shall not be limited to, staking, clearing, tree removal, excavation, grading and other site work; installation of utility lines or drainage improvements; initial construction of any dwelling or accessory structure; exterior alteration of existing improvements; installation or replacement of mailboxes; basketball hoops; swing sets and similar sports and play equipment; garbage cans; wood piles; swimming pools; gazebos or playhouses; hot tubs; solar panels; antennas; satellite dishes, docks or any other apparatus for the transmission or reception of television, radio, satellite, or other signals of any kind; hedges, walls, dog runs, animal pens, or fences of any kind, including invisible fences; artificial vegetation or sculpture; and planting or removal of landscaping materials. Notwithstanding the foregoing, the Declarant and the Association shall regulate antennas, satellite dishes, or any other apparatus for the transmission or reception of television, radio, satellite or other signals of any kind only in strict compliance with all federal laws and regulations.

(b) In addition to the foregoing activities requiring prior approval, the following items are strictly regulated, and the ARB shall have the right, in its sole discretion, to prohibit or restrict these items within the Properties. Each Owner must strictly comply with the terms of this Section unless approval or waiver in writing is obtained from the ARB. The ARB may, but is not required to, adopt specific guidelines as part of the Design Standards and Guidelines or rules and regulations which address the following items.

(i) Signs. All signs, billboards and advertising structures of any kind, including, but not limited to, signs advertising a home for sale or lease, are prohibited except for the specific signs approved by the ARB from time to time. The foregoing restrictions shall not apply to any signs erected by or on behalf of the Declarant or its specified assigns or agents with respect to the sale, construction or marketing of the property.

With ARB approval, a "For Sale" sign may be permitted on units with an existing house or on units with a house under construction. No sign will be permitted on vacant lots. "For Lease" or "For Rent" signs are not permitted. The only permitted "For Sale" sign is outlined in the Design Standards and Guidelines.

The Declarant and the ARB reserve the right to approve or prohibit signs and to restrict the size, content, color, lettering, design and placement of any sign. All authorized signs must be professionally prepared. This provision shall not apply to entry, directional, or other signs installed by the Declarant or its duly authorized agent as may be necessary or convenient for the marketing, construction and development of the Properties, including, without limitation, "for sale" signs installed by Declarant and Builder signs installed in accordance with the Design Standards and Guidelines.

11.6. Easements for Maintenance and Enforcement. Authorized agents of the Association shall have the right, and a perpetual easement is hereby granted to the Association, to enter all portions of the Properties, including each Unit to (a) perform its maintenance responsibilities under Article 5, and (b) make inspections to ensure compliance with the Governing Documents. Except in emergencies, entry onto a Unit shall be only during reasonable hours. This easement shall be exercised with a minimum of interference to the quiet enjoyment to Owners' property, and any damage shall be repaired by the Association at its expense. Entry under this Section shall not constitute a trespass, and prior notice shall not be required except as provided in Section 5.2.

The Association also may enter a Unit to abate or remove, using such measures as may be reasonably necessary, any structure, thing or condition which violates the Governing Documents. All costs incurred, including reasonable attorneys fees, may be assessed against the violator as a Specific Assessment.

11.7. Easements for Lake and Pond Maintenance and Flood Water. The Declarant reserves for itself and its successors, assigns, and designees the nonexclusive right and easement, but not the obligation, to enter upon the lakes, ponds, streams, and wetlands located within the Area of Common Responsibility to (a) install, keep, maintain, and replace pumps and irrigation systems in order to provide water for the irrigation of any of the Area of Common Responsibility or any Private Amenity; (b) construct, maintain, and repair any bulkhead, wall, dam, or other structure retaining water; and (c) remove trash and other debris therefrom and fulfill their maintenance responsibilities as provided in this Declaration. Declarant and its designees shall have an access easement over and across any of the Properties abutting or containing any portion of any pond, stream, or wetland to the extent reasonably necessary to exercise their rights under this Section.

