General Notes:

1. Readings are based on NAD83 (NAD 83) North 1721 (2018) as shown on a previous survey by Mr. Simon Senechal and Engineering L.C. dated 1977 for the Grand Cal. Station. No "file search" was performed or provided as part of this survey. Surveyor makes no guarantee that all easements, right of ways, or any other restrictive burdens are shown. This map is Certified to be correct and in accordance with a physical survey made on the ground under the direction of the undersigned, and complies with the requirements of the Professional Standards of the Association of Professional Surveyors. This Certification is valid only if my typed signature is across the surveyor's seal. The word "Certified" or "Certification," as shown on and used herein means an expression of professional opinion regarding the facts of the survey and does not constitute a warranty or guarantee expressed or implied.
