ARTICLE II

MAINTENANCE FUND

Each residential lot shall be subject to an annual maintenance charge to be used for the purpose of maintenance, repair and installation of roads, bridges, paths, parks, parkways, vacant tracts, dams, and other purposes necessary or desirable in the opinion of the administrator of such fund to maintain or improve the property, or which it considers to be of general benefit to the owners or occupants of the property covered by these restrictions. Such fund may also be used for the purpose of enforcement of all covenants and restrictions of this section or subsequent sections of the Riverside Subdivision.

The Declarants shall collect and maintain control over the maintenance fund until eighty (80%) per cent of the above described 77.05 acres has been sold by deed or contract or for ten (10) years from date, whichever comes first, or at an earlier time if the Declarants so elect. At that time the administration of such funds shall be transferred to the Riverside Subdivision Owners Association consisting of all of the owners of residential lots in the Riverside Subdivision. The Association may incorporate under the laws of the State of Texas to facilitate the administration of its duties and functions. Each residential lot owner from all sections shall be a member of such Association and entitled to one (1) vote for each lot owned by deed or contract. Prior to incorporation the Association shall be governed by a Board of Directors consisting of three (3) property owners selected by the Declarants at such time as maintenance responsibility and authority is vested in the Association.

ARTICLE III

POWER AND DUTIES OF THE ASSOCIATION

At such time as maintenance responsibilities and authority is vested in the Riverside Subdivision Owners Association, it shall have the following powers and duties, whenever, in the exercise of

its discretion, it may deem them necessary and advisable;

(1) To enforce this Declaration either in its own name or in the name of any owner within the subdivision.

(2) To maintain, repair and replace all property owned by the Association, including roads, dams and other common facilities.

(3) To borrow money by and through the Board of Directors, providing the borrowing of funds is approved and sanctioned by a two-thirds (2/3) vote of the membership at a meeting called for the purpose of such determination.

(4) To construct improvements to common facilities or along common easements reserved for roadways and utilities.

(5) The Association shall have the right to expend its funds for the above-mentioned purposes and for such other purposes as said Association acting through its management committee may deem advisable for the general welfare of the property owners in the Riverside Subdivision.

ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

By purchase of a lot which is subject to these covenants, conditions, and restrictions, each member is deemed to covenant and agree to pay to the administrator of the maintenance fund annual assessments or charges. The maintenance charge shall be paid annually on the first day of January of each year in advance, the first payment to become due on January 1, next year after the owner acquires title either by deed or contract to the lot subject thereto. The maintenance charges which shall accrue from the date of acquisition of a lot to the next January 1 shall be paid at time of closing. The maintenance charge shall not accrue against any tract of which the legal and/or equitable title to which are vested in Declarants, notwithstanding that a tract may have been previously sold by a deed or contract and title thereto reverted back to Declarants. The initial maintenance charge shall be Twenty (\$20.00) Dollars per lot per year; however, the assessments may be increased or decreased at a uniform rate for all lots as deemed necessary by

the Declarants and, after the Association assumes administration of the funds responsibilities, by the Association pursuant to the rules and regulations of the Association. Interest on past due charges shall accrue at the rate of ten (10) per cent per annum from date of delinquency. The charges shall be secured by a Vendor's Lien on the lots subject to such charge, and the party charged with the responsibility of collecting and administering such funds shall be entitled to foreclose on such Vendor's Lien to insure payment of such maintenance charge in accordance with the provisions of law. The party charged with the responsibility of collecting and administering such funds shall also be entitled to bring an action at law against the owner personally obligated to pay the assessment, and the interest, costs and reasonable attorney's fees of any such action shall be recoverable or otherwise added to the amount of such assessment. Any Owner failing to pay the assessment shall also forfeit all right to use the property owned by the Association until such assessment has been paid. The specific remedies referred to herein shall not preclude the party charged with the responsibility of collecting and administering such funds from exercising any other remedies which may legally exist, and such remedies shall be considered as cumulative. The maintenance charge shall remain effective for a term of thirty (30) years from the date this Declaration is recorded, and shall automatically be extended thereafter for successive periods of five (5) years; provided, that the Association may revoke such maintenance charge as of the end of such 30 year period or at the end of any successive five (5) year period thereafter by executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the Office of the County Clerk, Kerr County, Texas. The party charged with the responsibility of administering the funds shall have the sole discretion as to how such money shall be used to comply with the provisions of this Declaration.

ARTICLE V

RIGHT OF MORTGAGEES

Any violation of any of the easements, agreements, restrictions,

reservations, or covenants contained herein shall not have the effect of impairing or affecting the rights of any mortgages, guarantor, or trustee under any mortgage or deed of trust outstanding against the lot, at the time that the easement, agreements, restrictions, reservations, or covenants are violated.

In the event that the party charged with the responsibility of administering the maintenance fund shall elect to effect collection of such past due amounts by foreclosure of the Vendor's Lien, or by execution under any judgment, then the lender or Mortgagee need not be made a party, but shall be given a written notice at least sixty (60) days prior to any such action of the intent to pursue the remedy, which notice shall state the sum or sums due and owing and shall be conclusively deemed delivered as of the date when such notice is deposited in the U. S. mails with postage prepaid for certified or registered mail with return receipt requested and addressed to lender or mortgagee at his or its last known address.

ARTICLE VI ENFORCEMENT

The covenants, reservations, easements and restrictions set out herein are for the benefit of the undersigned, their heirs, successors and assigns and equally for the benefit of any subsequent owner of a lot or lots in the Riverside Subdivision and his heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, and easements and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity, by any one or more of said parties.

