INTRODUCTION

Macallan Real Estate is pleased to present River Pines Plantation, 716 acres of pristine hunting land, located in Meriwether County, GA just outside the town of Woodbury. River Pines is a truly unique opportunity to own one of the most mature and diverse hunting tracts in the State of Georgia.

Located just over an hour south of Atlanta, River Pines offers mature pine plantations, well maintained food plots, 2 ponds, a custom built cabin, horse stables and other substantial improvements. The property boasts a very healthy wildlife population including trophy deer, turkey and quail.

WILDLIFE AT RIVER PINES

For decades, River Pines has been thoughtfully managed for all types of wild game, including trophy Whitetail Deer, turkey, and Bobwhite Quail. Additionally, there are several ponds along the Flint River that are consistently filled with migratory birds including duck and geese. Over the years, River Pines and neighboring property owners have utilized best QDMA practices in managing their deer population, consistently harvesting 150"+ class bucks.
