Concerning	the Property at Burton, TX 77835
If the answ	er to any of the items in Section 3 is yes, explain (attach additional sheets if necessary):
*A singl	e blockable main drain may cause a suction entrapment hazard for an individual.
	Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair, not been previously disclosed in this notice? yes no f yes, explain (attach additional sheets if
wholly or	Are you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware and check partly as applicable. Mark No (N) if you are not aware.)
YN	Drecent flood incurence coverage (if yes, ottoch TVD 1414)
_ <u>W</u>	Present flood insurance coverage (if yes, attach TXR 1414). Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reservoir.
\sim	Previous flooding due to a natural flood event (if yes, attach TXR 1414).
\mathcal{N}	Previous water penetration into a structure on the Property due to a natural flood event (if yes, attach TXR 1414).
<u>y</u>	Located _ wholly $\underline{\mathbf{y}}$ partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE AO, AH, VE, or AR) (if yes, attach TXR 1414).
N. N	Located wholly partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)).
\sim	Located wholly partly in a floodway (if yes, attach TXR 1414).
$- \overline{\mathbf{N}}$	Located wholly partly in a flood pool.
N	Located wholly partly in a reservoir.
If the answ	er to any of the above is yes, explain (attach additional sheets as necessary):
"100-ye which is which is	rposes of this notice: ar floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, a designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, a considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir. ar floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard

area, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.

"Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.

"Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).

"Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

"Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit <u>www.txdps.state.tx.us</u>. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review *Information Regarding Windstorm and Hail Insurance for Certain Properties* (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.

D. INFORMATION FROM GOVERNMENTAL AGENCIES: Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) on 10/24/2002. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

<u>Facility</u>	Usage (gal/day) without water- saving devices	Usage (gal/day) with water- saving devices
Single family dwelling (1-2 bedrooms; less than 1,500 sf)	225	Las Hoom 180
Single family dwelling (3 bedrooms; less than 2,500 sf)	300	240
Single family dwelling (4 bedrooms; less than 3,500 sf)	375	300
