## 211 3rd Street NE, Buffalo Center, IA 50424

Beautifully-maintained home built in 1900 with many updates nicely blending the original charm with modern features. This 3 bedroom home offers lots of space and built-ins throughout for ample storage. Great location being just a few blocks from the business district, school, park and pool. The exterior is nicely landscaped, and you will find a workshop in the back of the property that could also serve as an additional garage or extra storage.
