- Must offer all property without regard to race, color, religion, sex, ancestry, physical or mental handicap, national origin or familial status.
- Must promptly present all written offers to the owner.
- Provide a true legible copy of every contract to each person signing the contract.

The agent is not obligated to reveal to either party any confidential information obtained from the other party which does not involve the affirmative duties set forth above.

If you have any questions about the roles and responsibilities of a real estate agent, they can provide information upon your request.
