

STATEMENT OF OWNERSHIP AND LOCATION

On January 1st of each year, a tax lien comes into existence on a manufactured home in favor of each taxing unit in the jurisdiction where the home is actually located on January 1st. In order to be enforced, any such lien must be recorded with the Manufactured Housing Division as provided by law. You may check our records through our website or contact us to learn of any recorded tax liens. To find out about the amount of any unpaid tax liabilities for a particular year, contact the tax office for the county where the home was actually located on January 1st of that year.

PERSONAL PROPERTY - SALVAGE USE

The manufactured home has sustained sufficient damage to be declared salvage. This unit may not be occupied as a residential dwelling and can only be rebuilt by a licensed Retailer or Rebuilder.
