

Habitat Green Plantation

Offered for \$ 1,052,700

+/- 251.5 Acres | Hwy 99 | Glynn County, GA | 31525

Habitat Green Plantation is one of the last great properties on the Georgia Coast. It's privacy and exclusivity are second to none and offer great access to hunting, fishing and everything coastal Georgia has to offer. The plantation boasts deep water access on both high and low tide and gives very easy access to the Intercoastal Water Way. The property makes St. Simons Island, Jekyll Island and Sea Island very accessible by boat or car and is only minutes to Interstate 95.