ARTICLE VII OWNER'S EASEMENTS OF ENJOYMENT

Every owner shall have a right and easement of enjoyment in and

to the property owned by the Association, which right and easement shall be appurtenant to and pass with the title to every lot. Provided, however, such right and easement shall be subject to any restrictions established by the Association and its Management Committee, and each owner's use and enjoyment of the property owned by the Association shall not interfere with the rights and enjoyment of other owners to use and enjoy the same.

ARTICLE VIII

USE RESTRICTIONS

1. Non-Commercial Use of Lots. None of said lots, or the improvements erected thereon, shall be used for any purpose other than private single family residence with the usual and customary accessory buildings such as, but not limited to, garage, guest cottage and servants' quarter. No lot, or the improvements thereon, shall be used for any commercial purpose, except that nothing herein shall be construed to prevent an Owner from rendering professional services of a purely personal nature as long as such services do not attribute to the lot any appearance of a commercial or non-residential use.
2. Common Areas. The common areas owned or controlled by the Association shall be maintained and governed by the Association in a manner consistent with the purpose of the Association as set forth in the By-Laws and in conformity with the terms and provisions hereof.

No construction may begin until a plot

plan and plans and specifications have been approved by the Committee. If approval is granted construction shall be commenced within eight (8) months thereafter, and if not, such approval shall be automatically withdrawn. The building of any approved structure must be completed within eight (8) months of commencement of construction. The Committee shall designate the streets and roads onto which access from each lot must be located and no other access shall be permitted. Construction plans and specifications shall, as a minimum, include plans of all floors and levels involved together with elevations of all sides of the proposed structure, a section through the structure to explain the relationship of the floor levels and stairs, and notes and/or specifications that describe the materials to be used on the exteriors. The Committee shall be composed of three members who shall be initially appointed by the Declarants. After the Association is organized, it shall have the right at any time and without notice to substitute members to serve upon the Committee, subject only to the condition that such new member at the time of appointment shall be a resident property owner in Riverside Subdivision.

7. Variances. The Committee is authorized to establish additional rules and regulations for all lots, the activities being conducted thereon, the improvements to be constructed thereon and the use thereof, not inconsistent with the provisions hereof, the same shall be enforced in the same manner as provided herein. The Committee may approve any variance from any provision or term hereof regarding construction of improvements on a lot upon written application for same. The decision of the Committee shall be absolutely binding upon all owners and the applicant for a variance. The actions taken by the Committee as required herein shall be stated in writing within thirty (30) days of receipt of plans and specifications, application for variance or other request for action. In the event the Committee fails to act and advise in writing then written approval will not be required provided the applicant notifies the Committee in writing, certified mail, return receipt requested, that at the expiration of fifteen (15) days following receipt of said notice that the Covenants will be presumed to have been fully complied with unless the Committee takes action as required under these Covenants. Plans and specifications or other requests for action shall be deemed to be properly submitted to the Committee if delivered in person or forwarded by mail, certified, return receipt requested, addressed to the Committee at the registered office of the Association. The residence or buildings, however, must be constructed in compliance with all of the other provisions hereof.

No outside toilets will be permitted, and no installation of any kind for disposal of sewage shall be allowed which would result in raw, treated or untreated sewage or septic tank drainage on or into the surface, alleys, ditches or water bodies. No septic tank or sewage disposal system may be installed within 125' from any water course nor may any septic tank or sewage disposal system be installed without prior approval of the Committee and the proper governmental authorities. All State, Upper Guadalupe River Authority, County and municipal (if any) health and sanitation statutes, rules, ordinances and regulations must be complied with at all times.

10. Use of River. A. The conveyance of a lot which borders on a portion of the river shall carry with it as a part of the conveyance the privilege of going upon and using all of such river whether such privilege is expressed in the deed or not; and every such lot

shall be conveyed subject to such privilege on the part of the owners of other lots whether such reservation is expressed in the deed or not.

B. The privilege of using such river shall be limited as follows:

- (1) No motor shall be used on any boat except an electric motor of not greater than 1-1/2 horsepower.
- (2) The Declarants and the Association reserve the right to go upon the lots for purposes of maintaining and repairing any dams on the river and maintaining the spillways for the same. Said lots shall be conveyed subject to said easement whether the same be expressed in the deeds or not; and any structures placed within such areas by the owner or owners of such lots or any part of the same, shall be at the risk of the owner or owners and subject to removal for the purpose of this easement.
- (3) The pumping or other taking of water from the river is prohibited except that the same may be taken in the event of a fire which creates any emergency, and may be taken for house use or lawn care if lawful under provisions of Texas Water Code.
- (4) No fences may be placed across any part of the river.

11. Use of Roadways. All of the lots are sold or conveyed upon the understanding that the owner or contract purchaser will be required to become and remain a member in good standing of the Association, and the owner and his property shall be subject to the provisions of the By-Laws of the Association including any obligation thereby imposed for the payment of any costs, dues or assessments.

16. Covenants Running With the Land. These restrictions and covenants are hereby declared to be covenants running with the land and shall be fully binding upon all persons acquiring property in said subdivision whether by descent, devise, purchase, assignment,

contract or otherwise, and any person by the acceptance of title to any lot, tract or parcel of land or entering into a contract for the purchase of same shall thereby agree and covenant to abide by, and fully perform all the foregoing Restrictions. These Restrictions shall be binding for a period of thirty (30) years from the date they are filed for record in the Deed Records of Kerr County, Texas, unless changed or amended as provided herein. Said covenants shall be automatically extended upon the expiration of said term, for successive periods of five (5) years each. The record owners of legal title of sixty-seven (67) per cent of the lots as shown by the Deed Records of Kerr County, Texas, may amend or change said covenants in whole or in part at any time, with the exception of the restriction pertaining to the resubdivision of lots found in Article X, Paragraph 14, which restriction may not be changed within the initial thirty (30) year period. Any change or amendment shall be set forth and evidenced by a successor instrument bearing the signature of the requisite number of record owners and the recording of same in the office of the County Clerk of Kerr County, Texas.

