# PROPERTY DESCRIPTION

## Pine Hills Acreage

Blue Jay Dr.

Julian, CA 92036

APNs 289-420-57-00 and 289-420-58-00

## **INTRODUCTION & OVERVIEW**

### **Pine Hills—conceivably one of the finest and most desirable communities in Julian!**

Located largely within the Cleveland National Forest, this beautiful community is just under 4 miles from charming, downtown Julian and is home to some of the finest estates in the area! Additionally, Pine Hills is host to the popular and beautifully forested *William Heise County Park*, a 929-acre park, featuring 10.75 miles of trails, camping, cabins and more.

## **NATURAL SETTING**

Topographically, the parcels are flat to very gently sloping. Large, mature oaks, pines and Manzanita dominate the indigenous landscape. Wildlife is abundant in the area: deer and turkey roam freely, while raptors and other rare species of animals can be found here because of the abundance of water and cover.

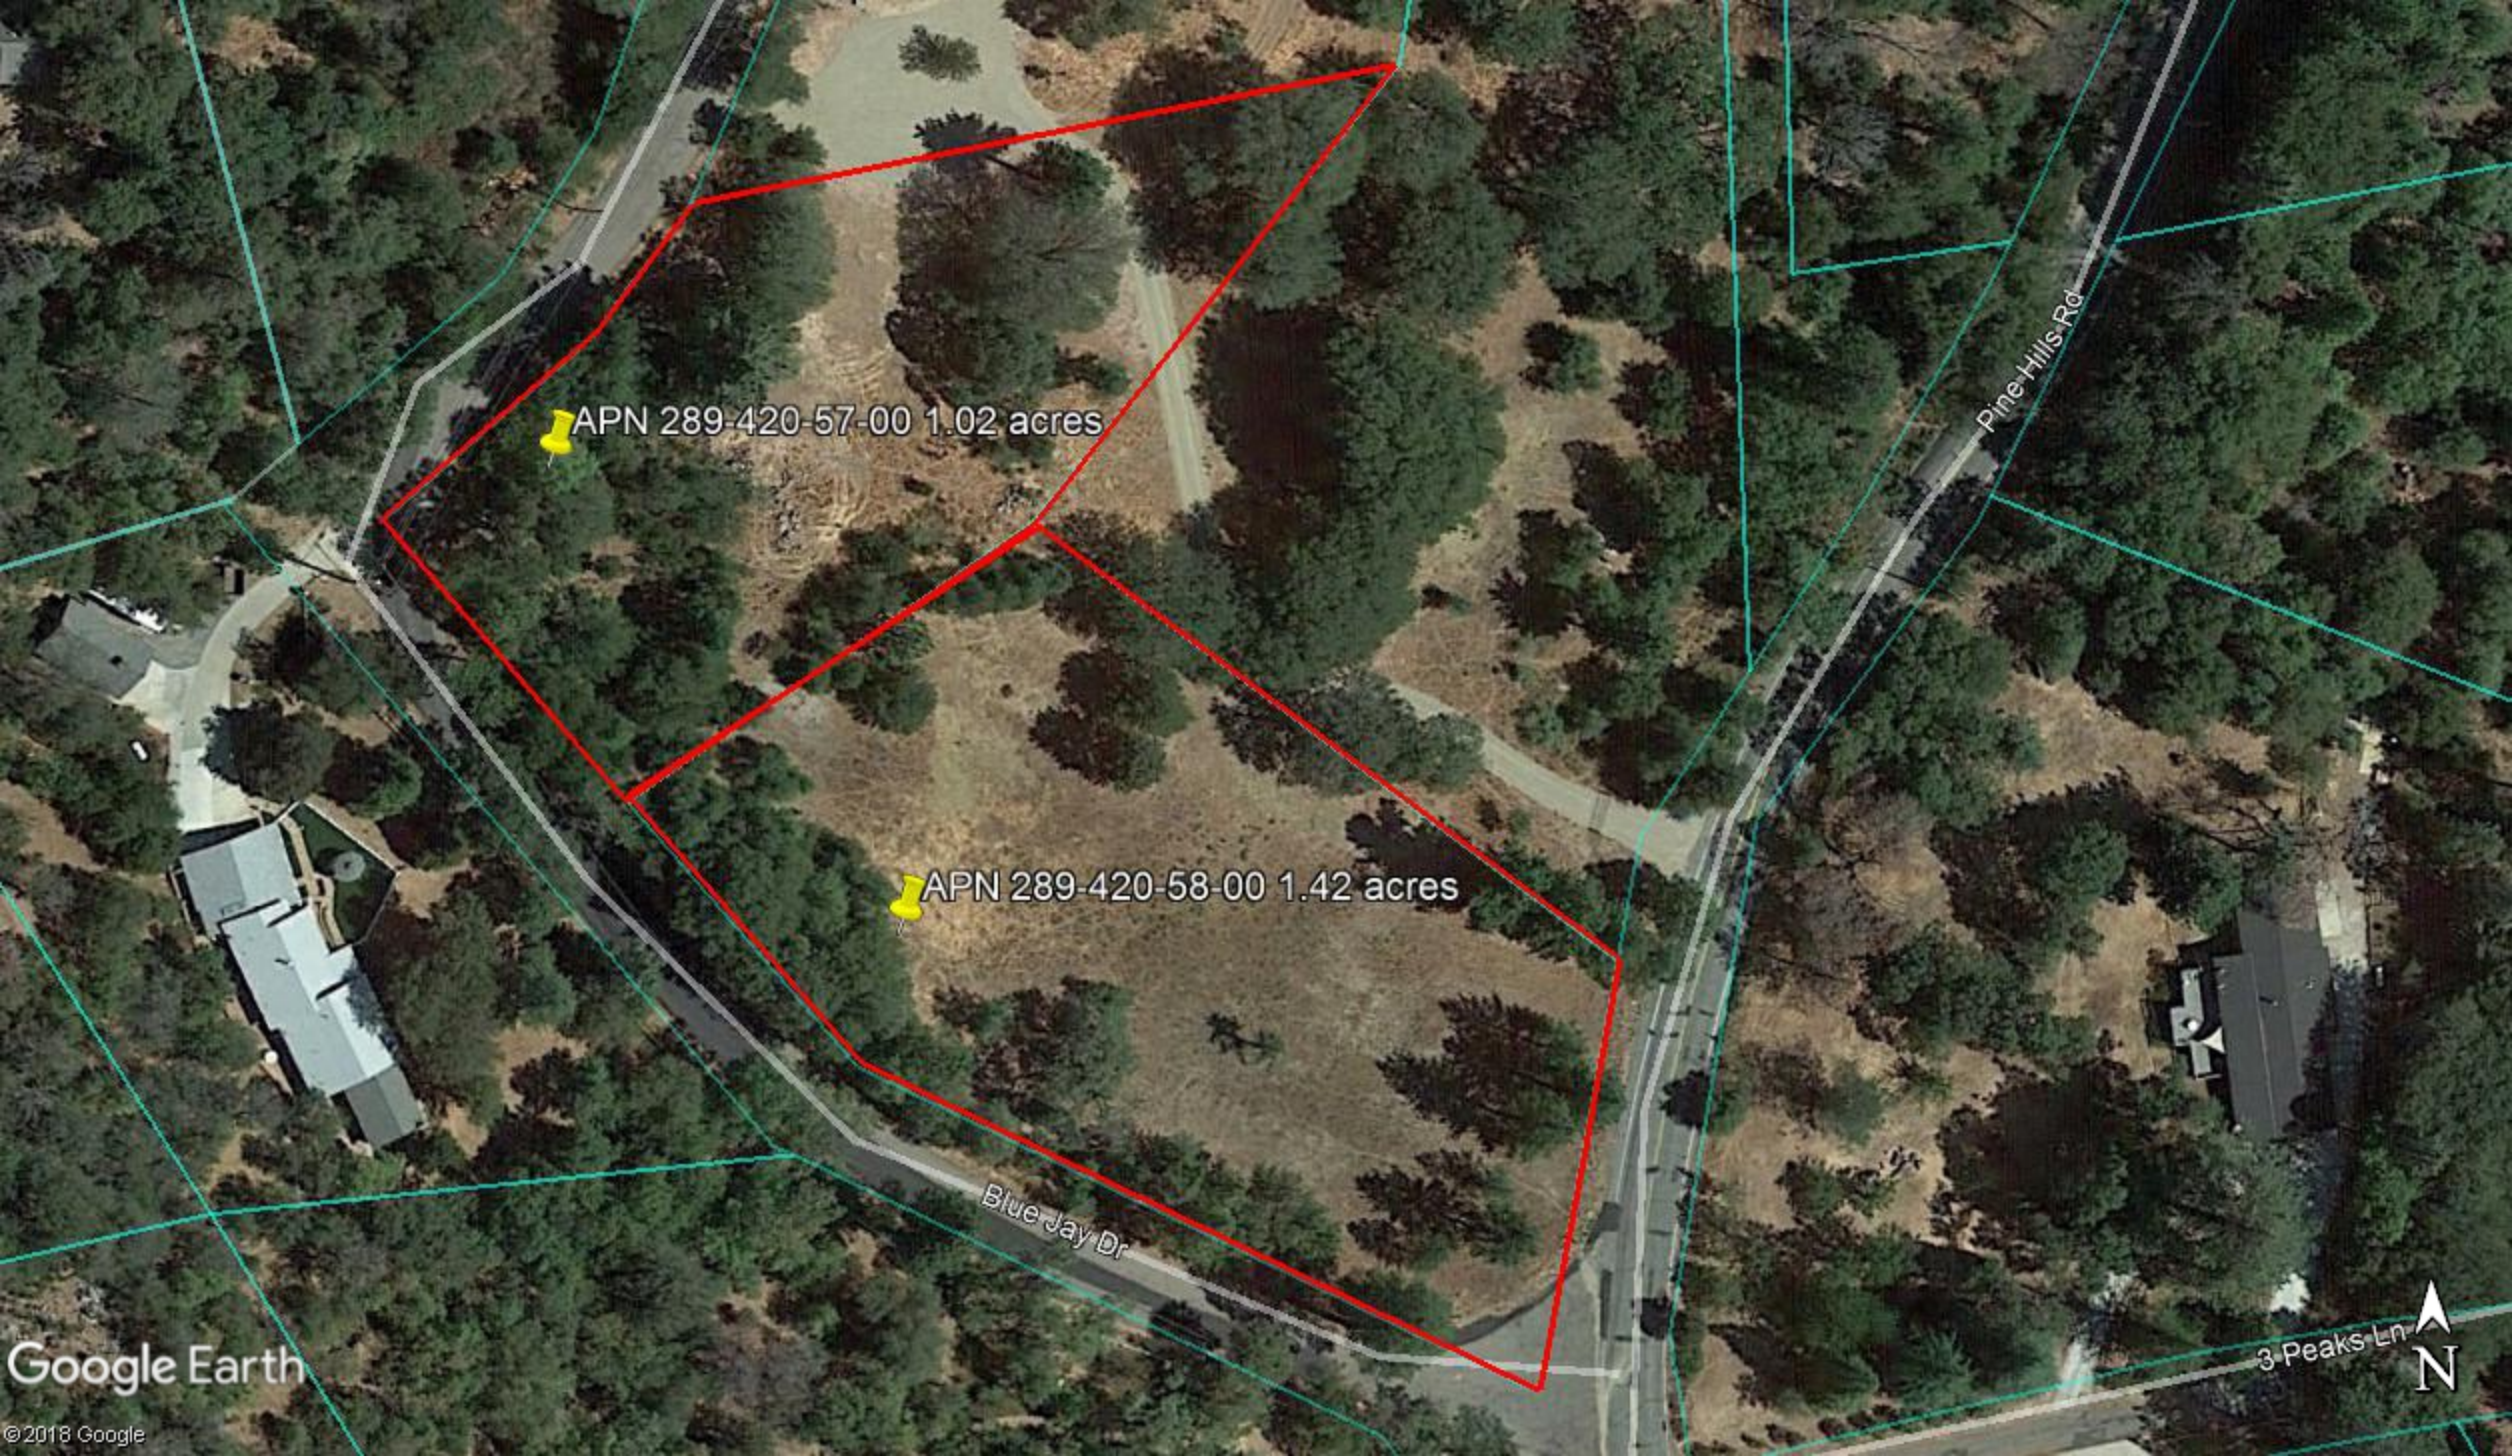

## **AREA INFORMATION**

The Julian area is a well known get-a-way for city residents from all over Southern California. Tourism is now the primary draw, replacing the mining interests when Julian's population thrived. There are many fine restaurants, live entertainment and lodging accommodations in the immediate area. Major shopping and resources are approximately 40 minutes away.

## **RECREATION AND LIFESTYLE**

There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing, hunting and fishing, and a variety of other opportunities for each family member. The nearby open space preserves host miles of hiking and equestrian trails. There is much to explore and discover in Julian and the surrounding mountain and desert areas.
