All references to "Vineyard Ridge" or "Properties" means this subdivision as defined in this Section 1.8.

Article II Administration of Subdivision

Section 2.1 Power and Authority: The Association shall have the following powers and authority:

A. To own, purchase, manage, maintain, repair and replace the Common Area or any other part of the Property for which the Association is responsible under the Governing Documents, as well as any or all of the equipment or property of any type used in connection with the maintenance and preservation thereof.

B. To make assessments against the Owners of Lots in the Subdivision for payment of expenses incurred in accordance with the provisions of the Declaration or as otherwise permitted by law.

C. To promulgate such rules and regulations with respect to the Project, and to perform such deeds and acts as are deemed necessary to achieve the aforesaid objectives, and to promote the recreation, health, safety and welfare of the Members of the Association, all in accordance with the provisions of the Declaration.

D. To do or undertake any other lawful act or activity for which nonprofit corporations may be organized under the Texas Nonprofit Corporation Act (the "Act") and to exercise all powers which may be granted unto the Association by applicable law.

Section 2.2 Official Action: Unless specifically required in the Declaration or otherwise by law, all actions taken or to be taken by the Association shall be valid when such are approved by the Board as hereinafter set forth or when taken by the officer, committee, person or entity to whom such authority has been duly delegated by the Board as permitted in the Governing Documents or as otherwise allowed by law. The Association, its Board, officers and Members shall at all times act in conformity with the Act, and the Governing Documents.

Article III Offices-Seal-Fiscal Year

Section 3.1 Principal Office and Registered Office: The principal office of the Association shall be located at such places as the Board may fix from time to time. The registered office of the Association required by law to be maintained in the State of Texas may be, but need not be, identical with the principal office.

Section 3.2 Other Offices: The Association may have other offices at such other places within the State of Texas as the Board may from time to time determine or as the affairs of the Association may require.

Section 3.3 Seal: The seal of the Association shall be in the form of two concentric circles with the name of the Association and year 2017 printed between the two concentric circles with a star in the middle with the word "TEXAS" printed in the star.

Section 3.4 Fiscal Year: The fiscal year of the Association shall be fixed by the Board.

Article IV Membership

Section 4.1 Qualification: Membership in the Association shall be limited to the Owners, and every Owner of a Lot shall automatically be a Member of the Association. "Membership" means all Members as a group. Membership in the Association shall be appurtenant to and may not be separated from Lot ownership. The date of recordation in the Official Records of the County Clerk's office of Gillespie County, Texas of the deed conveying any Lot shall govern the date of ownership of that Lot. However, in the case of death, the transfer of ownership shall occur on the date of death (in the case of intestacy), or on the date of probate of the will (in the case of testacy). Until a descendant's will is probated, the Association will rely upon the presumption that a deceased Owner died intestate.

Section 4.2 Place of Meeting: All meetings of the Membership shall be held at a place within Gillespie County, Texas, or at such other place, either within or without the State of Texas, as designated in the notice of the meeting.

Section 4.3 Annual Meeting: A meeting of the Association shall be held at least once each year. The first annual meeting of the Members will be held within one year from the date of incorporation of the Association or not later than thirty (30) days after one hundred percent (100%) of the lots have been sold, whichever first occurs. Thereafter, the Annual Meeting of the Association shall be held on the second Tuesday in May of each year at 7:00 p.m., Central Standard Time, if not a legal holiday. If the day for the annual meeting of Members is a legal holiday, the meeting will be held at the same hour on the next following day which is not a legal holiday. At such meetings, the Board shall be elected in accordance with Article V of these Bylaws, and the Members shall transact such other business as may properly come before the meeting.

Section 4.4 Substitute Annual Meetings: If an Annual Meeting is not held on the day designated by these Bylaws, a Substitute Annual Meeting may be called in accordance with the provisions of Sections 4.5 and 4.6. A meeting so called shall be designated and treated for all purposes as the Annual Meeting.

Section 4.5 Special Meetings: After the first Annual Meeting of the Members, Special Meetings of the Members may be called at any time by the President, by Owners having ten percent (10%) of the votes of the Association, by a majority of the Board, or as permitted by law. Business to be acted upon at all Special Meetings shall be confined to the subjects stated in the notice of such meeting.

Section 4.6 Notices of Meetings: Written or printed notice stating the time and place of a Membership meeting, including Annual Meetings, and the items on the agenda, including the general nature of any proposed amendment to the Declaration or these Bylaws, any budget

changes, and any proposal to remove a director or officer, shall be delivered not less than ten (10) nor more than sixty (60) days before the date of any such Membership meeting, by or at the direction of the President or the Secretary, either by hand delivery or by mail, to the mailing address of each Lot or to any other mailing address designated in writing by an Owner. Notice given to any one tenant in common, tenant by entirety or other joint Owner of a Lot shall be deemed notice to all Owners of the subject Lot. Notice of any Special Meeting shall specifically state the purpose or purposes for which the meeting is called.

