Taste your freedom this weekend!

Hi %contact_first_name%,

It's time to feel fully alive!

You can contribute to the natural cycle of life.

While everyone else is trapped indoors during yet another quarantine, you'll be different. You'll be FREE.

You'll be on your brand new hunting property in deep west Texas.

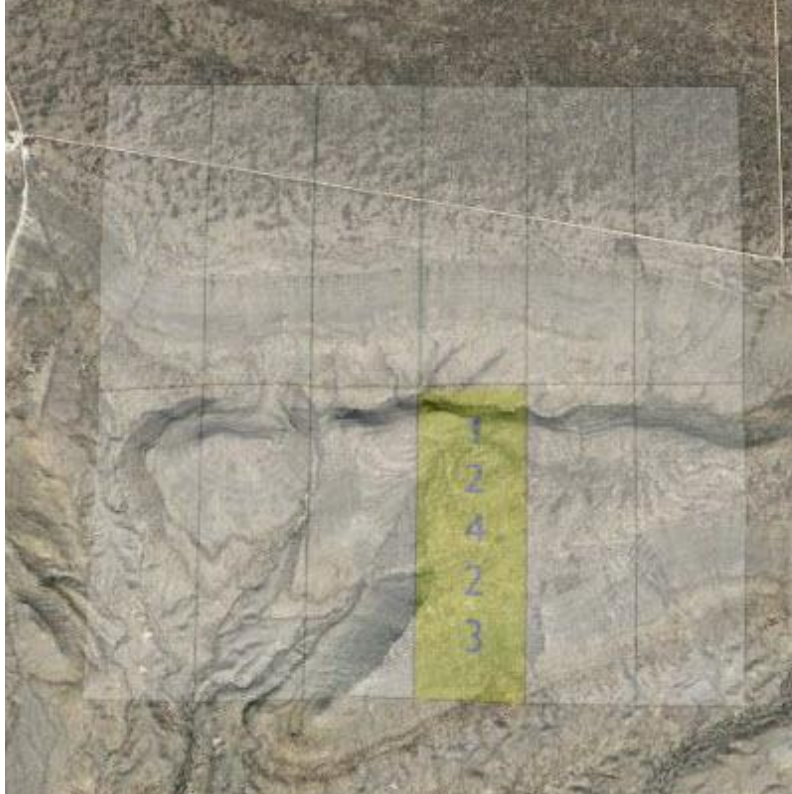

Your new property is located within the acclaimed Gunsight Ranch. With ownership, you'll gain access to all 32,000 acres of land within the ranch. Once you grab your hunting license, you'll be able to hunt javelina, mountain lion, and quail. Later in the year you'll be able to hunt plenty of bighorn sheep, mule deer, dove, and more!

Don't miss this opportunity to secure a lifetime of memories (and meals!) for you and your loved ones.

Click [here](#) to see a short video my brother in law Matt took when he was out at the property.

Here are the details for your new property:
