HOME

The home features 3200 esf of upstairs living space. The entry welcomes you into an open floor plan with a large living room and natural stone fireplace. Newly placed, expansive dual pane windows frame the spectacular view. Separate dining area, eat-in kitchen and breakfast bar offer ample space for guests and entertaining. The elegant kitchen boasts a variety of amenities; skylights, granite countertops, stainless steel Bosch appliances, custom cabinetry, a walk-in pantry and island. The large master suite includes a three-sided gas fireplace, sitting area, deck access, European bath, large walk-in closet and an elegant jacuzzi tub. Privacy and exquisite views make this space a retreat of its own. The guest suite features a full bath and private deck, again with the incredible views! Two additional bedrooms and baths complete the home. Equipped with solar tubes, whole house fans in each bedroom, and 3-zone heating system, the home provides energy efficiency as well as complete comfort. The 1100 esf of lower level bonus room is complete with its own kitchen and bath; tile floors, farm house sink, marble counters, oven, small refrigerator, built-in surround sound and a beautiful, natural stone patio create a relaxing space, ideal for entertaining and additional guest quarters.

FEATURES

No detail has been overlooked with regard to safety and energy efficiency. The gated entry welcomes you along the paved road access which meanders through the property, leading to the home's entry. An attached, 1000 esf, 3-car garage provides ample storage space and houses the battery bank fed by the 50 solar panels that power the home. A Kohler power system backup generator provides added security and energy continuity. A state-of-the-art home security and control system provides constant monitoring and is engaged with a whole-house emergency water shut-off system. Two wells and a 10k gallon holding tank provide water to the home and property. The finished basement offers additional storage space. Two seasonal ponds are part of the incredible natural scenery, filled with oak varietals, beautiful rock outcroppings and an abundance of flora and fauna, native to the area.

Two seasonal ponds are part of the incredible natural scenery, filled with oak varietals, beautiful rock outcroppings and an abundance of flora and fauna, native to the area. All furnishings will convey with acceptable offer.

NATURAL SETTING

Large, mature oaks dominate the indigenous landscape. Great consideration was given to the natural beauty of this property when incorporating the improvements. It is evident from the foliage that water is abundant on the property.

Wildlife is abundant in the area: deer and turkey roam freely, while raptors and other rare species of animals can be found here because of the abundance of water and cover.

AREA INFORMATION

Agriculture is still the dominant economic activity in the Santa Ysabel area. Horse and cattle ranches are the backdrop for the landscape of light residential development. There are many fine restaurants and lodging accommodations in the surrounding area of this centrally, yet privately located property. Major shopping and resources are no more than 35 minutes away.

Recreation & Lifestyle

There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing, hunting and fishing, dinning, and a variety of other opportunities for each family member. The Santa Ysabel Open Space Preserve offers excellent riding and hiking. The famous Hale Observatory is less than 30 minutes away.