Section 4.7 Quorum: Except as otherwise expressly required in these Bylaws, the presence in person or by proxy of Members entitled to cast thirty percent (30%) of the votes which may be cast, shall constitute a quorum at all meetings of the Members. If a quorum is not present or represented at any meeting, the Members entitled to vote shall have the power to adjourn the meeting to another date and time without having to give notice other than the announcement of the new date and time of the meeting. At a subsequent meeting held due to the lack of a quorum then the presence in person or by proxy of Members entitled to cast twenty percent (20%) of the votes which may be cast, shall constitute a quorum at that meeting of the Members. If a quorum is still not present or represented at that meeting then, the Members entitled to vote shall have the power to adjourn the meeting to another date and time, without notice other than the announcement at that meeting of the new date and time of the meeting. At a subsequent meeting held due to a continued lack of a quorum then the presence in person or by proxy of Members entitled to cast fifteen (15%) of the votes which may be cast, shall constitute a quorum at that meeting of the Members. If a quorum is still not present or represented at that meeting then, the Members entitled to vote shall have the power to adjourn the meeting to another date and time, without notice other than the announcement at that meeting of the new date and time of the meeting. At a subsequent meeting held due to a continued lack of a quorum then a majority vote of those votes present in person or by proxy shall constitute a quorum at that meeting of the Members. The Members at any meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum in attendance.

Section 4.8 Voting Rights: The voting rights of Members in the Association shall be as set forth in the Declaration. If fee simple title to a Lot is owned of record by more than one person or entity, all such persons or entities shall be Members of the Association, but the vote with respect to any such jointly owned Lot shall be cast as hereinafter provided.

In no event may the vote which may cast with respect to any Lot be divided among joint Owners of the Lot or cast in any manner other than as a whole, it being the intention of this Section 4.8 that there be no "splitting" of votes that may be cast by any Member or Members.

Section 4.9 Proxies: Members may vote either in person or by agents duly authorized by written proxy executed by the subject Member or by his duly authorized attorney-in-fact. A proxy is not valid after the earlier of the term stated therein or the expiration of eleven (11) months from the date of its execution. In order to be effective, all proxies must be dated and filed with the Secretary or duly acting Secretary either during or prior to the meeting in question. A Member may not revoke a proxy given pursuant to this Section 4.9 except by actual notice of

revocation delivered to the person presiding over a meeting of the Association. The proxy of any Owner will automatically terminate on conveyance by such Owner of his or her lot.

Section 4.10 Majority Vote: The cast of a majority of the votes represented at a meeting at which a quorum is present, in person or by proxy, shall be binding for all purposes except where a different percentage vote is required by these Bylaws, the Declaration, the Certificate of Formation of the Association, or by law.

Section 4.11 Actions By Written Ballots: Any action which may be taken at a meeting of the Membership may be taken without a meeting by written ballot.

Article V Board

Section 5.1 General Powers: The business and affairs of the Association shall be managed by the Board or by such committees as the Board may establish pursuant to Article VI of these Bylaws. Provided, however, the Board may not act on behalf of the Association to amend the Declaration, to terminate the planned community, to elect Members of the Board, or to determine the qualifications, powers and duties, or terms of office of Board Members. The Board may, however, fill vacancies in its Membership for the unexpired portion of any term.

Section 5.2 Number, Term, and Qualifications: The initial Board shall consist of the three (3) individuals appointed by the Developer and who need not be Members. The Board members appointed by the Developer need not be Owners in the Subdivision. On or before the 120th day after the date seventy five percent (75%) of the lots that may be created and made subject to the Declaration are conveyed to Owners other than Developer, at least one-third of the Board Members must be elected by Owners other than the Developer. After all of the lots are sold then the Board shall consist of not less than three (3) but no more than five (5) directors. Within these limits, the Board may change the number of directors. No decrease in the number of directors may shorten the current term of a director. The directors, after the Developer transfers control, shall be elected by the Members. Directors after Developer transfers control shall be elected to staggered terms. Board members may succeed themselves in office.

Section 5.3 Election of Board Members: Subject to the right of the Developer to appoint Directors as provided in Section 5.2, the election of all Board Members shall be by ballot. Persons receiving the highest number of votes (see Section 4.8) shall be elected. Cumulative voting is not permitted.

Section 5.4 Removal: Any Board Member, other than a Member appointed by the Developer, may be removed from the Board, with or without cause, by a vote of at least sixty-seven percent (67%) of the votes entitled to be cast by all Members present and entitled to vote at any meeting of the Membership at which a quorum is present; provided, the notice of the meeting must state the purpose, or one of the purposes, of the meeting is removal of the Board Member. Board Members appointed by the Developer may only be removed by the Developer and can be removed with or without cause. If any Board Members are so removed, their successors as Board Members may be elected by the Developer or the Membership at the same

meeting to fill the unexpired terms of the Board Members so removed as provided in Section 5.3.

Section 5.5 Vacancies: A vacancy occurring in the Board may be filled by a majority of the remaining Board Members, though less than a quorum, or by the sole remaining Board Member; provided, however, a vacancy created by an increase in the authorized number of Board Members shall be filled only by election at an Annual or substitute Annual Meeting or at a Special Meeting of Members called for that purpose. The Members may elect a Board Member at any time to fill any vacancy not filled by the Board Members. As provided in Section 5.4, the Developer or the Membership shall have the first right to fill any vacancy created by the Developer or the Membership's removal of a Board Member by electing a replacement at the meeting where the removal occurs.

