REMARKS: This Eastern Oregon Parcel is in beautiful setting. It is bordered by thousands of acres of Forest Service land. Power is close to the property, water/septic would need to be installed by the future owner. The property has a 225 sq. ft. structure with a metal roof. It is made up of pressure treated wood, and other wood from the surrounding area giving it a more rustic look. This property would make a great location for a base camp or a future homesite as it is roughly 20 minutes south of John Day.