A copy of any change or amendment to these Restrictions shall be forwarded by prepaid mail to all owners by the Committee. Failure to furnish said copy shall not affect the validity of such change or amendment.

original party, successor or assignee into a Contract of Purchase and Sale for a lot with Declarants; the term "Owner" to exclude any person or entity having an interest in a Lot merely as security for the performance of an obligation; the term "Owner" to include Declarants if Declarants are a record owner of fee simple title to a Lot, but only if, with respect to such lot, Declarants have not entered into any Contract of Purchase and Sale. The association, under no circumstances, shall be deemed an Owner pursuant hereto.

Section 7: "Property" shall mean that property described in attached Exhibit "A". Declarants reserve the right to add additional property to the Riverside and Riverside North Subdivisions, provided that such addition is in accordance with the general plan of development of the Riverside and Riverside North Subdivisions. The additions herein described may be made by the execution and recording of a supplemental declaration describing the real property constituting the addition and containing an appropriate reference to this Declaration, whereupon, the provisions of this Declaration shall become applicable to such real property in all respects as if this Declaration had included such real property from the beginning, provided, however, that nothing herein contained shall subject such additional real property to assessments for the years prior to the year of addition.

ARTICLE II

MAINTENANCE FUND

Each residential lot shall be subject to an annual maintenance charge to be used for the purpose of maintenance, repair and installation of roads, bridges, paths, parks, parkways, vacant tracts, dams, and other purposes necessary or desirable in the opinion of the administrator of such fund to maintain or improve the property, or which it considers to be of general benefit to the owners or occupants of the property covered by these restrictions. Such fund may also be used for the purpose of enforcement of all covenants and restrictions of this section or subsequent sections of the Riverside and Riverside North Subdivisions.

The Declarants shall collect and maintain over the maintenance fund until eighty (80%) per cent of the above described 185.63 acres has been sold by deed or contract or for ten (10) years from date, whichever comes first, or at an earlier time if the Declarants so elect. At that time the administration of such funds shall be transferred to the Riverside and Riverside North Subdivision Owners Association consisting of all of the owners of residential lots in the Riverside and Riverside North Subdivisions. The Association may incorporate under the laws of the State of Texas to facilitate the administration of its duties and functions. Each residential lot owner from all sections shall be a member of such Association and entitled to one (1) vote for each lot owned by deed or contract. Prior to incorporation the Association shall be governed by a Board of Directors consisting of three (3) property owners selected by the Declarants at such time as maintenance responsibility and authority is vested in the Association.

ARTICLE III

POWER AND DUTIES OF THE ASSOCIATION

At such time as maintenance responsibilities and authority is vested in the Riverside and Riverside North Subdivision Owners Association, it shall have the following powers and duties, whenever, in the exercise of its discretion, it may deem them necessary and advisable:

- (1) To enforce this Declaration either in its own name or in the name of any owner within the subdivision.
- (2) To maintain, repair and replace all property owned by the Association, including roads, dams and other common facilities.
- (3) To borrow money by and through the Board of Directors, providing the borrowing of funds is approved and sanctioned by a two-thirds (2/3rds) vote of the membership at a meeting called for the purpose of such determination.
- (4) To construct improvements to common facilities or

along common easements reserved for roadways and utilities.

(5) The Association shall have the right to expend its funds for the above-mentioned purposes and for such other purposes as said Association acting through its management committee may deem advisable for the general welfare of the property owners in the Riverside and Riverside North Subdivisions.

ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

By purchase of a lot which is subject to these covenants, conditions, and restrictions, each member is deemed to covenant and agree to pay to the administrator of the maintenance fund annual assessments or charges. The maintenance charge shall be paid annually on the first day of January of each year in advance, the first payment to become due on January 1, next year after the owner acquires title either by deed or contract to the lot subject thereto. The maintenance charges which shall accrue from the date of acquisition of a lot to the next January 1 shall be paid at time of closing. The maintenance charge shall not accrue against any tract of which the legal and/or equitable title to which are vested in Declarants, notwithstanding that a tract may have been previously sold by a deed or contract and title thereto reverted back to Declarants. The initial maintenance charge shall be Twenty (\$20.00) Dollars per lot per year; however, the assessments may be increased or decreased at a uniform rate for all lots as deemed necessary by the Declarants and, after the Association assumes administration of the funds responsibilities, by the Association pursuant to the rules and regulations of the Association. Interest on past due charges shall accrue at the rate of ten (10) per cent per annum from date of delinquency. The charges shall be secured by a Vendor's Lien on the lots subject to such charge, and the party charged with the responsibility of collecting and administering such funds shall be entitled to foreclose on such Vendor's Lien to insure payment of such maintenance charge in accordance with the provisions of law. The party

charged with the responsibility of collecting and administering such funds shall also be entitled to bring an action at law against the owner personally obligated to pay the assessment, and the interest, costs and reasonable attorney's fees of any such action shall be recoverable or otherwise added to the amount of such assessment. Any Owner failing to pay the assessment shall also forfeit all right to use the property owned by the Association until such assessment has been paid. The specific remedies referred to herein shall not preclude the party charged with the responsibility of collecting and administering such funds from exercising any other remedies which may legally exist, and such remedies shall be considered as cumulative. The maintenance charge shall remain effective for a term of thirty (30) years from the date this Declaration is recorded, and shall automatically be extended thereafter for successive periods of five (5) years; provided, that the Association may revoke such maintenance charge as of the end of such 30 year period or at the end of any successive five (5) year period thereafter by executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the Office of the County Clerk, Kerr County, Texas. The party charged with the responsibility of administering the funds shall have the sole discretion as to how such money shall be used to comply with the provisions of this Declaration.

