ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit https://publicsite.dps.texas.gov/SexOffenderRegistry. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review Information Regarding Windstorm and Hail Insurance for Certain Properties (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared

	for a military installation and may be accessed on county and any municipality in which the military installa		llation and of the

ENVIRONMENTAL ASSESSMENT, THREATENED OR ENDANGERED SPECIES, AND WETLANDS ADDENDUM

TO CONTRACT CONCERNING THE PROPERTY AT

(Address of Property)

A. ENVIRONMENTAL ASSESSMENT: Buyer, at Buyer's expense, may obtain an environmental assessment report prepared by an environmental specialist.

B. THREATENED OR ENDANGERED SPECIES: Buyer, at Buyer's expense, may obtain a report from a natural resources professional to determine if there are any threatened or endangered species or their habitats as defined by the Texas Parks and Wildlife Department or the U.S. Fish and Wildlife Service.

C. WETLANDS: Buyer, at Buyer's expense, may obtain a report from an environmental specialist to determine if there are wetlands, as defined by federal or state law or regulation.

Within days after the effective date of the contract, Buyer may terminate the contract by furnishing Seller a copy of any report noted above that adversely affects the use of the Property and a notice of termination of the contract. Upon termination, the earnest money will be refunded to Buyer.

Buyer

Information about On-Site Sewer Facility concerning 1031 Huebe have blumbus.

D. INFORMATION FROM GOVERNMENTAL AGENCIES: Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) on 10/24/2002. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

<u>Facility</u>	Usage (gal/day) without water- saving devices	Usage (gal/day) with water- saving devices
Single family dwelling (1-2 bedrooms; less than 1,500 sf)	225	180
Single family dwelling (3 bedrooms; less than 2,500 sf)	300	240
Single family dwelling (4 bedrooms; less than 3,500 sf)	375	300
Single family dwelling (5 bedrooms; less than 4,500 sf)	450	360
Single family dwelling (6 bedrooms; less than 5,500 sf)	525	420
Mobile home, condo, or townhouse (1-2 bedroom)	225	180
Mobile home, condo, or townhouse (each add'l bedroom)	75	60

This document is not a substitute for any inspections or warranties. This document was completed to the best of Seller's knowledge and belief on the date signed. Seller and real estate agents are not experts about on-site sewer facilities. Buyer is encouraged to have the on-site sewer facility inspected by an inspector of Buyer's choice.

Information About Brokerage Services

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

S AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, asually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and # buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.

Mr. Glennon Trojacek 1031 Huebel Lane Columbus, Texas 78934

Dear Mr. Trojacek;

In response to your request, we dispatched a survey field crew yesterday to verify the finish floor elevation of your home located at 1031 Huebel Lane in Columbus.

We based our work on the NGVD 29 elevation of National Geodetic Survey benchmark "H 817" of 200.46 feet. We used conventional 3-wire leveling equipment to run a closed vertical control loop from the benchmark to your property and back. From this information, we determined the NGVD 29 finish floor elevation at the front door of your home to be 205.77 feet. Finish floor of your metallic shed is 201.35 feet, while natural ground elevations in the yard (outside fill area) are 200.0 to 200.5 feet.

According to FEMA Flood Insurance Rate Map No. 48089C0135 C dated January 3, 1990, the "Base Flood Elevation" of the 100 year flood for your area is 201 feet, based on NGVD 29 datum. This puts your finish floor 4.77 feet above the flood plain.

I have enclosed an NGS quadrangle map showing the approximate location of your home for your information. Notice that it shows the natural ground elevation to be approximately 200 feet, which agrees with our figures.

If you have any questions or require any further information, please give me a call.

Sincerely,

Kevin Von Minden R.P.L.S. 4438
