Beautiful and secluded 80 acres in Madison County, Mo. Rolling hills with timber. A curb cut entrance from paved highway FF has already been constructed and a small clearing has been created from the gravel road Madison 451. There is no hunting pressure on the property and I jumped two does as I was entering. I found one half of a horn shed about 300 yard into the property. Several turkey feathers were found with torn up ground. Come and clear places for food plots, camp, hunt, and ride ATV's or build your Shouse on this 80 acres. Property was select logged about 16 years ago.
