These 45 +/- flat acres of land are enrolled into WRP and have been developed for the waterfowl hunting enthusiasts. The land has electricity onsite with a well that has underground trenching to two separate pools. Each pool has a pit blind with one being a 4 person and the larger pool has a 6 person pit blind. The larger of the two pools has a gate system that allows for water control. At the north end of the property is a slough which also offers excellent duck hunting with two older wood blinds. This is a great turn-key duck and goose hunting property with really good deer hunting too!
