1. The Declarant shall assess initially, for each Lot, One Hundred Dollars (\$100.00) per year for the use, upkeep and maintenance of the rights-of-ways within Town Hill Ranches and the access right-of-way from Jersey Mountain Road, subject to any increase as provided hereinafter.

2. Any assessment made pursuant to this paragraph, including a late fee of Five Dollars (\$5.00), interest at the rate of ten percent (10%) per annum from the date of delinquency, and reasonable attorney's fees incurred in the collection thereof, shall constitute a lien on this property until paid. The lien is expressly inferior and subordinate to any mortgage liens presently or hereafter encumbering the property affected by these protective covenants. This assessment may not be increased by more than a percentage increase not greater than the Cost of Living Index (urban) as published by the Department of Interior, Bureau of Standards. The owner of each lot, by acceptance of a deed thereto, automatically becomes a member of the Town Hill Ranches Property Owners Association and is deemed to covenant and agree to pay One Hundred Dollars (\$100.00) per lot per year, beginning May 15, 1986, and to pay annually thereafter to the Property Owners Association, to be created as herein set forth, an amount determined by the positive vote of owners of at least two-thirds (2/3) of the lots in said subdivision as necessary for the purpose of maintaining (including the removal of snow and the repair and improvements of said roadways) the rights-of-ways and roadways shown on the subdivision plat, as the right-of-way from Jersey Mountain Road, across other real estate owned by adjoining land owners to said subdivision. During the spring of each year, beginning May 15, 1986, said Association shall notify each lot owner, in writing, as to the amount of the lot assessment which shall be due and payable by May 15, 1986. In the event of a resale of one or more parcels in said subdivision, the obligation shall become the obligation of the new owner(s).

If the owner of any Lot is in default in the payment of any assessments, including interest and costs of collection, in addition to any other means of collection, the Property Owners Association may bring an action at law against the owner personally obligated to pay same and may also sell the lot involved at a public auction after advertisement once a week for four (4) successive weeks, in a newspaper having general circulation in Hampshire County, and after thirty (30) days written notice mailed to the last known address of said owner. Cost of sale shall be paid from the proceeds of sale before the payment of amount involved.

In exchange for Declarant's agreement to maintain said roadways and rights-of-way until December 31, 1985, the Declarant shall be forever exempt from the payment of said annual assessments and road maintenance and common area assessment fees as to all lots now owned or hereafter acquired.

If any one owner owns two or more adjoining lots, only one assessment shall be payable so long as two or more adjoining are so owned, and only one house is built by said owner of said lots.
