INTRODUCTION & OVERVIEW

Beautiful 8.45 acre offering in the heart of Ramona. Flexible zoning useable acreage make this an inviting parcel for agriculture, viticulture, equestrian or livestock. Minimum lot size opens the possibility for development potential. Designated as having prime soils by the County of San Diego.

NATURAL SETTING

Topographically, the property is flat to very gently sloping. Rolling hills frame the Ramona Valley, creating a unique micro-climate, recognized as being ideal for viticulture and agriculture in general.

AREA INFORMATION

The Ramona valley has come to be recognized for its unique climate, which lends itself to excellent grape production. Agriculture is still a significant part of the economic activity in the Ramona area. Vineyards, horse ranches and residential development make up the area with a blend of dining and entertainment venues.

Recreation & Lifestyle

Ramona remains known as equestrian country and is host to its own annual rodeo. Now a winery destination as well, Ramona offers a wealth of wine tours and tasting rooms throughout the valley. The Ballena Valley is home to a world-renowned equestrian facility. There are plentiful hiking and biking trails: Mt Gower Preserve, Three Sisters Falls and the famed Potato Chip Rock by way of Mt. Woodson are just a few. Two golf courses, wedding venues, art galleries and year-round community events make Ramona an enjoyable place to visit and call home.