ARTICLE V

RIGHT OF MORTGAGEES

Any violation of any of the easements, agreements, restrictions, reservations, or covenants contained herein shall not have the effect of impairing or affecting the rights of any mortgagee, guarantor, or trustee under any mortgage or deed of trust outstanding against the lot, at the time that the easement, agreements, restrictions, reservations,

or covenants are violated.

In the event that the party charged with the responsibility of administering the maintenance fund shall elect to effect collection of such past due amounts by foreclosure of the Vendor's Lien, or by execution under any judgment, then the lender or Mortgagee need not be made a party, but shall be given a written notice at least sixty (60) days prior to any such action of the intent to pursue the remedy, which notice shall state the sum or sums due and owing and shall be conclusively deemed delivered as of the date when such notice is deposited in the U. S. mails with postage prepaid for certified or registered mail with return receipt requested and addressed to lender or mortgagee at his or its last known address.

ARTICLE VI

ENFORCEMENT

The covenants, reservations, easements and restrictions set out herein are for the benefit of the undersigned, their heirs, successors and assigns and equally for the benefit of any subsequent owner of a lot or lots in the Riverside and Riverside North Subdivisions and his heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, and easements and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity, by any one or more of said parties.

ARTICLE VII

OWNER'S EASEMENTS OF ENJOYMENT

Every owner shall have a right and easement of enjoyment in and to the property owned by the Association, which right and easement shall be appurtenant to and pass with the title to every lot. Provided, however, such right and easement

shall be subject to any restrictions established by the Association and its Management Committee, and each owner's use and enjoyment of the property owned by the Association shall not interfere with the rights and enjoyment of other owners to use and enjoy the same.

ARTICLE VIII

USE RESTRICTIONS

1. Non-Commercial Use of Lots. None of said lots, or the improvements erected thereon, shall be used for any purpose other than private single family residence with the usual and customary accessory buildings such as, but not limited to, garage, guest cottage and servants' quarter. No lot, or the improvements thereon, shall be used for any commercial purpose, except that nothing herein shall be constructed to prevent an Owner from rendering professional services of a purely personal nature as long as such services do not attribute to the lot any appearance of a commercial or non-residential use.
2. Common Areas. The common areas owned or controlled by the Association shall be maintained and governed by the Association in a manner consistent with the purpose of the Association as set forth in the By-Laws and in conformity with the terms and provisions hereof.
3. Construction of Buildings and Other Structures. All buildings and structures on each lot shall be of new construction and architecturally in harmony with the primary residential buildings. All tin roofs must be painted. No unpainted sheet metal or fiberglass structures shall be placed on any of said Lots for use as an accessory building. Owners may use their lots for weekend camping for no longer than one week at a time; however, no tent, house trailer, or temporary structure of any character may be placed, constructed or maintained on any of said lots for any period longer than one week. Motor Homes and travel trailers may be stored on the premises; however, they shall not be used as a residence nor can they be hooked up to sanitary facilities.
4. Size of Buildings and Structures. Not more than one primary residence shall be constructed on any of said Lots. In no event shall any residence be erected on any of said lots having a living area of less than one thousand (1,000) square feet, exclusive of porches, garages or other appendages.
5. Set Back Requirements and Fencing. No building, or other structure shall be erected on any lot nearer than twenty-five (25) feet from any street, or twenty (20) feet from any side property line, nor closer than twenty (20) feet from any rear property line. All fences must be approved by the Committee.
6. The Architectural Control Committee. There is hereby established an Architectural Control Committee herein referred to as "Committee". The Committee shall determine if the plans and specifications for any fence or structure

on any lot meet the requirements of these Restrictions and determine if the appearance, design and quality of workmanship and materials are in harmony with the proposed scheme or plan of development of the subdivision as such Committee shall establish. No construction may begin until a plot plan and plans and specifications have been approved by the Committee. If approval is granted construction shall be commenced within eight (8) months thereafter, and if not, such approval shall be automatically withdrawn. The building of any approved structure must be completed within eight (8) months of commencement of construction. The Committee shall designate the streets and roads onto which access from each lot must be located and no other access shall be permitted. Construction plans and specifications shall, as a minimum, include plans of all floors and levels involved together with elevations of all sides of the proposed structure, a section through the structure to explain the relationship of the floor levels and stairs, and notes and/or specifications that describe the materials to be used on the exteriors. The Committee shall be composed of three members who shall be initially appointed by the Declarants. After the Association is organized, it shall have the right at any time and without notice to substitute members to serve upon the Committee, subject only to the condition that such new member at the time of appointment shall be a resident property owner in Riverside or Riverside North Subdivisions.

7. Variances. The Committee is authorized to establish additional rules and regulations for all lots, the activities being conducted thereon, the improvements to be constructed thereon and the use thereof, not inconsistent with the provisions hereof, the same shall be enforced in the same manner as provided herein. The Committee may approve any variance from any provision or term hereof regarding construction of improvements on a lot upon written application for same. The decision of the Committee shall be absolutely binding upon all owners and the applicant for a variance. The actions taken by the Committee as required herein shall be stated in writing within thirty (30) days of receipt of plans and specifications, application for variance or other request for action. In the event the Committee fails to act and advise in writing then written approval will not be required provided the applicant notifies the Committee in writing, certified mail, return receipt requested, that at the expiration of fifteen (15) days following receipt of said notice that the Covenants will be presumed to have been fully complied with unless the Committee takes action as required under these Covenants. Plans and specifications or other requests for action shall be deemed to be properly submitted to the Committee if delivered in person or forwarded by mail, certified, return receipt requested, addressed to the Committee at the registered office of the Association. The residence or buildings, however, must be constructed in compliance with all of the other provisions hereof.

