5.	Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair? Yes (if you are aware) No (if you are not aware). If yes, explain (attach additional sheets if necessary).
6.	Are you (Seller) aware of any of the following conditions?* Write Yes (Y) if you are aware, write No (N) if you are not aware.  N Present flood insurance coverage
	Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reservoir
	Previous water penetration into a structure on the property due to a natural flood event
	Write Yes (Y) if you are aware, and check wholly or partly as applicable, write No (N) if you are not aware.
	Located ( wholly ( partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE, AO, AH, VE, or AR)
	Located ( wholly ( partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded))
	Located ( wholly ( partly in a floodway
	Located ( wholly ( partly in a flood pool
	Located ( wholly ( partly in a reservoir
	If the answer to any of the above is yes, explain (attach additional sheets if necessary):
	*For purposes of this notice: "100-year floodplain" means any area of land that:  (A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map;  (B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and  (C) may include a regulatory floodway, flood pool, or reservoir.  "500-year floodplain" means any area of land that:  (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and  (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.  "Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.  "Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).  "Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation of more
	than a designated height.  "Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.
7.	Have you (Seller) ever filed a claim for flood damage to the property with any insurance provider, including the National Flood Insurance Program (NFIP)?*  Yes  No. If yes, explain (attach additional sheets as necessary):
	*Homes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. Even when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s).
	Have you (Seller) ever received assistance from FEMA or the U.S. Small Business Administration (SBA) for flood damage to the

<b>)</b> .	Are you (Seller) aware of any of the following? Write Yes (Y) if you are aware, write No (N) if you are not aware.
	Room additions, structural modifications, or other alterations or repairs made without necessary permits or not in compliance with building codes in effect at that time.
	Homeowners' Association or maintenance fees or assessments.  Any "common area" (facilities such as pools, tennis courts, walkways, or other areas) co-owned in undivided interest with others.  Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.
	Any lawsuits directly or indirectly affecting the Property.
	Any condition on the Property which materially affects the physical health or safety of an individual.  Any rainwater harvesting system located on the property that is larger than 500 gallons and that uses a public water supply as an auxiliary water source.
	Any portion of the property that is located in a groundwater conservation district or a subsidence district.
	If the answer to any of the above is yes, explain. (Attach additional sheets if necessary):
	If the property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit maybe required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.  This property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.

## ADDENDUM FOR SELLER'S DISCLOSURE OF INFORMATION ON LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS AS REQUIRED BY FEDERAL, LAW

CONCERNING THE PROPERTY AT 204 Cass St Centerville Tx

	(our out readings and diety)
A.	<b>LEAD WARNING STATEMENT:</b> "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-paint hazards is recommended prior to purchase." <b>NOTICE: Inspector must be properly certified as required by federal law.</b>
В.	SELLER'S DISCLOSURE:
	1. PRESENCE OF LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARDS (check one box only):  (a) Known lead-based paint and/or lead-based paint hazards are present in the Property (explain):
	(b) Seller has no actual knowledge of lead-based paint and/or lead-based paint hazards in the Property.  2. RECORDS AND REPORTS AVAILABLE TO SELLER (check one box only):
	(a) Seller has provided the purchaser with all available records and reports pertaining to lead-based paint and/or lead-based paint hazards in the Property (list documents):
c	(b) Seller has no reports or records pertaining to lead-based paint and/or lead-based paint hazards in the Property.  BUYER'S RIGHTS (check one box only):
C.	1. Buyer waives the opportunity to conduct a risk assessment or inspection of the Property for the presence of lead-based paint or lead-based paint hazards.
	☐2. Within ten days after the effective date of this contract, Buyer may have the Property inspected by inspectors selected by Buyer. If lead-based paint or lead-based paint hazards are present, Buyer may terminate this contract by giving Seller written notice within 14 days after the effective date of this contract, and the earnest money will be refunded to Buyer.
D.	BUYER'S ACKNOWLEDGMENT (check applicable boxes):  1. Buyer has received copies of all information listed above.
