

Lot Selection is based on one's share number or first come first served. Lot prices are based on size.

Because of the irregular shapes, the design encountered, multiple sizes were necessary and Juab County requires a 2 acre minimum per residence. In order to be fair to the shareholders the pricing below was adopted:

Starting September 1, 2022

2.0 - 2.4 acres	= \$35,000
2.5 - 2.9 acres	= \$40,000
3.0 - 3.4 acres	= \$45,000
3.5 - 3.9 acres	= \$50,000

Shareholders that want to upgrade to a larger property, must pay the difference within no more than 30 days of selection.

Lot Selection is based on one's share number or first come first served. Lot prices are based on size.

All lots regardless of size have only one vote. Each lot owner requires a separate Membership Agreement. This means that lot is to be built out as required in the Membership Agreement.

After the decision has been received by the Chairman, the shareholder may select from any of the remaining lots or trade with another shareholder.

Shareholders that want to upgrade to a larger property, must pay the difference within no more than 30 days of selection.