8. Animals and Hunting. No animals other than domestic pets and horses shall be permitted on any of said lots. Horses may be kept on a lot if restrained within a fenced enclosure.

Hunting is prohibited.

9. Sanitation and Sewage. Not outside toilets will be permitted, and no installation of any kind for disposal of sewage shall be allowed which would result in raw, treated or untreated sewage or septic tank drainage on or into the surface, alleys, ditches or water bodies. No septic tank or sewage disposal system may be installed within 125' from any water course nor may any septic tank or sewage disposal system be installed without prior approval of the Committee and the proper governmental authorities. All State, Upper Guadalupe River Authority, County and municipal (if any) health and sanitation statutes, rules, ordinances and regulations must be complied with at all times.

10. Use of River.

A. The conveyance of a lot which borders on a portion of the river shall carry with it as a part of the conveyance the privilege of going upon and using all of such river whether such privilege is expressed in the deed or not; and every such lot shall be conveyed subject to such privilege on the part of the owners of other lots whether such reservation is expressed in the deed or not.

B. The privilege of using such river shall be limited as follows:

(1) No motor shall be used on any boat except an electric motor of not greater than 1-1/2 horsepower.

(2) The Declarants and the Association reserve the right to go upon the lots for purposes of maintaining and repairing any dams on the river and maintaining the spillways for the same. Said lots shall be conveyed subject to said easement whether the same be expressed in the deeds or not; and any structures placed within such areas by the owner or owners of such lots or any part of the same, shall be at the risk of the owner or owners and subject to removal for the purpose of this easement.

(3) The pumping or other taking of water from the river is prohibited except that the same may be taken in the event of a fire which creates any emergency, and may be taken for house use or lawn care if lawful under provisions of Texas Water Code.

(4) No fences may be placed across any part of the river.

11. Use of Roadways. To the extent that any roadway serving the subdivision crosses any lot, an easement and right of way for the purpose of ingress, egress and regress over and across said roadway is hereby reserved for the benefit of all lot owners served by the same and for the benefit of the Declarants' remaining 44.20 acres of land which adjoins the subdivisions.

12. Signs. No sign or advertising devise may be displayed on any lot except in the event of sale. There may be one for sale sign containing no more than five (5) square feet.

13. Trash and Garbage. No trash, garbage, construction debris, or other refuse may be dumped or disposed of or allowed to remain upon any lot, vacant or otherwise. No building materials of any kind or character shall be placed or stored upon the property until the owner is ready to commence improvements, and then such materials shall be placed within the property lines of the lot. No noxious or undesirable thing or use whatsoever shall be permitted on any lot. The committee shall determine noxiousness or undesirability and its decision shall be conclusive on all parties.

14. Subdividing. No lot, as that term is defined herein may be re-subdivided by the owner and no change or amendment to this restriction shall be permitted prior to the expiration of the initial thirty (30) year period.

15. Association Membership. All of the lots are sold or conveyed upon the understanding that the owner or contract purchaser will be required to become and remain a member in good standing of the Association, and the owner and his property shall be subject to the provisions of the By-Laws of the Association including any obligation thereby imposed for the payment of any costs, dues or assessments.

16. Covenants Running With the Land. These restrictions and covenants are hereby declared to be covenants running with the land and shall be fully binding upon all persons acquiring property in said subdivision whether by descent, devise, purchase, assignment, contract or otherwise, and any person by the acceptance of title to any lot, tract or parcel of land or entering into a contract for the purchase of same shall thereby agree and covenant to abide by, and fully perform all of the foregoing Restrictions. These Restrictions shall be binding for a period of thirty (30) years from the date they are filed for record in the Deed Records of Kerr County, Texas, unless changed or amended as provided herein. Said covenants shall be automatically extended upon the expiration of said term, for successive periods of five (5) years each. The record owners of legal title of sixty-seven (67%) per cent of the lots as shown by the Deed Records of Kerr County, Texas, may amend or change said covenants in whole or in part at any time, with the exception of the restriction pertaining to the re-subdivision of lots found in Article X, Paragraph 14, which restriction may not be changed within the initial thirty (30) year period. Any change or amendment shall be set forth and evidenced by a successor instrument bearing the signature of the requisite number of record owners and the recording of same in the office of the County Clerk of Kerr County, Texas.

A copy of any change or amendment to these Restrictions shall be forwarded by prepaid mail to all owners by the Committee. Failure to furnish said copy shall not affect the validity of such change or amendment.

ARTICLE IX

FLOOD PLAIN NOTICE

Owners are hereby expressly notified that portions of the lots lie within the flood plain of the Guadalupe River

and that Declarants are in no way liable for any damage to said lots or to property situated or constructed on said lots.

1) From conveyances of property lying in Surveys Nos. 1723 and 1560, there shall be EXCEPTED and reserved to the Declarants, their heirs and assigns, in perpetuity, a non-participating royalty interest in and to all of the oil, gas and other minerals in, on and under said lands equal to 1/32nd of all of such minerals which may be produced and saved from said lands; AND there shall further be EXCEPTED the 1/16th royalty interest in all oil, gas, sulfur and other minerals reserved in Warranty Deed dated May 27, 1938, recorded in Vol. 63, Page 69, et seq, Deed Records of Kerr County, Texas, from Dorothy Schley Milroy McLeod to Doris Johnson; and

2) From conveyances of property lying in Surveys Nos. 1724, 1717 and 638, there shall be EXCEPTED and reserved to the Declarants, their heirs and assigns, in perpetuity, a non-participating royalty interest in and to all of the oil, gas and other minerals in, on and under said lands equal to 1/16th of all of such minerals which may be produced and saved from said lands.

