301 Coon Neck Rd Concerning the Property at Elgin, TX 78621-5730 If the answer to any of the items in Section 3 is yes, explain (attach additional sheets if necessary): *A single blockable main drain may cause a suction entrapment hazard for an individual. Section 4. Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair, which has not been previously disclosed in this notice? ___yes __no If yes, explain (attach additional sheets if necessary): __ Section 5. Are you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware and check wholly or partly as applicable. Mark No (N) if you are not aware.) Y N Present flood insurance coverage (if yes, attach TXR 1414). Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reservoir. Previous flooding due to a natural flood event (if yes, attach TXR 1414). Previous water penetration into a structure on the Property due to a natural flood event (if yes, attach TXR 1414). Located wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE AO, AH, VE, or AR) (if yes, attach TXR 1414). Located __ wholly __ partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)). Located __ wholly __ partly in a floodway (if yes, attach TXR 1414). Located __ wholly __ partly in a flood pool. _ _ __ *__* Located __ wholly __ partly in a reservoir. If the answer to any of the above is yes, explain (attach additional sheets as necessary): *For purposes of this notice: "100-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir. "500-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding. "Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers. "Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.). "Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit https://publicsite.dps.texas.gov/SexOffenderRegistry. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hall insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review Information Regarding Windstorm and Hall Insurance for Certain Properties (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