Declarant further reserves for itself and its successors, assigns and designees, a perpetual, nonexclusive right and easement of access and encroachment over the Common Area and Units (but not the dwellings thereon) adjacent to or within 20 feet of ponds, streams and wetlands in order to (a) temporarily flood and back water upon and maintain water over such portions of the Properties; (b) fill, drain, dredge, deepen, clean, fertilize, dye, and generally maintain the ponds, streams, and wetlands within the Area of Common Responsibility; (c) maintain and landscape the slopes and banks pertaining to such ponds, streams, and wetlands; and (d) enter upon and across such portions of the Properties for the purpose of exercising its rights under this Section. All persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from the intentional exercise of such easements. Nothing herein shall be construed to make Declarant or any other Person liable for damage resulting from flooding due to heavy rainfall or other natural disasters.

Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (i) to release

all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (ii) to define the limits of any such easements.

11.8. Lateral Support. Every portion of the Common Area, every Unit, and any improvement which contributes to the lateral support of another portion of the Common Area or of another Unit shall be burdened with an easement for lateral support, and each shall also have the right to lateral support which shall be appurtenant to and pass with title to such property.

11.9. Easements for Private Amenities.

(a) The owner of any Private Amenity within or adjacent to any portion of the Properties, its agents, successors and assigns, shall at all times have a right and non-exclusive easement of access and use over those portions of the Common Area reasonably necessary to the operation, maintenance, repair and replacement of its Private Amenity.

(b) There is hereby established for the benefit of the Private Amenities and their members (regardless of whether such members are Owners hereunder), guests, invitees, employees, agents, contractors, and designees, a right and nonexclusive easement of access and use over all roadways located within the Properties reasonably necessary to travel between the entrance to the Properties and the Private Amenities and over those portions of the Properties (whether Common Area or otherwise) reasonably necessary to the operation, maintenance, repair, and replacement of the Private Amenities. Without limiting the generality of the foregoing, members of the Private Amenities and guests and invitees of the Private Amenities shall have the right to park their vehicles on the roadways located within the Properties at reasonable times before, during, and after special events, tournaments and other similar functions held by or at the Private Amenities.

(c) Any portion of the Properties immediately adjacent to the Private Amenities are hereby burdened with a non-exclusive easement in favor of the adjacent Private Amenities for over spray of water from the irrigation system serving the Private Amenities. Under no circumstances shall the Association or the owner(s) of the Private Amenities be held liable for any damage or injury resulting from such over spray or the exercise of this easement.

(d) The Declarant hereby reserves for itself, its successors and assigns, and may assign to the owner(s) of the Private Amenities, an easement and all rights to draw water from the lakes and ponds within or adjacent to the Properties for purposes of irrigation of the Private Amenities and for access to and the right to enter upon the lakes and ponds within or adjacent to the Properties, if any, for installation and maintenance of any irrigation systems.

(e) Any Private Amenity may include an extensive system of paths for use by pedestrians, golf carts and maintenance vehicles. To the extent such paths are not located on the Private Amenity, Declarant hereby reserves a nonexclusive easement appurtenant to the Private Amenity on, over, under and across the Properties as reasonably necessary for the installation, maintenance, repair, replacement, reconstruction, use and enjoyment of such paths. The owner(s) of the Private Amenities shall be solely responsible for maintaining such paths at its sole cost and expense, including those portions which are located on a Unit or Common Area. The aforesaid easements are reserved for the benefit of the owner(s) of the Private Amenities, and their respective members, guests, invitees, employees, contractors, agents, and designees and shall be appurtenant to the Private Amenity.

11.10. Easement for Special Events. Declarant hereby reserves for itself, its successors, assigns and designees a perpetual, non-exclusive easement over the Common Area for the purpose of conducting educational, cultural, entertainment, or sporting events, and other activities of general community interest

at such locations and times as Declarant, in its sole discretion, deems appropriate. Each Owner, by accepting a deed or other instrument conveying any interest in a Unit, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the occupants of its Unit to take no action, legal or otherwise, which would interfere with the exercise of such easement or to recover damages for or as the result of any such activities.