Section 5.6 Chairman: A Member of the Board shall be elected as Chairman of the Board by the Board Members at the first meeting of the Board. The Chairman shall preside at all meetings of the Board and perform such other duties as may be directed by the Board. Prior to election of a Chairman and/or in the event that the Chairman is not present at any meeting of the Board, the President shall preside.

Section 5.7 Compensation: No Member of the Board shall receive any compensation from the Association for acting as such. Provided, however, each Board Member shall be reimbursed for reasonable out-of-pocket expenses incurred and paid by him on behalf of the Association, and nothing herein shall prohibit the Board from reasonably compensating a Board Member for unusual and extraordinary services which are beyond services usually and customarily provided by Board Members. Further provided, each Board Member, by assuming office, waives his right to institute suit against or make claim upon the Association for compensation based upon service as a Board Member.

Section 5.8 Loan to Board Members and Officers: No loans shall be made by the Association to its Board Members or officers. The Board Members who vote for or assent to the making of a loan to a Board Member or officer of the Association, and any officer or officers participating in the making of such loan, shall be jointly and severally liable to the Association for the amount of such loan until the repayment thereof.

Section 5.9 Liability of Board Members: To the extent permitted by the provisions of the Act in effect at the applicable time, each Board Member is hereby indemnified by the Association with respect to any liability and expense of litigation arising out of his activities as a Board Member. Such indemnity shall be subject to approval by the Members only when such approval is required by the Act.

Section 5.10 Meetings of the Board:

A. Regular Meeting: Regular Meetings may be held, without notice, at such hour and address as may be fixed from time to time by resolution of the Board.

B. Special Meetings: Special Meetings shall be held when called by the Chairman of the Board, the President of the Association, or by a majority of the Board Members

upon written notice sent to each Board Member by any usual means of communication not less than five (5) days before the meeting.

C. Waiver of Notice: The notice provided for herein may be waived by written instrument signed by those Board Members who do not receive said notice. Attendance by a Board Member at a meeting shall constitute a waiver of notice of such meeting unless the subject Board Member at the beginning of the meeting (or promptly upon his arrival) objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

D. Meeting Place: The Board may hold Regular or Special Meetings in or out of the State of Texas.

E. Quorum: A majority of the Board Members then holding office shall constitute a quorum for the transaction of business and every act or decision done or made by a majority of the Board Members present at a duly held meeting at which a quorum is present, in person or by teleconference, shall be regarded as the act or decision of the Board.

Section 5.11 Action Without Meeting: The Board Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Board Members. Any action so approved shall have the same effect as though taken at a meeting of the Board. Said written approval shall be filed with the minutes of the proceedings of the Board, whether done before or after the action so taken.

Section 5.12 Presumption of Assent: A Board Member who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his contrary vote is recorded or his dissent is otherwise entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Board Member who voted in favor of such action.

Section 5.13 Powers of the Board: The Board shall have the authority to exercise all powers of the Association necessary for the administration of the affairs of the Subdivision except such powers and duties as by law or by Governing Documents may not be delegated by the Members to the board. Section 9.6 Assessments: As more fully provided in the Declaration, each Member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien on the property against which such assessments are made. Any assessments which are not paid when due, are considered delinquent. If an assessment is not paid within thirty (30) days after the due date, the assessment bears interest from the date of delinquency at the maximum rate allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien against his or her property. Interest, costs, and reasonable attorney fees of any such action will be added to the amount of any assessment due. No Owner may waive or otherwise escape liability for assessments by nonuse of the Common Area or abandonment of his or her lot.

Section 9.7 Conflict: In the case of any conflict between the Certificate of Formation and these Bylaws, the Articles will control. In the case of any conflict between the Declaration and these Bylaws, the Declaration will control.

3.28 Prohibited Activities and Nuisance. No activity (including the operation of a bed and breakfast or similar activity) whether for profit or not, shall be conducted on any Tract which is not related to the occupation of a Tract for single family residential purposes, unless said activity meets the following criteria: (a) no exterior sign of the activity is present, (b) no additional traffic is created as a result of the activity, and (c) no toxic substances (as determined at the sole discretion of the Association) are stored on the Tract. Nothing herein shall prohibit the use of home offices in compliance with the preceding subsections (a), (b) and (c). This restriction is waived in regard to the customary sales activities required to sell homes in the Subdivision. No activity which constitutes a nuisance or annoyance shall occur on any Tract. The Association shall have the sole and absolute discretion to determine what constitutes a nuisance or annoyance. All exterior lighting must be approved by the Developer or, after the Control Transfer Date, the ACC. The Developer or ACC has the sole discretion to reject any exterior lighting, as it is the intent of these restrictions that exterior lighting be installed so that there is down lighting.

3.29 Garbage and Trash Disposal. No Tract shall be used to maintain as a dumping ground for rubbish, landscape trimmings, or other debris. All Tracts shall be kept in a neat and orderly condition. No refrigerators, freezers, washing machines, dryers, furniture, tools, equipment, toys, or other such items shall be stored outside of a building on any Tract. No junk of any kind or character shall be kept on any Tract. Trash, garbage, landscape trimmings, or other debris shall not be allowed to accumulate on any Tract. Any such items shall be kept in sanitary containers and shall be disposed of regularly in accordance with all applicable laws, rules and regulations. All equipment for the storage or disposal of trash and other debris shall be kept in a clean and sanitary condition. Except on established garbage collection days and in connection solely with that collection process, all trash containers shall be stored in enclosed structures or

screened from view from the Road. Controlled burn piles which are concealed from public view are permitted in accordance with applicable laws, rules, and regulations.

