Here she learned the importance of market timing, trends and independent research and analysis. She built a personal portfolio of investment properties that included residential and commercial renovations. These projects honed her skills in landlord-tenant negotiations and property management. She furthered her education at the CCIM Institute and in 2008 obtained the prestigious CCIM Designation.

After a leave of absence to start her family, she returns with extensive commercial property management experience and a passion for community redevelopment in Polk County, FL. Erin resides in Winter Haven with her husband of 20 years and two daughters.