11.11. Rights to Stormwater Runoff, Effluent and Water Reclamation. Declarant hereby reserves for itself and its designees, including but not limited to the owner of any Private Amenity, all rights to ground water, surface water, storm water runoff, and effluent located or produced within the Properties, and each Owner agrees, by acceptance of a deed to a Unit, that Declarant shall retain all such rights. Such right shall include an easement over the Properties for access, and for installation and maintenance of facilities and equipment to capture and transport such water, runoff and effluent.

11.12. Liability for Use of Easements. No Owner shall have a claim or cause of action against the Declarant, its successors or assigns, including without limitation the owner(s) of any Private Amenities, arising out of the exercise or non-exercise of any easement reserved hereunder or shown on any subdivision plat for the Properties, except in cases of willful or wanton misconduct.

ARTICLE 12 MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of 60 Days, or any other violation of the Declaration or By-Laws relating to such Unit or the Owner or Occupant which is not cured within 60 Days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders pursuant to Federal Home Loan Mortgage Corporation requirements.

12.2. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

12.3. Notice to Association. Upon request by the Board, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

12.4. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 Days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5. Construction of Article 12. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

ARTICLE 13 DECLARANT'S RIGHTS

13.1. Transfer or Assignment. Any or all of the special rights and obligations of the Declarant set forth in the Governing Documents may be transferred or assigned in whole or in part to the Association or to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the By-Laws. Upon any such transfer, the Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Public Records.

13.2. Development and Sales. The Declarant and Builders authorized by Declarant may maintain and carry on the Properties such activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Units, such as sales activities, tournaments, charitable events, and promotional events, and restrict Members from using the Common Area during such activities. Such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with the Members' use and enjoyment of the Common Area. In the event that any such activity necessitates exclusion of Owners from Common Areas, such activities shall not exceed seven (7) consecutive Days. The Declarant and authorized Builders shall have easements over the Properties for access, ingress and conducting such activities.

In addition, the Declarant and Builders authorized by Declarant may establish within the Properties, including any clubhouse, such facilities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Units, including, but not limited to, business offices, signs, model homes, tents, sales offices, sales centers and related parking facilities. During the Development Period, Owners may be excluded from use of all or a portion of such facilities in the Declarant's sole discretion. The Declarant and authorized Builders shall have easements over the Properties for access, ingress, and egress and use of such facilities.

Declarant may permit the use of any facilities situated on the Common Area by Persons other than Owners without the payment of any use fees.

13.3. Improvements to Common Areas. The Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of

making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

13.4. Additional Covenants No Person shall record any declaration of covenants, conditions and restrictions, declaration of condominium, easements, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records. No such instrument recorded by any Person, other than the Declarant pursuant to Section 7.4, may conflict with the Declaration, By-Laws or Articles.

13.5. Right of Class "B" Member to Disapprove Actions. So long as the Class "B" membership exists, the Class "B" Member shall have the right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of the Declarant or Builders under the Governing Documents, or interfere with development of, construction on, or marketing of any portion of the Properties, or diminish the level of services being provided by the Association. This right to disapprove is in addition to, and not in lieu of, any right to approve or disapprove specific actions of the Association, the Board or any committee as may be granted to the Class "B" Member or the Declarant in the Governing Documents.

(a) The Class "B" Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address the Class "B" Member has registered with the secretary of the Association, which notice complies with the By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at such meeting. The Class "B" Member may waive its right to receive notice in the same manner as provided in the By-Laws.

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein. The Class "B" Member, its representatives or agents may make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee.

(c) No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met and the time period set forth in subsection (d) below has expired.

