By signing the utility service sheet, the customer confirms and understands the fees being charged are for new water and/or sewer service according to the policy and procedures. Customer also understands that FCPU will have up to three (3) business days to set meter and agrees to supply a copy of the building permit from the Franklin County Planning and Inspections Department. Customer also agrees to follow the watering schedule and if not followed will result in a disconnection of service and a fine of \$200.00.