3.30 Unregistered or Junked Motor Vehicles Prohibited. No Tract shall be used as a depository for abandoned, junked or unregistered motor vehicles, boats, airplanes, trailers or other similar items.

3.31 Signs. No signs, advertising, billboards or advertising structure of any kind may be erected or maintained on any Tract without the consent in writing of the Architectural Control Committee or Developer (prior to the transfer control date). Political signs for a political candidate or ballot item for election, as set forth in the Texas Property Code §202.009, may be displayed on a Lot but can only be displayed on or after the 90th day before the date of the election to which the sign relates and must be removed 11 days after the election. The sign must be ground mounted, 2'x 3' in size and a Lot Owner may only display one sign for each candidate or ballot item. In addition to other signs which may be allowed by the Architectural Control Committee or Developer (prior to the transfer control date), the Architectural Control Committee or Developer (prior to the transfer control date) shall allow one (1) professionally made sign not more than twenty-four inches (24") by thirty inches (30") advertising Owner's Tract for sale or rent and one (1) professionally made sign, not more than twelve inches (12") by twenty-four inches (24") identifying the name of the Tract Owner. The term "professionally made sign" does not include plastic or metal pre-made "for sale" or "for rent" signs. No signs shall be nailed to a tree. Signs erected on any vacant Tract advertising "for sale" shall not be permitted during the Developer's control of the Subdivision.

3.32 Animal Husbandry. Domestic livestock and exotic animals shall be allowed only on Tracts 10 acres or larger, so long as such animals do not exceed one (1) animal for every two (2) fenced acres and do not become a nuisance or threat to other Owners. The Association shall have the sole discretion in determining if any animal is a nuisance and make regulations on banning such animal. Pigs, hogs and peacocks are not allowed on any Tract.

Chickens shall only be allowed so long as such birds are kept in a coup and do not exceed ten (10) birds per Tract. Regardless of lot size, coups must be preapproved by the ACC in writing to ensure they are screened from view from the road and or any other Tract in Subdivision.

Dogs, cats or other common household pets may be kept on a Tract. Dogs will not be permitted to run loose in the Subdivision. Dogs and cats must be vaccinated for rabies and other diseases required by applicable laws, rules and regulations and shall be licensed or registered as may be required by applicable laws, rules and regulations.

All animals being raised by the individual Tract Owners must be kept in a fenced area on the Owner's Tract. No overgrazing is permitted on any portion of the Tract as determined by the sole discretion of the Association. No feedlots for any type of animal shall be permitted.

3.33 Mineral Development. No Owner shall be allowed to permit on their own behalf, commercial drilling, mineral development operations, mineral refining, quarrying, mining or water operation of any kind in, on or under any Tract owned by such lot owner.

3.34 Drainage. Natural established drainage patterns for drainage will not be impaired by any Tract Owner. Driveway culverts must be installed and shall be of sufficient size to afford proper drainage of ditches without allowing water to pool, back up or be diverted from its natural course. Drainage culvert installation is subject to the inspection and approval of the Architectural Control Committee or Developer (prior to the transfer control date) and shall comply with any applicable governmental rules and regulations. All water retainage structures (ponds, dams and other facilities) not already existing within the Subdivision must be reviewed and approved by the Architectural Control Committee or Developer (prior to the transfer control date) prior to construction and must comply with all governmental rules and regulations.

3.35 Re-plating and Subdividing. No Tract may be subdivided into smaller tracts.

3.36 Maintenance and Landscaping of Lots. It shall be the responsibility of each Owner to prevent the development of any unclean, unsightly, or unkempt condition of buildings or grounds on such Tract which would tend to substantially decrease the beauty of the neighborhood as a whole or the specific area. Each Owner shall be required to landscape the area around his home. Occupancy prior to completion of landscaping shall require the written approval of the ACC, shall be for good cause only, and shall be no earlier than one hundred twenty days prior to completion of landscaping.

This Section shall not apply to the Developer, and it may not be amended without the written consent of the Developer or the ACC. It is the intent of this restriction that no private water wells or individual drinking water supply systems shall be allowed upon any Lot within the Subdivision. All lots shall be connected to the Subdivision Central Water System for their primary water needs. Such lot connections shall comply with all Federal, State, and Local Rules, Regulations, and Ordinances and shall further comply with the Rules and Regulations of the Central Water Supply System for the Subdivision. ARTICLE IV

ARCHITECTURAL CONTROL COMMITTEE

4.01 Basic Control & Applications.

- (a) No Improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made to the exterior design or appearance of any

Improvement, without first obtaining the Architectural Control Committee's or Developer's (prior to the transfer control date) approval. No demolition or destruction of any Improvement by voluntary action shall be made without first obtaining the Architectural Control Committee's or Developer's (prior to the transfer control date) approval.