(d) The Class "B" Member, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within ten (10) Days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) Days following receipt of written notice of the proposed action. No action, policy or program shall be effective or implemented if the Class "B" Member exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

ARTICLE 14
PRIVATE AMENITIES

14.1. General. Private Amenities shall not be a portion of the Common Area, and neither membership in the Association nor ownership or occupancy of a Unit shall confer any ownership interest in or right to use any Private Amenity. Rights to use the Private Amenities will be granted only to such persons, and on such terms and conditions, as may be determined from time to time by the respective owners of the Private Amenities. The owners of the Private Amenities shall have the right, from time to time in their sole and absolute discretion and without notice, to amend or waive the terms and conditions of use of their respective Private Amenities, including, without limitation, eligibility for and duration of use rights, categories of use, extent of use privileges, and number of users, and to require the payment of a purchase price, membership contribution, initiation fee, membership deposit, dues, use charges, and other charges for use privileges and to change, eliminate, or lease operation of any or all facilities; and to reserve use rights and to terminate use rights altogether, subject to the terms of any written agreements.

14.2. Conveyance of Private Amenities. All Persons, including all Owners, are hereby advised that no representations or warranties have been or are made by the Declarant, the Association, any Builder, or by any Person acting on behalf of any of the foregoing, with regard to the continuing ownership or operation of any Private Amenity, and no purported representation or warranty in such regard, either written or oral, shall be effective unless specifically set forth in a written instrument executed by the record owner of the Private Amenity. Further, the ownership or operation of the Private Amenities may change at any time by virtue of, but without limitation, (a) the sale to or assumption of operations of any Private Amenity by a Person other than the current owner or operator; or (b) the conveyance of any Private Amenity to one or more affiliates, shareholders, employees, or independent contractors of the Declarant. No consent of the Association, any Neighborhood Association, or any Owner shall be required to effectuate any change in ownership or operation of any Private Amenity, for or without consideration and subject to or free of any mortgage, covenant, lien or other encumbrance.

14.3. View Impairment. Neither the Declarant, the Association, nor the owner of any Private Amenity, guarantees or represents that any view over and across any Private Amenity, the Common Area or any public facilities from Units will be preserved without impairment. The owners of such property, shall have no obligation to prune or thin trees or other landscaping, and shall have the right, in their sole and absolute discretion, to add trees and other landscaping or to install improvements or barriers (both natural and artificial) to the Private Amenities, the Common Area or the public facilities from time to time. In addition, the owner of any Private Amenity which includes a golf course may, in its sole and absolute discretion, change the location, configuration, size and elevation of the trees, bunkers, fairways and greens from time to time. Any such additions or changes may diminish or obstruct any view from the Units and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

14.4. Cost Sharing Agreements. The Association may enter into a Cost Sharing Agreement with any Private Amenity obligating the Private Amenity or the Association to contribute funds for, among other things, shared property or services and/or a higher level of Common Area maintenance.

14.5. Architectural Control. Neither the Association, nor any committee thereof, shall approve or permit any construction, addition, alteration, change, or installation on or to any portion of the Properties which is contiguous to or within one hundred (100) feet of, any Private Amenity without giving the owner of such Private Amenity at least fifteen (15) Days prior written notice of its intent to approve or permit the same together with copies of the request and all other documents and information finally submitted in such regard. The owner of such Private Amenity shall then have fifteen (15) Days to approve or disapprove the proposal in writing delivered to the appropriate committee or Association,

stating in detail the reasons for any disapproval. The failure of the owner of such Private Amenity to respond to the notice within the fifteen (15) Day period shall constitute a waiver of the owner of such Private Amenity's right to object to the matter. If in the reasonable opinion of the owner of the Private Amenity whether by restriction of view, hazards to person or otherwise, the requesting party shall resubmit to the ARB the proposed construction or modification so as to take into account the objection of the Private Amenity, and the review and approval process set forth in this Section shall apply to the resubmitted plans and specifications. This Section shall also apply to any work on the Common Area contiguous to the Private Amenity.

14.6. Use Restrictions. Upon request of the owner of any Private Amenity, the Association shall enforce its use restrictions and rules against any Owner or occupant violating such regulations within such Private Amenity, including but not limited to the exercise of the Association's self-help rights for violation of sign and pet restrictions.

14.7. Limitations on Amendments. In recognition of the fact that the provisions of this Article are for the benefit of the Private Amenity, no amendment to this Article, and no amendment in derogation of any other provisions of this Declaration benefitting any Private Amenity, may be made without the written approval of the owner(s) of the affected Private Amenity. The foregoing shall not apply, however, to amendments made by the Declarant.

14.8. Jurisdiction and Cooperation. It is Declarant's intention that the Association and the Private Amenities shall cooperate to the maximum extent possible in the operation of the Properties and the Private Amenities. Each shall reasonably assist the other in upholding the Community-Wide Standard as it pertains to maintenance and the Design Guidelines. The Association shall have no power to promulgate rules or regulations affecting activities on or use of the Private Amenities without the prior written consent of the owners of the Private Amenities affected thereby.

ARTICLE 15 GENERAL PROVISIONS

15.1. Duration.

(a) Unless terminated as provided in Section 15.1(b), this Declaration shall run with the land and shall be binding on all parties and Persons claiming under them for a period of 20 years from the date this Declaration is recorded. This Declaration shall automatically be extended at the expiration of such period for successive periods of 10 years each, unless terminated as provided herein. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

(b) Unless otherwise provided by Georgia law, in which case such law shall control, this Declaration may not be terminated within 20 years of the date of recording without the consent of all Owners. Thereafter, it may be terminated only by an instrument signed by Owners of at least 75% of the total Units within the Properties and by the Declarant, if the Declarant owns any portion of the Properties, which instrument is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

15.2. Amendment.

(a) By Declarant. Until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Units; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee Mortgage loans on the Units; or (iv) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent in writing. In addition, so long as the Declarant owns property which is subject to this Declaration or which may be unilaterally subjected to the Declaration by the Declarant, it may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner.

(b) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing 67% of the total Class "A" votes in the Association, including 67% of the Class "A" votes held by Members other than the Declarant, and the written consent of the Declarant, so long as the Declarant owns any property which is subject to this Declaration or which may be unilaterally subjected to this Declaration by the Declarant.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date. Any amendment to the Declaration shall become effective upon recordation in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration. No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant, the Class "B" Member, or the assignee of such right or privilege.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

15.3. Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

15.4. Dispute Resolution. It is the intent of the Association and the Declarant to encourage the amicable resolution of disputes involving the Properties and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, the Association, the Declarant and each Owner covenants and agrees that it shall attempt to resolve all claims, grievances or disputes involving the Properties, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles through alternative dispute resolution methods, such as mediation and arbitration. To foster the amicable resolution of disputes, the Board may adopt alternative dispute resolution procedures.

Participation in alternative dispute resolution procedures shall be voluntary and confidential. Should either party conclude that such discussions have become unproductive or unwarranted, then the parties may proceed with litigation.

15.5. Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of Members representing 75% of the total Class "A" votes in the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 8; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it or (e) actions brought by the Association against any contractor, vendor, or supplier of goods and services arising out of a contract for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

15.6. Non-Merger. Notwithstanding the fact that Declarant is the current owner of the Properties, it is the express intention of Declarant that the easements established in the Declaration for the benefit of the Properties and Owners shall not merge into the fee simple estate of individual units conveyed by Declarant or its successor, but that the estates of the Declarant and individual lot owners shall remain as separate and distinct estates. Any conveyance of all or a portion of the Properties shall be subject to the terms and provisions of this Declaration, regardless of whether the instrument of conveyance refers to this Declaration.

15.7. Grants. The parties hereby declare that this Declaration, and the easements created herein shall be and constitute covenants running with the fee simple estate of the Properties. The grants and reservations of easements in this Declaration are independent of any covenants and contractual agreements undertaken by the parties in this Declaration and a breach by either party of any such covenants or contractual agreements shall not cause or result in a forfeiture or reversion of the easements granted in this Declaration.