ARTICLE XI

DURATION AND AMENDMENT

The covenants, conditions and restrictions provided for in this Declaration shall run with and bind the land and

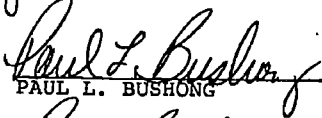

shall inure to the benefit of and be enforceable by the Association, its successors and assigns, for a term of Thirty (30) years from the date this Declaration is recorded, after which time the same shall be automatically extended for successive periods of five (5) years. Except as hereinabove expressly provided, the provisions of this Declaration may be amended as provided in the By-Laws of the Association. Any amendment must be properly recorded.

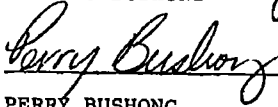

ARTICLE XII

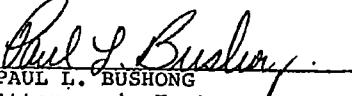

SEVERABILITY

The invalidity, abandonment or waiver of any one of these covenants, reservations, easements, and restrictions shall in no way affect or impair the other covenants, reservations, easements and restrictions which shall remain in full force and effect.

THE COUNTY OF KERR §

Reference is made to that certain Supplemental Declaration of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions ("Declaration") dated May 30, 1980, executed by Paul L. Bushong and Perry Bushong, as Declarants, recorded in Volume 235, Page 452, et seq. of the Deed Records of Kerr County, Texas, covering and relating to 185.63 acres of land, more or less, out of Survey No. 1560, W. F. James, Abstract No. 844, Survey No. 1717, W. P. Ridgeway, Abstract No. 945, Survey No. 638, S. W. Watkins, Abstract No. 368, Survey No. 1724, G. C. & S. F. Ry. Co., Abstract No. 1379, T. C. Cox, Original Grantee, and Survey No. 1723, G. C. & S. F. Ry. Co., Abstract No. 1175, all in Kerr County, Texas, as more fully described therein (the "Property"). Capitalized terms used but not defined herein shall have the same meanings ascribed to such terms in the Declaration unless the context clearly requires otherwise.

Pursuant to the provisions of Article II of the Declaration, the Riverside and Riverside North Subdivision Owners Association has been incorporated under the name of Riverside and Riverside North Subdivision Owners Association, Inc., a Texas nonprofit corporation, with each residential Lot Owner being a member of the Association and entitled to one vote for each Lot owned by deed or contract. Also pursuant to such Article II, the administration of the maintenance fund has been turned over to the Association by Declarants inasmuch as 80% of the Property has been sold by Declarants by deed or contract.

Under the provisions of Paragraph 16 of Article VIII of the Declaration, the record Owners of legal title of sixty-seven percent (67%) of the Lots as shown by the Deed Records of Kerr County, Texas may amend or change the covenants, conditions and restrictions set forth in the Declaration in whole or in part at any time (with the exception only of the restriction pertaining to the re-subdivision of the Lots set forth in Paragraph 14 of Article X of the Declaration).

Accordingly, the undersigned, constituting the record Owners of legal title of sixty-seven percent (67%) or more of the Lots as shown by the Deed Records of Kerr County, Texas as of effective date of this First Amendment, do hereby amend the covenants, conditions and restrictions as set forth in the Declaration in the following particulars:

1.

As the Association is to be governed by a Board of Directors rather than a Management Committee, the references to "Management Committee" appearing in Paragraph (5) of Article III and in Article VII of the Declaration shall be deleted and there shall be substituted in lieu thereof the words "Board of Directors".

2.

Paragraph (2) under Article III of the Declaration is amended to read hereafter as follows:

"(2) To cause the "common areas" to be maintained, repaired and/or replaced. The term "common areas", as used herein, shall mean and refer to (i) the river and roadways referred to in Paragraphs 10 and 11, respectively, of Article VIII of the Declaration, together with all improvements thereon and thereto, including, without limitation, dams, front fence and gate and identification/directional signage, but excluding improvements owned by utilities or public entities, and (ii) all other property owned or controlled by the Association.

3.

The words "common facilities" appearing in Paragraph (4) of Article III of the Declaration shall be deleted and there shall be inserted in lieu thereof the words "common areas".

4.

There shall be added as one of the powers and duties of the Association, acting by and through its Board of Directors, the power and duty to procure and maintain adequate (i) liability and hazard insurance on and with respect to the common areas and other property owned or controlled by the Association, and (ii) general liability insurance and officer's and directors's liability insurance. The premiums for such insurance shall be a common expense payable out of the maintenance fund of the Association.

5.

Article IV of the Declaration, relating to Covenants for Maintenance Assessments, shall be amended in the following respects:

(a) The fourth full sentence of such Article, relating to the nonpayment of maintenance charges with respect to tracts of land owned by Declarants, shall be deleted in its entirety.

(b) Any provision contained in such Article IV to the contrary notwithstanding, any Owner failing to pay a monthly assessment when due shall not be considered to be a delinquent Owner until such Owner shall have failed to pay such assessment for a period of thirty (30) days after the same became due and payable, provided that until such Owner pays the maintenance charge in question such Owner shall not only forfeit all rights to use the common areas and other property owned by the Association but shall also forfeit the right to vote at any meeting of the members of the Association or with respect to any matter concerning the Association and the Property.

6.

