INTRODUCTION & OVERVIEW

Excellent opportunity to purchase one of the few remaining view lots in this historic area. The 6-acre parcel offers beautiful views and great opportunity.

NATURAL SETTING

Topographically, the property is varied. Gentle to steep slopes lead from the road to the upper portions of the property. Large mature pines create a beautiful backdrop and fragrance. A wealth of native flora is found throughout the property. Wildlife is abundant in the area: deer and turkey roam freely, while raptors and other rare species of animals can be found here because of the abundance of water and cover.

AREA INFORMATION

The Julian area is a well known get-a-way for city residents from all over Southern California. Tourism is now the primary draw, replacing the mining interests when Julian's population rivaled that of the City of San Diego. Enjoy shopping, music, wine and beer tasting, seasonal events and fine dining in this charming mountain town.

RECREATION AND LIFESTYLE

There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing at Warner's Ranch and Borrego Springs, hunting and fishing, dining, and a variety of other opportunities for each family member. The Santa Ysabel Open Space Preserve offers excellent riding trails connecting the Santa Ysabel, Wynola, and Julian communities. The Volcan Mountain Preserve is nearby and offers wonderful hiking trails.
