The Developer and every other person, firm, or corporation hereinafter having any right, title, or interest in any Tract or parcel of land in this subdivision shall have the right to prevent the violation of any said restriction by injunction or other lawful procedure and to recover any damages resulting from such a violation. It is understood and agreed that it shall not be considered a violation of the provisions of this easement if the wires or cables carried by such poles passes lines over some portion of said tract s not within the 10 foot wide strip as long as such lines do not prevent the construction of building any tracts in this development.

The above restriction, covenants and conditions shall be enforceable by injunction and any other remedy provided by law, all of which remedies are to be cumulative by said Building Board or any person who may purchase or own any tract or parcel of land situated in Klein Branch Crossing.