Paragraph 11 of Article VIII of the Declaration shall be amended to read hereafter as follows:

"11. Use of Roadways. To the extent that any roadway serving the subdivision crosses any Lot, an easement and right of way (not exceeding 30' in width) for the purpose of ingress, egress and regress over and across said roadway is hereby reserved for the benefit

of all Lot Owners served by the same and for the benefit of the Declarants' remaining 44.20 acres of land which adjoins the subdivisions, provided that (i) such easement and right of way shall be used solely for ingress, egress and regress to and from a specified lot or tract and not for general recreational purposes, and (ii) all vehicular traffic using such easement and right of way shall not exceed a speed limit of 10 miles per hour or such other speed limit as may be set from time to time by the Board of Directors of the Association. All gates and chains now or hereafter located on or serving any such roadway (including, specifically, the gate providing entrance from F.M. 1340 to the existing 30' wide roadway running in a westerly direction from F.M. 1340 on the north side of the north fork of the Guadalupe River) shall be kept locked at all times (except when passing through same) with locks and chains furnished from time to time by the Board of Directors of the Association, provided that each Lot Owner is furnished with the combination or key to each such lock."

* * * * *

Except as amended hereby, each of the covenants, conditions and restrictions of the Declaration shall continue in full force and effect as originally written, and the Declaration, as amended hereby, is hereby in all respects ratified, adopted and confirmed by the undersigned.

The provisions of this First Amendment shall extend to and be binding upon each Lot Owner and his or her respective heirs, legal representatives and assigns.

EXECUTED in a number of counterparts, each of which shall have the force and effect of an original although constituting but one and the same instrument, effective as of the 3rd day of July, 1986, although actually executed on the respective dates set forth opposite the signature of each party below.

SECOND AMENDMENT OF SUPPLEMENTAL DECLARATION
OF COVENANTS, CONDITIONS AND RESTRICTIONS OF
RIVERSIDE AND RIVERSIDE NORTH SUBDIVISIONS

THE STATE OF TEXAS §
§
THE COUNTY OF KERR §

Reference is made to (i) that certain Supplemental Declaration of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions ("Supplemental Declaration") dated May 30, 1980, executed by Paul L. Bushong and Perry Bushong, as Declarants, recorded in Volume 235, Page 452, et seq. of the Deed Records of Kerr County, Texas, covering and relating to 185.63 acres of land, more or less, out of Survey No. 1560, W. F. James, Abstract No. 844, Survey No. 1717, W. P. Ridgeway, Abstract No. 945, Survey No. 638, S. W. Watkins, Abstract No. 368, Survey No. 1724, G. C. & S. F. Ry. Co., Abstract No. 1379, T. C. Cox, Original Grantee, and Survey No. 1723, G. C. & S. F. Ry. Co., Abstract No. 1175, all in Kerr County, Texas, as more fully described therein (the "Property"), and (ii) that certain First Amendment of Supplemental Declaration of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions ("First Amendment") dated effective as of July 3, 1986, recorded in Volume 381, Page 773, et seq. of the Deed Records of Kerr County, Texas, amending the Supplemental Declaration in certain particulars as therein specified (such Supplemental Declaration and such First Amendment being hereinafter referred to collectively as the "Declaration"). Capitalized terms used but not defined herein shall have the same meanings ascribed to such terms in the Declaration unless the context clearly requires otherwise.

Pursuant to the provisions of Article II of the Supplemental Declaration, the Riverside and Riverside North Subdivision Owners Association has been incorporated under the name of Riverside and Riverside North Subdivision Owners Association, Inc., a Texas nonprofit corporation, with each residential Lot Owner being a member of the Association and entitled to one vote for each Lot owned by deed or contract. Also pursuant to such Article II, the administration of the maintenance fund has been turned over to the Association by Declarants inasmuch as 80% of the Property has been sold by Declarants by deed or contract.

Under the provisions of Paragraph 16 of Article VIII of the Declaration, the record Owners of legal title of sixty-seven percent (67%) of the Lots as shown by the Deed Records of Kerr County, Texas, may amend or change the covenants, conditions and restrictions set forth in the Declaration in whole or in part at any time (with the exception only of the restriction pertaining to the re-subdivision of the Lots set forth in Paragraph 14 of Article X of the Declaration).

Accordingly, the undersigned, constituting the record Owners of legal title of sixty-seven percent (67%) or more of the Lots as shown by the Deed Records of Kerr County, Texas as of effective date of this Second Amendment, do hereby further amend the covenants, conditions and restrictions as set forth in the Declaration in the following particulars:

Paragraph 8. of Article VIII of the Declaration is amended to read hereafter as follows:

"8. Animals, Hunting and Use of Firearms.

A. No animals other than domestic pets and horses shall be permitted on any of said lots. Horses may be kept on a lot if restrained within a fenced enclosure.

B. Hunting is prohibited.

C. The firing, discharging or other use of firearms of any kind on or about the Property or on or about any Lot or common area constituting a part of the Property is expressly prohibited, provided that the foregoing shall not prevent the firing, discharging or other use of firearms by any Lot Owner for the express purpose of defending or protecting such Lot Owner or such Lot Owner's property (both real and personal) from and against any injury, loss or damage or threatened injury, loss or damage."

* * * * *

Except as further amended hereby, each of the covenants, conditions and restrictions of the Declaration shall continue in full force and effect as originally written, and the Declaration, as further amended hereby, is hereby in all respects ratified, adopted and confirmed by the undersigned.

The provisions of this Second Amendment shall extend to and be binding upon each Lot Owner and his or her respective heirs, legal representatives and assigns.

EXECUTED in a number of counterparts, each of which shall have the force and effect of an original although constituting but one and the same instrument, effective as of the ____ day of ____, 1990, although actually executed on the respective dates set forth opposite the signature of each party below.