- (b) Each application made to the Architectural Control Committee or Developer (prior to the transfer control date) for approval, shall contain an application in the form specified by the Architectural Control Committee or Developer (prior to the transfer control date), two sets of professionally drawn Plans and Specifications for all proposed Improvements, showing the location of all Improvements in the Tract, and any applicable fees or deposits together with such other reasonable necessary information as the Architectural Control Committee or Developer (prior to the transfer control date) shall request. These plans must be submitted in PDF format to the Developer, or after the Control Transfer Date, to the ACC. A non-refundable fee of \$250.00 is required at time of plan submittal to cover administrative costs involving the home plan approval process.

4.02 Architectural Control Committee.

- (a) All ACC authority is initially vested in the Developer. The ACC authority of the Developer shall cease upon the appointment of a three (3) member Architectural Control Committee by the developer. The Developer shall continue to have ACC authority as to any Plans and Specifications or Construction projects submitted to the Developer prior to the initial appointment of the ACC members.
- (b) After the initial members of the ACC are appointed by the Developer, the Developer shall cause an instrument transferring ACC authority to the Association to be recorded in the Official Public Records of Real Property, Gillespie County, Texas. Subsequent appointments of the ACC members shall be by the Board of Directors. The ACC members shall serve staggered terms with the first term ending on the date of the next succeeding annual meeting of Members following the Control Transfer Date. After the Control Transfer Date, each Member of the ACC must be an Owner of a Tract in the Subdivision.

4.03 Effect of Inaction. All approvals or disapprovals issued by the ACC shall be in writing. In the event the ACC fails to approve or disapprove any request received by it in compliance with the Article IV within thirty (30) days following the submission of a completed application and full compliance with the declarations set out herein, such request shall be deemed approved and the construction of any Improvements may commence in accordance with the Plans and Specifications submitted for approval. Any ACC approval obtained as a result of inaction by the ACC shall not authorize the construction of any Improvement in violation of these Restrictions.

4.04 Effect of Approval. The granting of an ACC approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the ACC that the proposed Improvement to be erected complies with these Restrictions; and such approval shall not prevent the Association from requiring removal of any Improvement which fails to comply with these Restrictions. Further, no ACC member shall incur any liability by reason of the good faith exercise

of the authority granted hereunder.

4.05 Variance. The ACC or the Developer, may on a case by case basis, authorize variances from the requirements of the Restrictions if, in the reasonable opinion of the ACC or the Developer, the Restrictions unreasonably restrain the development of a Tract in accordance with the general scheme of the Subdivision. The developer will retain the right to grant variances after the Control Transfer Date so long as the Developer continues to own Tracts in the Subdivision. All variances shall be in writing and signed by the Developer or if granted by the ACC then it must be signed by at least two (2) members of the ACC. No violation of these Restrictions shall be deemed to have occurred with respect to any matter for which a variance is granted. The granting of such a variance shall not operate to waive any of the terms and provisions of these Restrictions for any purpose except as to the particular Lot and improvements and the particular provision covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of the Owner's Lot.

4.06 Construction Deposit. A deposit of \$1,000.00 must be paid at the time Plans and Specifications are submitted for the construction of a new residence, barn, workshop or storage building. This deposit will be held for the purpose of securing a Tract Owner's performance, during the construction process, of the obligations imposed by these Restrictions, for wear and tear on the Subdivision roads by construction equipment and construction traffic, and for damage to the Common Areas. Upon completion of construction, the Tract Owner will be refunded the deposit less any obligations incurred as a result of any uncured violation of these Restrictions, any damage to the roads of the Subdivision and any damage to the Common Areas.

ARTICLE V

VINEYARD RIDGE PROPERTY OWNERS' ASSOCIATION, INC.

5.01 Non-Profit Corporation. Vineyard Ridge Property Owners' Association, Inc., a non-profit corporation, has been (or will be) organized and it shall be governed by the Certificate of Formation and Bylaws of said Association; and all duties, obligations, benefits, liens and rights hereunder in favor of the Association shall vest in said corporation.

5.02 Bylaws. The Association has adopted, or may adopt, whatever Bylaws it may choose to govern the organization and operation of the Association, provided that the same are not in conflict with the terms and provisions hereof.

5.03 Membership. Every person or entity who is a record Owner of any Tract shall be a "Member" of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation or those only having an interest in the mineral estate. Memberships shall be appurtenant to and may not be separated from the Tracts. Regardless of the number of persons who may own a Tract, there shall be but one membership for each Tract and one (1) vote for each Tract. Ownership of the Tracts shall be the sole qualification for Membership.

5.04 Voting Rights. The Association shall have two classes of voting memberships. Developer shall be entitled to ten (10) votes for each Lot owned. Each Tract, other than those

owned by the Developer, shall have only one vote regardless of the number of Owners of the Tract. In the event that more than one person owns a Tract and the group of Owners do not have a unified vote for purposes hereunder, then the Association shall not recognize the vote for that Tract and such vote shall not be counted when the calculating membership votes. Notwithstanding the foregoing, the presence of any Owner of a Tract at a meeting of Members permits the inclusion of the Tract represented when calculating any necessary quorum.

ARTICLE VI

ASSESSMENTS

6.01 Assessments. Each Tract Owner by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association the Assessments provided herein. The Assessments shall be a charge on the Tracts and shall be a continuing lien upon the Tract against which each such Assessment is made. Both Annual and Special Assessments must be fixed at a uniform rate for all Tracts subject to assessment and may be collected on a monthly basis or on an annual basis at the discretion of the Board of Directors.

