

"1. For the consideration above stated, the Grantors further grant and convey unto the said Grantees, their heirs and assigns, the perpetual right to use the existing 20 foot wide roadway running over the real estate herein conveyed from State Route No. 50/3 for the purpose of ingress and egress to and from the property herein conveyed. The Grantors, their successors and assigns, reserve, however, the perpetual right to use all of the above described roadway, including any portion of said roadway which may lie within the boundaries of the real estate heretofore conveyed by the deed to which these protective covenants are attached.

"2. The Grantors may assess each tract owner of Oak Park Estates a sum not to exceed \$35.00 per year, per tract, for the use, upkeep and maintenance of the roadways situate in said subdivision, now constructed or to be constructed and within all sections of said subdivision, and such other common responsibilities as created by this paragraph may be delegated by the Grantor to a committee of tract owners within such subdivision, elected by the property owners, and any assessment made pursuant to this paragraph shall constitute a lien on each and every tract within said subdivision until paid, and payment of said assessment and levy shall be payable on or before the 31st day of January next following the purchase of said tract, and on or before the 31st day of each year thereafter. When more than one tract is owned by a party or parties, in the event of resale of one or more tracts, then the obligation to pay the said assessment and levy shall become the obligation of the new owner or owners.

"3. The Grantors reserve unto themselves, their successors or assigns, the right to erect and maintain telephone and electric light poles, conduits, equipment, sewer, gas and water lines, or to grant easements or rights of way therefor, with the right of ingress and egress for the purpose of erection or maintenance on, over or under a strip of land 15 feet wide at any point along the side or rear of any of the tracts in said subdivision and at any point within 35 feet of the center of any road. Guy wires, if required, may extend beyond the 35 foot limit, if necessary.

"4. No building of a temporary nature and no house trailers or mobile homes shall be erected or placed on any of the tracts in said subdivision except those customarily erected in connection with building operation and in such cases, for a period of time not to exceed 6 months. This shall not prohibit the erection of a toilet complying with provisions of paragraph 9 below.

"5. Minimum size of any residence constructed in said subdivision shall contain at least 480 square feet on the main floor. This shall not include basement, garage, porch or carport. All exterior construction must be completed and closed in within 8 months of the commencement of construction. No part of any tract sold by the Grantors may be sold or used as a road or as a right of way to any property other than public roads outside of said subdivision. This covenant shall not apply until said tracts are sold by the Grantors.

"6. All of the tracts in this subdivision shall be used for residential and/or recreational purposes only, and any garage or barn must conform generally in appearance and material with any dwelling on the said tracts.

"7. No signs, billboards or advertising of any nature shall be erected, placed or maintained on any of the tracts within this subdivision, nor upon any building erected thereon except directional and information signs of the grantors.

"8. No building shall be erected closer than 75 feet from the center of any street or road, nor closer than 35 feet set back to the side or rear of the tract line, with the exception that when two or more tracts are used together for the construction of only one dwelling, then said 35 foot set back shall apply only to outside lines.

"9. All toilets constructed on said tracts shall conform to the regulations of the appropriate county and state health department, and be placed in a secluded area whenever possible. No building shall be constructed on any tract until a septic tank permit has been obtained from the State Health Department.

"10. The real estate heretofore conveyed and the tracts in this subdivision shall not be subdivided.

"11. No driveway leading from any of the main subdivision roads may be constructed which impedes the function of the road drainage ditches. For any driveway crossing a road drainage ditches, a pipe minimum of 12 inches in diameter must be used.

"12. No trucks, buses, old cars or unsightly vehicles of any type or description may be left, stored or abandoned on said tracts. No trash dumps or accumulation of brush, piles of soil or any other unsightly material shall be permitted upon said tracts, except as essential for building or private road construction. Erosion of the soil shall be prevented by all reasonable means.

"13. Nothing herein is to be construed to prevent the Grantors from placing further covenants or easements on any tract in said subdivision which shall not have already been conveyed by them.

"14. If the parties hereto, or any of them, or their heirs, successors or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real estate situated in said subdivision to institute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, either to prevent him or them from so doing or to recover damages or other dues for such violation.

"15. If a lake is constructed on any part of this subdivision and the Grantors obtain lake privileges, there is hereby granted unto the Grantees lake privileges and a right of way to said lake site, said right of way to be established by the Grantors upon the completion of said lake site and roadways to and from the same.

"16. Invalidity of any one of these covenants by judgment or court order, shall in no wise effect any of the other provisions which shall remain in full force and effect."
