POOLVILLE & MONARCH MANOR

Poolville TX is at the junction of Farm roads 3107 and 920, roughly twenty miles northwest of Weatherford in Parker County. It was established in the early 1880s and named for a large pool of water just east of the town! This body of water was a well-known watering place for cattle herds on the way to market.

Gradually a settlement grew around the pool area then once the postal service began and Poolville became a new town. Later in that year a saloon and a store opened, and residents were able to have a place to shop, trade and visit! A log farmhouse near the pool began as the community's first school. Now Poolville is home of banks, hotels, and a community that continues to grow with the times!

Monarch Manor was established in 2021 with the strong name to match the Poolville Monarch Lions! The name is to honor the pride and tradition that hold true to Poolville's alma mater. Poolville ISD is a rural school district located in northern Parker and southern Wise counties in North Central Texas. Poolville ISD is graded as a "B" grade from the Texas Education Agency. They are equally matched in UIL programs such as baseball, basketball, volleyball, and one act play providing many activities for your kids to flourish in.

"Poolville is a great small school where classes are small and the student to teacher ratio is approximately 15:1. There are the wide variety of extracurricular activities to choose from. The facilities are top notch and so is the administration!"

BILLIE BURKE'S

Billie Burke's was started in 2020 by Cameron Kirkpatrick, Brent Garcia, and Jeff Clinton as a gathering spot in Cameron's hometown of Poolville, Texas. Billie Burke's is Poolville's newest hotspot for farm-to-table burgers, byob, good music, family entertainment, and community gathering.

The name comes from a relative of Cameron's wife, Billie Burke Wesson who was a champion Barrel Racer and in her younger years became one of the first to have a ranch that bred specifically for quarter paint horses. She was definitely a tough cowgirl and you may see some vintage photos inside the restaurant with Billie Burke and her beloved horses.