15.8. Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with any additional covenants, restrictions, and declarations applicable to any Neighborhood, and the Association may, but shall not be required to, enforce the covenants, conditions, and provisions applicable to any Neighborhood; provided however, in the event of a conflict between or among this Declaration and such covenants or restrictions, and/or the provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, this Declaration, the By-Laws, Articles, and use restrictions and rules of the Association shall prevail over those of any Neighborhood. The foregoing priorities shall apply, but not be limited to, the lien for assessments created in favor of the Association. Nothing in this Section shall preclude any Supplemental Declaration or other recorded declaration, covenants and restrictions applicable to any portion of the Properties from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

15.9. Use of the Words "Sanctuary River Club at St. Andrews Sound". No Person shall use the words "Sanctuary River Club at St. Andrews Sound" or any logo of Sanctuary River Club at St. Andrews Sound or any derivative in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the term "Sanctuary River Club at St. Andrews Sound" in printed or promotional matter where such term is used solely to specify that particular property is located within Sanctuary River Club at St. Andrews Sound and the Association and any other community association located on Sanctuary River Club at St. Andrews Sound shall be entitled to use the words "Sanctuary River Club at St. Andrews Sound" in its name.

15.10. Compliance. Every Owner and occupant of any Unit shall comply with the Governing Documents. Failure to comply shall be grounds for an action by the Association or by any aggrieved Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

15.11. Right of First Refusal.

(a) Each Owner acknowledges, and the deed of conveyance to each Owner may provide, that the Declarant shall retain a right of first refusal for any Unit within the Properties on the terms and conditions set forth below. This Section shall not restrict an Owner's right to enter into a binding contract for the sale of a Unit, provided that, for so long as this right of first refusal exists, the contract provides that the Owner may not convey a Unit to any third party without giving the Declarant the right of first refusal on the terms and conditions set forth below. This right of first refusal shall not apply to any transfer or conveyance in connection with a Mortgage foreclosure or deed in lieu of foreclosure except where the intent of the parties is to circumvent this right of first refusal. The failure by Declarant to exercise its right of first refusal with respect to a Unit shall not be deemed a waiver of such right with respect to any other transfer or conveyance.

(b) If any Owner desires to convey any Unit to a third party, the Owner proposing to transfer said Unit shall deliver to Declarant within seven Days of its execution a copy of the executed, binding real estate sales contract between the Owner and the prospective purchaser. The real estate sales contract shall provide that Declarant shall have 30 Days after actual receipt of the executed binding real estate contract upon which to exercise its right of first refusal for the Unit on the same terms and conditions as the real estate sales contract between the Owner and prospective purchaser. Declarant shall provide written notice of the exercise of the right of first refusal to the transferor. If the Declarant fails to exercise such right as provided herein, the right of first refusal shall be waived and extinguished. Upon request and receipt of a release in form and content satisfactory to Declarant, Declarant shall execute a release of such right of first refusal in recordable form if the Declarant does not intend to exercise such right.

(c) If Declarant exercises its right of first refusal, the owner of the Unit shall convey the Unit by general warranty deed (subject to such exceptions and easements of record as are standard and customary) to the Declarant within 30 Days after the date of receipt of the Declarant's notice the right of first refusal has been exercised. The remaining terms of the real estate sales contract shall remain in full force and effect.

(d) If Declarant does not exercise its right to repurchase, the Owner of the Unit shall give the Board written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require not later than the date of closing. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Unit, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

(e) The right of first refusal set forth in this Section shall automatically terminate as to each Unit upon the issuance of a certificate of occupancy by the County of Camden, Georgia building department for a residential dwelling on such Unit. Upon issuance of a certificate of occupancy and receipt from any Owner of such Unit by Declarant of a written request and a release in form and content satisfactory to Declarant, Declarant shall execute a release of such right of first refusal as to such Unit in recordable form; however, issuance of such a release shall not be necessary to terminate this right of first refusal.

This right of first refusal shall automatically terminate as to all Units five (5) years from the date that this Declaration is recorded in the Public Records, or when, in its sole discretion, the Declarant so determines and declares in a recorded instrument.

15.12. Exhibits. Exhibits "A" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of this Declaration. Exhibit "B" is attached for informational purposes and may be amended as provided therein.
