This web site is offered as a public service, integrating various government records into a regionwide mapping system. The property assessment records are a multi-county integration of Clatsop, Multnomah and Washington County records. AddressMap blends each county's records into a common database on a quarterly basis. Therefore, to view each county's official records, go to their respective web sites or offices. The other MetroMap data are derived from city, county, state, federal and private sources. The metadata page about the data are included on this site, including the sources to be consulted for verification of the information contained herein. It is noted that some data within Metro blends city and county records by generalizing the boundaries.
