\$57,000

AKMLS: 19-9282

3.92 Acres of Alaska paradise await you – excellent fishing out the front door of your 1,000 sq. ft. cabin. The cabin features a loft, a wood burning stove, stand alone freezer and other furniture & equipment that goes with the property. Access the Yentna River by boat and have access to salmon, trout, grayling and pike fishing. Property backs up to thousands of acres of State land with numerous hunting opportunities. For you snowmobilers, it is only a one two hour trip (depending on conditions) from the Deshka Landing and by airplane, floats or skis, it's about a ½ hour flight from Anchorage to get you to this roadless remote setting. Call for more information about this great location and schedule a time to view.