6.02 Annual Assessment.

- (a) An Annual Assessment shall be paid by each of the Tract Owners and the Annual Assessment shall be used to pay all reasonable and necessary operating expenses and reserve requirements of the Association as herein provided. The Annual Assessment for the year of purchase shall be pro-rated as of the purchase date and then shall be paid annually.
- (b) The initial amount of the Annual Assessment applicable to Lots 1 – 7 and 117 – 123 shall be three hundred dollars (\$300.00) per Tract. The initial amount of the Annual Assessment applicable to all other Lots in the Subdivision shall be six hundred dollars (\$600.00) per Tract. The Annual Assessment is payable in advance and is due on the thirty first (31) day of January during each calendar year. All other matters relating to the collection, expenditure and administration of the Annual Assessment shall be determined by the Board of Directors of the Association, subject to the provisions hereof.
- (c) The Board of Directors of the Association, from and after the Control Transfer Date, shall have the further right at any time to adjust, alter, increase or decrease the Annual Assessment from year to year as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association and to enable the Association to carry out its duties hereunder. However, the Board of Directors shall not increase the Annual Assessment by more than ten percent (10%) from the previous year without the affirmative Vote of the Members.

6.03 Special Assessments. In addition to the Annual Assessment, the Association, upon the Vote of the Members, may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted.

6.04 Interest of Assessment. Any Assessment which is not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law.

6.05 Creation of Lien and Personal Obligation. In order to secure the payment of the Assessments, each Owner of a Tract hereby grants the Association a contractual lien on such Tract which may be foreclosed by non-judicial foreclosure, pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said section 51.002 of the Texas Property Code, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the association by means of written instrument executed by the President or any Vice-President of the Association and filed of record in the Official Public Records of Real Property of Gillespie County, Texas. In the event the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Tract to the highest bidder for cash by Trustee's Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with collecting the Assessments and foreclosing on the Tract, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount of the Assessment in default; and third, the remaining balance shall be paid to the Tract Owner or Lien Holder for the benefit of the Tract Owner. Following any such foreclosure, each occupant of a Tract which is foreclosed upon shall be deemed a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action for forcible detainer.

In the event of non-payment by any Owner of any Assessment or other charge, fee, assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, exercise all other rights and remedies available at law or in equity, including but not limited to bringing an action at law against the Owner personally obligated to pay the same.

It is the intent of the Provisions of this 6.05 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale. In the event of the amendment of Section 51.002 of the Texas Property Code, the Association, acting without joinder of any Owner or Mortgagee, may, by amendment to these Restrictions, file any required amendments to these Restrictions so as to comply with said amendments to Section 51.002 of the Texas Property Code or any other statute applicable to foreclosures.

Notwithstanding anything contained this Article VI, all notices and procedures relating to foreclosures shall comply with Chapter 209 of the Texas Property Code.

6.06 Notice of Lien. In addition to the right of the Association to enforce the Assessment, the Association may file a claim of lien against the Tract of the delinquent Owner by recording a Notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have been accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed, and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Association to cover the preparation and recordation of such release of lien instrument.

6.07 Liens Subordinate to Mortgages. The lien described in this Article VI shall be deemed subordinate to any lien in favor of any bank, mortgage company, real estate lending establishment, financial institution, insurance company, savings and loan association, or any other third party lender, including the Developer, who may have advanced funds, in good faith, to any Tract Owner for the purchase, improvement, equity lending, renewal, extension, rearrangement or refinancing of any lien secured by a Tract, provided that any such lien holder has made due inquiry as to the payment of any required assessments at the time the lien is recorded. Any consensual lien holder who obtains title to any Tract pursuant to the remedies provided in a deed of trust or mortgage or by judicial foreclosure shall take title of the Tract free and clear of any claims for unpaid assessments or other charges against said Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Assessments or other charges or assessments thereafter becoming due. Any other sale or transfer of a Tract shall not affect the Association's lien for Assessments or other charges or assessments. The Association shall make a good faith effort to give each such mortgage sixty (60) days advance written notice of the Association's foreclosure of an Assessment lien, which notice shall be sent to the nearest office of such mortgage by prepaid United State registered or certified mail, return receipt requested, and shall contain a statement of delinquent Assessment or other charges or assessments upon which the said action is based, provided however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

6.08 Purpose of the Assessments. The Annual Assessments and Special Assessments shall be used exclusively for the purpose of promoting the health, safety, security and welfare of the Subdivision and the maintenance of the Common Areas. In particular, the Assessments shall be used for any Improvement or services in furtherance of these purposes and the performance of the Association's duties described herein, including the maintenance of any drainage easements, Common Areas, Common Area Expenses, the enforcement of these Restrictions and the establishment and maintenance of reserve funds. The Assessments may be used by the Association for any purpose which, in the judgment of the Association's Board of Directors, is necessary or desirable to maintain the property value of the Subdivision, including but not limited to, providing funds to pay all taxes, insurance, repairs, utilities and any other expense incurred by the Association. Except for the Association's use of the Assessments to perform its duties as described

in these Restrictions, the use of the Assessments for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Board of Directors as to the expenditure of Assessments shall be final and conclusive so long as such judgment is exercised in good faith.