THE COUNTY OF KERR

§

Reference is made to (i) that certain Supplemental Declaration of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions ("Supplemental Declaration") dated May 30, 1980, executed by Paul L. Bushong and Perry Bushong, as Declarants, recorded in Volume 235, Page 452, et seq. of the Deed Records of Kerr County, Texas, covering and relating to 185.63 acres of land, more or less, out of Survey No. 1560, W.F. James, Abstract No. 844, Survey No. 1717, W.P. Ridgeway, Abstract No. 945, Survey No. 638, S.W. Watkins, Abstract No. 368, Survey No. 1724, G.C. & S.F. Ry. Co., Abstract No. 1379, T.C. Cox, Original Grantee, and Survey No. 1723, G.C. & S.F. Ry Co., Abstract No. 1175, all in Kerr County, Texas, as more fully described therein (the "Property"), (ii) that certain First Amendment of Supplemental Declarations of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions (the "First Amendment") dated effective as of July 3, 1986, recorded in Volume 381, Page 773, et seq. of the Deed Records of Kerr County, Texas, amending the Supplemental Declaration in certain particulars as therein specified, and (iii) that certain Second Amendment of Supplemental Declaration of Covenants, Conditions and Restrictions of Riverside and Riverside North Subdivisions (the "Second Amendment") dated effective as of May 21, 1990, recorded in Volume 553, Page 270, et seq., of the Deed Records of Kerr County, Texas, amending the Supplemental Declaration in certain particulars as therein specified (such Supplemental Declaration, such First Amendment, and such Second Amendment being hereinafter referred to collectively as the "Declaration"). Capitalization terms used but not defined herein shall have the same meanings ascribed to such terms in the Declaration unless the context clearly requires otherwise.

Pursuant to the provisions of Article II of the Supplemental Declaration, the Riverside and Riverside North Subdivisions Owners Association has been incorporated under the name of Riverside and Riverside North Subdivision Owners Association, Inc., a Texas nonprofit corporation (the "Association"), with each residential Lot Owner being a member of the Association and entitled to one vote for each Lot owned by deed or contract. Also pursuant to such Article II, the administration of the maintenance fund has been turned over to the Association by Declarants inasmuch as 80% of the Property has been sold by Declarants by deed or contract.

Under the provision of Paragraph 16 of Article VIII of the Declaration, the record Owners of legal title of sixty-seven percent (67%) of the Lots as shown by the Deed Records of Kerr County, Texas, may amend or change the covenants, conditions and restrictions set forth in the Declaration in whole or in part at any time (with the exception only of the restriction pertaining to the re-subdivision of the Lots set forth in Paragraph 14 of Article X of the Declaration).

VOL 1427 PAGE 160

Accordingly, the undersigned, constituting the record Owners of legal title of sixty-seven percent (67%) or more of the Lots as shown by the Deed Records of Kerr County, Texas, as of effective date of this Third Amendment, do hereby further amend the covenants, conditions and restrictions as set forth in the Declaration in the following particulars:

1. The first line of Article I, Section 5, is hereby amended by deleting the number "59" and substituting therefore the number "62".
2. The third line of Article IV (b) is hereby amended by deleting the word "monthly".
3. The fifth line of Article VIII, No. 1. is hereby amended by deleting the words "and servants' quarters" and inserting between the words "garage" and "guest", the word "and".
4. Article VIII, No. 3 is hereby amended by deleting in its entirety the second sentence that states "All tin roofs must be painted."
5. Article VIII, No. 3 is hereby amended by adding to line 12 after the word "premises" the following: "with the prior written approval of the Architectural Control Committee".
6. Article VIII, No. 3 is hereby amended by adding the following additional sentence: "No dock, pier, or other structure may extend into the river beyond the natural riverbank".
7. Article VIII, No. 3 is hereby amended by adding the following sentences: "No structure may be constructed on any lot that is not at least five feet (5') above the 100 year flood plain elevation for that lot and/or building site without first obtaining a variance from the Architectural Control Committee. Any such variance granted by the Architectural Control Committee shall be preliminary and not final unless and until the owner requesting the variance obtains and presents to the Architectural Control Committee any and all final approvals or permits required by FEMA or any governmental agency that regulates construction in a flood plain area."
8. Lines 4 and 5 of Article VIII, No. 4, are hereby amended by deleting the words and numbers "one thousand (1,000)" and inserting therefore the words and numbers "one thousand two hundred (1, 200)".
9. Article VIII, No. 1 is hereby amended by inserting the following after the first sentence: "Not more than one (1) guest cottage may be constructed on any lot and each such guest cottage shall have a living area of not less than six hundred (600) square feet and not more than nine hundred (900) square feet."

VOL 1427 PAGE 161

10. Line 12 of Article VIII, No. 6 is hereby amended by deleting the word and number "eight (8)" and inserting therefore the word and number "twelve (12)".
11. Line 1 of Article VIII, No. 10 B, No. (1) is hereby amended by inserting after the word "boat" the words "or any other watercraft".
12. Article VI is hereby amended by adding the following additional sentences: "Any violation, or potential violation, of these covenants, reservations, and easements and restrictions may be enjoined by any owner or by the Association. Any owner found to be in violation of any of these covenants, restrictions, easements, or restrictions shall be liable to the Association (or any owner who file suit to enforce these covenants, restrictions, easements, or reservations) for the reasonable cost and expenses, including attorneys' fees, incurred in connection with such enforcement."

Except as further amended hereby, each of the covenants, conditions and restrictions of the Declaration shall continue in full force and effect as originally written and the Declarations, as adopted and confirmed by the undersigned.

The provisions of this Third Amendment shall extend to and be binding upon each Lot Owner and his or her respective heirs, legal representatives and assigns.
