Together with the right to the Grantee: to cut, to control or eliminate by herbicides, and at its option to
remove from the Premises or the lands of the Grantor adjoining the same on either side, any trees, overhang-
ing branches, vegetation, obstacles or obstructions which may endanger the safety or interfere with the instal-
lation, use, or enjoyment of all or any of Grantee's Facilities; to add to the number of and relocate at any time
or times all of Grantee's Facilities; and of ingress and egress to, over and from the Premises and any adjoining
lands of Grantor at any and all times for the purposes of exercising and enjoying any and all the rights hereby
vested in Grantee.

It is understood and agreed:

1. The location of the route of the easement shall be established by a center line connecting the center
points of the poles, towers or supported structures, as constructed on the Premises and/or on adjoining lands.
2. Grantee shall promptly repair or replace all fences, gates, drains and ditches damaged or destroyed by
it on the Premises and shall pay Grantor all damages done to crops and livestock on the Premises proximately
caused by the construction, operation and maintenance of Grantee's Facilities. Any trees cut will be paid for
by Board Measure, using Scribner's Lumber Rules at the market price in vicinity. All claims of Grantor for
damages arising under this indenture shall be made at or mailed to the office of Grantee at Fort Wayne, In-
diana, within thirty (30) days after such damages shall accrue.
3. Grantee shall pay to Grantor, at or prior to the time when construction of Grantee's Facilities is com-
menced on the Premises, Fifty Dollars (\$50) for each pole, tower or supported structure to be located thereon.
4. Grantor shall have the right to cultivate or otherwise use the Premises in any way not inconsistent
with the easement hereby granted, but no building, structure or obstruction shall be placed by the Grantor
under or within 100 feet (measured horizontally) of the centerline of the electric power line.

4A. Grantors hereby consent and agree that this Deed of Easement, and all rights conveyed to Grantee hereunder, may be assigned or transferred by Grantee at any time without further consent on the part of Grantors, but Grantee shall thereafter notify Grantors of the name of the party to whom any such assignment or transfer has been made.

5. This indenture contains all the terms and conditions of this easement, express or implied, between the parties hereto and shall be binding upon, and inure to the benefit of, Grantor and Grantee and their respective representatives, heirs, successors, assigns, lessees and licensees.

In Witness Whereof, the said Grantor has hereunto set their hand and seal and the day and year first above written.