6.09 Handling of Assessments. The collection and management of the Assessment shall be performed by the Developer until the Transfer Control Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer, and upon transfer, the Association, shall maintain a separate account for these funds.

6.10 Developer Exemption. In consideration of the Subdivision infrastructure, the Developer shall be exempt from the payment of all Assessments.

ARTICLE VII

DEVELOPER'S RIGHTS AND RESERVATIONS

7.01 Period of Developer's Rights and Reservations. Developer shall have, retain and reserve certain rights as set forth in these Restrictions with respect to the Association from the date hereof, until the earlier of the date the Developer gives written notice to the Association of Developer's termination of the rights described in this Article VII or the Control Transfer Date. Notwithstanding the foregoing, the Developer rights set forth in Sections 7.02 and 7.03 shall not be released until such time as a document relinquishing said rights is filed of record or the Developer no longer holds record title to any Tracts in the Subdivision. The rights and reservations hereinafter set forth shall be deemed accepted and reserved in each conveyance by the Developer whether or not specifically stated therein. The rights, reservations and easements set forth herein shall be prior and superior to any other provisions of these Restrictions and may not, without Developer's prior written consent, be modified, amended, rescinded or affected by any amendment to these Restrictions. Developer's consent to any amendment shall not be construed as consent to any other amendment.

7.02 Developer's Rights to Grant and Create Easements. Developer shall have and hereby reserves the right, without the consent of any Owner or the Association, to grant or create temporary or permanent easements throughout the Subdivision, for ingress, egress, utilities, cable and satellite television systems, communication and security systems, drainage, water and other purposes incidental to the development, sale, operation and maintenance of the Subdivision. The rights reserved to the Developer under this Section 7.02 apply to the entire Subdivision, including Tracts previously sold by the developer.

7.03 Developer's Rights to Convey Common Areas to the Association. Developer shall have and hereby reserves the right, but shall not be obligated to, convey real property and improvements thereon, if any, to the Association for use as Common Areas at any time and from time to time in accordance with these Restrictions, without the consent of any other Owner or Association.

7.04 Annexation of Additional Areas. Developer may cause additional real property to be annexed into Subdivision, by causing a written Annexation Declaration confirming the

annexation thereof, to be recorded in the Official Public Records of Real Property of Gillespie County, Texas. No consent shall be required of the Association or any Member thereof, each Owner being deemed to have appointed the Developer as his agent and attorney-in fact to effect this Annexation, which power hereby granted to the Developer is and shall be a power coupled with any interest. Thereafter, the Association shall be the Association for the entirety of the Development, including the annexed property.

7.05 Developer Control of Association and ACC. Until such time Developer elects to establish the Association and the ACC all authority and powers reserved to the Association, the Board of Directors or the ACC shall be held and exercised by the Developer. The Developer may elect to transfer control of the Association or the ACC at the same time or at different times in which case the Control Transfer Date may be different for the Association and the ACC. The initial Board of Directors of the Association, made up of Owners, shall be designated by the Developer.

ARTICLE XIII

DUTIES AND POWERS OF THE PROPERTY OWNERS ASSOCIATION

8.01 General Duties and Powers of the Association. The Association has been formed to further the common interest of the Members. The Association, acting through the Board of Directors or through persons to whom the Board of Directors has designated such powers (and subject to the provisions of the bylaws), shall have the duties and powers hereinafter set forth and, in general, the power to do anything that may be necessary or desirable to further the common interest of the Members and to improve and enhance the attractiveness, desirability and safety of the Subdivision. The Board of Directors shall minimally be composed of three individuals with the titles of President, Vice-President, and Secretary/Treasurer.

8.02 Duty to Accept the Property and Facilities Transferred by Developer. The Association shall accept title to any real property, improvements to real property, personal property and any related equipment which the Developer transfers to the Association, together with the responsibility to perform any all maintenance and administrative functions associated therewith, provided that such property and responsibilities are not inconsistent with the terms of these Restrictions. Property interest transferred to the Association by the Developer may include fee simple title, easements, leasehold interests and licenses to use such property. Any property or interest in property transferred to the Association by the Developer shall, except to the extent otherwise specifically approved by resolution of the Board of Directors, be transferred to the Association free and clear of all liens and mortgages (other than the lien for property taxes and assessments not then due and payable), but shall be subject to the terms of any declaration of covenants, conditions and restriction or easements set forth in the transfer instrument. Except as otherwise specifically approved by resolution of the board of Directors, no property or instrument transferred to the Association by the Developer shall impose upon the Association any obligation to make monetary payments to the developer or any affiliate of the developer including, but not limited to, any purchase price, rent charge or fee.

8.03 Other Insurance Bonds. The Association shall obtain such insurance as may be deemed necessary or desirable by the Board or by law, including but not limited to, comprehensive liability and casualty insurance, worker's compensation insurance, fidelity and indemnity

The Association shall strive to deliver the annual budget and the Annual Assessment invoice at least thirty (30) days before the start of each calendar year.

8.05 Duty to Levy and Collect Assessments. The Association shall levy, collect and enforce the Assessments as provided in these Restrictions.

The Association may construct improvements on the Subdivision property and may demolish any existing improvements.

8.09 Power to Adopt Rules and Regulation. The Association shall have the power to make reasonable rules and regulations regarding the use of the Common Areas. The rules and regulations may be enforced in the same manner as any other provision of the Restrictions.

8.10 Enforcement of Restrictions. The Association (or any Owner if the Association fails to do so after reasonable written notice) shall enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter. If it becomes necessary for any Owner or the Association to file a Court action to enforce these Restrictions, the defaulting Owner shall be liable for all reasonable attorney's fees and costs incurred by the enforcing Owner or the Association to obtain compliance by the defaulting Owner. The defaulting Owner shall be liable for all damages suffered by the enforcing Owner or the Association which shall be in an amount established by the Court.

- (b) Assess a charge of \$50.00 per day against any Owner and/or his Tract until the violating condition is corrected. The Violation charge may be increased by the Association in accordance with increases in the National Consumer Price Index using 2017 as a base year. Failure to pay such assessment by the violating Owner within ten (10) days from receipt of assessment will result in a lien against the Tract with the same force and effect as the lien for Annual or Special assessments;
- (c) File suit in order to enforce the above remedies and/or pursue any other remedy which may be available at law or in equity;

After a Tract Owner receives a written notice of a violation of these Restrictions, the violating Tract Owner shall not be entitled to any further notice of the same violation if it occurs within a six (6) month period. The Association reserves the easement across each Owner's Tract for the purpose of correcting or removing conditions in violation of these Restrictions, and in doing so, shall have no liability for trespass or other tort in connection therewith, or arising from such correction or removal of a violating condition. The Association shall further have the right to have any vehicle or other property stored or used in violation of these Restrictions removed from the Owner's Tract at the expense of the Owner and stored at the expense of the Owner.

8.12 Authority to Combine ACC and Board. In order to efficiently manage the Association, and to perform the duties of the Association, the Association may elect to combine the duties of the Board of Directors and the duties of the ACC into one body to be known as the ACC/ Board.

ARTICLE IX

 § **FOR THE RANCHES AT VINEYARD RIDGE**
COUNTY OF GILLESPIE § **PROPERTY OWNERS' ASSOCIATION, INC.**

**RESOLUTION OF THE BOARD OF DIRECTORS OF

REGARDING PAYMENT PLAN POLICY**

Pursuant to Section 209.0062 of the Texas Property Code, Vineyard Ridge Property Owners' Association, Inc., hereinafter referred to as the "Association", acting by and through its Board of Directors, has adopted the following alternative payment policy to set forth guidelines for a payment plan of assessments and fees, to wit:

WHEREAS, the Association is required under Texas Property Code §209.0062 to create and record an alternative payment schedule for the Association governing Vineyard Ridge Subdivision located in Gillespie County, Texas in order to establish an alternative payment schedule by which an owner may make partial payments to the property owners' association for delinquent regular or special assessments or any other amount owed to the association without accruing additional monetary penalties; and

WHEREAS, the Association has adopted the following alternative payment plan for all Association dues and fees;

WHEREAS, all terms used herein shall have the same meaning as set forth in the Declaration of Covenants, Conditions, Restrictions, Easements, Charges, and Liens for Vineyard Ridge Subdivision, filed in the Official Records of Gillespie County, Texas, hereinafter referred to as the "Declaration".

NOW THEREFORE, the Association declares that the following is the alternative payment plan adopted:

1. The Due Date for all Annual Assessment Fees shall be January 1st of each year. The Due Date for all Special Assessments shall be 30 days after an Owner receives notice of the Special Assessment. The due date for all other charges shall be the last day of the month in which the invoice or statement is dated unless otherwise specified in this document.

2. All documents, correspondence, invoices, statements, and notices relating to the charges shall be mailed to the Owner's address which appears on the books of the Association or to such other address as designated in writing by the Owner.

3. All payment plans must be in writing, signed by one or more Owners of the property associated with the delinquent balance, approved by the signature of the President of the Association or the Association Manager, and provide that the Owner shall pay future assessments when due, in addition to any arrearage payment due under a payment plan.

4. No monetary penalties shall accrue on balances while a payment plan is in effect,

but reasonable cost associated with administering the plan and interest shall continue to accrue. Monetary penalties do not include reasonable costs associated with administering the payment plan or interest.

5. Any qualified Owner who owes a delinquent balance of \$500.00 or less shall be allowed, without deliberation by the Board, to pay the balance in three equal consecutive monthly installments, with the first payment due within the first thirty-day period following the approval of the payment plan.

6. Any qualified Owner who owes a delinquent balance of more than \$500.00 shall be allowed, without deliberation by the Board, to pay the balance by paying twenty-five percent of the balance during the first thirty-day period following the approval of the payment plan, with the remaining delinquent balance to be paid in five equal consecutive monthly installments.

7. Any Owner may submit a request for a payment plan that does not meet the foregoing guidelines, along with whatever information they wish the Board to consider, and the Board may approve or disapprove such payment plan, in its sole discretion; however, no payment plan shall exceed eighteen months or be shorter than three months.

8. The Association reserves the right to refuse to offer a payment plan to an Owner during a two (2) year period following an Owner's default under a previous payment plan.

9. If an Owner who is not qualified to receive a payment plan asks for a payment plan, the Board shall be entitled to approve or disapprove a payment plan, in its sole discretion.

10. Payments will be posted by the Association staff in a timely manner. A payment received by the Association from the Owner shall be applied to the Owner's debt in the following order of priority:
